Fag Tax Director Swamped By Mail

INDIANAPOLIS (UPI) — State cigarette tax director O. Ray Olson was literally snowed under today by an avalanche of mail from "honest" merchants.

Olson said he was amazed that an honor system aimed at collecting a one-cent per pack increase in the cigarette tax which became effective last Saturday had produced such speedy and voluminous results.

More than 8,000 letters containing payments came in Monday and this morning, and Olson anticipated another 5,000 this afternoon in the next mail delivery. He estimated the letters averaged \$3 payment for a total of \$24,000.

They came from retailers and others and the payments were based on a penny a pack inventory on hand when the increased tax became effective June 1.

Olson said all distributors of cigarettes were provided with forms and were asked to pass the forms on to their customers. The customers, in turn, were asked to send in one cent for each pack of smokes on hand at the time the tax was hiked.

Olson said it was an "honor system" and the results was "wholly unexpected." He expects as much as \$400,000 from cigarettes on hand at the time the tax hike went into effect.

The bulk of the money will come, he said, when the big chain stores start reporting. These were likely to come in around the 15th of this month.

One envelope had only 14 cents in it. Others had somewhat larger payments, averaging about \$3 each.

The flood of mail quickly swamped Olson's office help and he borrowed some clerks from other offices of the state revenue department.

Charge Postal Clerk With Embezzlement

INDIANAPOLIS (UPI)—A Lebanon postal clerk was free on \$2,000 bond today on a federal charge of embezzling \$700 in postoffice funds.

Russell O. Burress, Jr., 36, gave himself up Sunday, ending a week-long search for him. He appeared before a U. S. Commissioner Monday.

Burress vanished, authorities said, on May 22 when postal inspectors asked for his postal records and keys to his cash box.

Motorist Is Fined On Speeding Charge

James L. Noble, 26, of Poneto, paid a fine of \$25 and costs, amounting to \$42.75, in justice of the peace court Monday evening on a charge of speeding.

J. P. Floyd Hunter also took the driver's license of Noble, which he will hold for 40 days.

Noble was arrested at 12:35 a.m. Saturday after being chased by the city police up to speeds of 120 miles per hour. He was seen traveling at a high-rate of speed at the intersection of 13th street and Nuttman Ave. by the police, and after being chased up to 120 miles an hour speed, was apprehended at the county line.

Two Local Girls To Hoosier Girls' State

Miss Jane Kaehr

Miss Carol DeVine

Two local young ladies have been selected as representatives to the twenty second session of Hoosier Girls' State. They are Miss Jane Kaehr, daughter of Mr. and Mrs. Fred Kaehr, route 4, Decatur, and Miss Carol DeVine, daughter of Charles DeVine, route 2, Decatur, and the late Betty DeVine.

Miss Kaehr is sponsored by the Adams Central P.T.A. and Miss DeVine by the American Legion auxiliary. Both young ladies were juniors this past year at Adams Central high school. In the event that Miss Kaehr or Miss DeVine is unable to attend either Miss Imogene Steffen or Sandra Teeter, also Adams Central juniors, will be sent.

The purpose of Hoosier Girls' State is to educate young women in the duties, privileges, rights, and responsibilities of American citizenship, and to give these citizens, in a realistic manner, an opportunity to learn the problems of the government with special emphasis upon the contribution women can make to the welfare of the city, county, state, and nation.

This program is non-partisan and non-political.

Every member of Girls' State will have a definite function in the government of Girls' State.

Girls are sponsored through the American Legion auxiliary units, or other interested organizations in the community.

A list of girls is chosen by the principal of the high school, in consultation with the teacher from the junior class or the dean of girls.

The list of recommende girls is then given to the sponsoring unit who selects the representatives.

Each girl must be in good health in order to be nominated as a student citizen of Hoosier Girls' State and must have the following qualifications: (1) a definite interest in government; (2) outstanding qualities of leadership; (3) honesty and good character; (4) courage and co-operativeness; (5) scholastic rating in upper third of her class; (6) physical fitness; (7) U. S. citizen; (8) unmarried.

Sunday, June 30, will be honor day at the auditorium on the Indiana University campus, at Bloomington. All parents and friends are invited to this big day.
