

Guard Party Girl After Phone Threat

LONDON (UPI) — Police guarded party girl Christine Keeler today because of threats stemming from the Profumo scandal that has rocked the government and shocked London society.

A police spokesman said guards were posted at Miss Keeler's apartment after a number of anonymous threats against her life were made by telephone. Authorities warned the 22-year-old redhead not to answer her door.

Scotland Yard was reported planning to question more society figures in a vice probe connected with the sex and security scandal touched off by the resignation of War Minister John Profumo because of his illicit love affair with Miss Keeler.

On the political front, Prime Minister Harold Macmillan fought a rear-guard action against persistent demands that he resign because of his handling of the Profumo affair. The 69-year-old Conservative party leader was determined not to let the scandal force him out of office.

Calls Cabinet Meeting
The prime minister called a cabinet meeting this morning, followed by a session with opposition Labor party Leader Harold Wilson to discuss further steps for an inquiry into the Profumo case.

Profumo, 48, quit June 4 after admitting he lied in telling the House of Commons on March 22 that there was nothing improper about his friendship with Miss Keeler. It turned out he was having an affair with her at the time she also was the mistress of Soviet assistant naval attaché Eugene Ivanov.

The House of Commons had before it a motion citing Profumo's "grave contempt" of Parliament. The motion was tabled Wednesday night by both the Conservative and Labor parties.

The political infighting tended to be overshadowed by new developments in the vice case against society osteopath Dr. Stephen Ward, 50, who introduced Profumo and Ivanov to Christine. Ward is awaiting trial on charges of living off the earnings of prostitutes.

Hearing Held Here On Union Charges

A hearing was held in the Adams circuit court room Tuesday and Wednesday to hear testimony by representatives of Central Soya and District 50 of the United Mine Workers, local 15173.

The hearing was held before an independent trial examiner from Washington, D. C., regarding the union charge that Central Soya had committed an unfair labor practice by subcontracting certain maintenance repair and yard jobs.

Briefs will be filed by both parties within 20 days of the hearing date and it is expected that the trial examiner's opinion and disposition will be forthcoming within 30 days from the date of the filing of the briefs.

Only Two Polio Cases In Indiana

INDIANAPOLIS (UPI)—Indiana State Board of Health statistics showed today only two cases of polio have been reported this year, compared with three this time last year.

Inspector Samuel Herbert and Sgt. John Burrows questioned Profumo for two hours Wednesday in connection with the Ward case. Police have said more charges may be lodged against Ward.

No statements were made after Profumo left his meeting with the detectives. The former war minister returned home Tuesday for the first time since he went into hiding after resigning.

Miss Keeler has told police that Ward once asked her to try to get from Profumo the date of delivery of nuclear warheads to Germany. The requested information presumably was earmarked for Ivanov, Ward's friend and suspected intelligence agent. Miss Keeler said she did not ask the question.

Indianapolis Man Dies In Accident

By United Press International

An Indianapolis man was killed today in a U.S. 31 collision of a car and a truck at Greenwood, raising Indiana's 1963 traffic death toll to at least 530 compared with 491 this time last year.

Phillip Zirkle, 23, lost control of his car while passing another vehicle. The car careened backwards across a divider strip of the four-lane highway into the path of a big truck coming from the opposite direction.

Zirkle was thrown from the car and crushed to death beneath the wheels of the truck driven by Arthur Ferguson, 25, Indianapolis. Three deaths in traffic occurred Wednesday.

Mrs. Ida Hayman, about 70, R.R. 1, Lowell, was fatally injured Wednesday afternoon in a two-car collision at the intersection of U.S. 20 and a Lake County road north of Crown Point. Her husband, Harley, 73, and the driver of the other car, Joseph Boski, 30, Valparaiso, were injured in the crash.

Witnesses told police that Hayman, heading south on the county road, pulled into the highway in the path of Boski's car. He and his wife were thrown from their car by the impact. Mrs. Hayman died a few hours later in a Hammond hospital.

Two other persons died Wednesday of injuries suffered in earlier accidents.

Robert E. Coleman, 17, Jeffersonville, died in Clark County Memorial Hospital from injuries suffered Tuesday night when a car struck his motor scooter.

McKinley King, 39, Chicago, died in a Valparaiso hospital of injuries suffered Saturday when his car went out of control and crashed on the Northern Indiana Toll Road.

Sale Of Miller's Motel Announced

Rolland Patterson, former Wells county deputy sheriff, has purchased Miller's Motel, on Thirtieth street, and plans to take over the operation July 1.

The 19-unit motel was purchased by Patterson from Leota and True Miller. A brother, Richard Miller, was killed in an accident here last fall.

The Pattersons plan to sell their seven-acre farm three miles east of Bluffton and will make their residence in Decatur as soon as living quarters are available.

To Transport Home To New Site Friday

A home will be transported Friday from Ideal Suburban Homes at 830 N. 13th St., to the corner of Tenth and Adams street.

The model home was purchased recently by John Mazelin of Decatur and will be moved to its new location Friday. A new model home will replace the house on the I. E. H. lot on 13th street.

Protests Action On Deduction In Taxes

WASHINGTON (UPI) — The American Automobile Association Wednesday protested action by the House Ways and Means Committee which would eliminate \$300 million in tax deductions available to U. S. motorists.

The AAA attacked the committee action to end deductions for state and local gasoline taxes, automobile tags and licenses. Kermit Ryken, director of the AAA highways and legal department, said the committee "singled out the nation's motorists as the target for harsh and unjustified additional taxes."
