Vernon Zuercher, new head Adams Central high school coach, has issued a call for all athletes to report to the school Monday, at 6:30 p.m.

All boys in the Adams Central school district planning to compete in athletics during the coming school year are asked to report at this time, as a doctor will be on hand to give physical examinations.

Zuercher stressed that boys planning to compete in any athletics, including cross country and baseball, must have physical examinations before competing.

Yeoman also reminded all football players of the brief squad meeting that is scheduled for Monday evening, at 6:30 o'clock.

## Frick Rejects World Series Play At Night

CHICAGO (UPI) — Baseball Commissioner Ford Frick has rejected, at least for four years, a proposal that weekday World Series games should be played at night to permit many more TV fans to see the games.

The suggestion was made by Charles O. Finley, owner of the Kansas City Athletics, who estimated that switching the Wednesday, Thursday and Friday games to night would "increase the audience at least 50 per cent and perhaps double it."

"It's not under consideration," Frick said. "I couldn't do anything about it for four years anyhow. Our television contract doesn't expire until 1966, and we can't change that."

Changing the starting time of the World Series games would be decided by Frick, since the commissioner handles all World Series arrangements, but he said he wouldn't make any switch "without consultation" with both the National and American Leagues.

Finley proposed the switch to Frick two weeks ago, and Frick checked the possibility of changing with Tom Gallery, representative of the network which puts the games on both television and radio.

"Last year 277,347,000 people saw the seven games World Series," Finley said. "An average of about 40,000,000 per game. How many people are there in the country? If we played these games at night, they'd have as many as 100,000,000 watching every game."

Finley contended that the games could be played at night since "we play 75 to 80 per cent of our regular season games at night."

## Gary Peters Hurls Sixth Straight Win

By United Press International  
Gary Peters is a living refutation of the proposition that three strikes are always "out" in baseball.

A 6-foot, 2-inch, native of Grove City, Pa., Peters "struck out" in three trials with the Chicago White Sox but got a fourth "swing" from manager Al Lopez and is making it pay off with an 11-5 record that finally has earned him recognition as a first-rate major league pitcher.

After three years of failure, Peters finally won his first big league game on May 6 this year and since then has worked in the White Sox's regular rotation. He scored his sixth straight victory Thursday night when the Sox beat the Kansas City Athletics, 5-3, and he shapes up now as a 16-to-18 game winner.

The victory enabled the White Sox to remain eight games behind the runaway New York Yankees, who beat the Washington Senators, 3-1, in an afternoon game. The Minnesota Twins whipped the Los Angeles Angels 3-0, the Cleveland Indians downed the Baltimore Orioles, 2-0, and the Detroit Tigers nipped the Boston Red Sox, 6-5, in other AL games.

In the National League, Chicago defeated Los Angeles, 5-4, New York edged out St. Louis, 3-2, Cincinnati beat Philadelphia, 6-3, and Pittsburgh shaded Milwaukee, 1-0.

Ralph Terry pitched a six-hitter to win his 13th game behind a 13-hit Yankee attack that included two hits each by Tom Tresh and Phil Linz. He struck out five, ankh yct. fw VQG XW Tresh and Phil Linz. He struck out five and was never in serious trouble.

The three-place Twins swept to their seventh victory in eight games behind the six-hit pitching of Dick Stigman, who raised his season record to 12-10. Vic Power had three hits and Rich Rollins and Zoltie Versalles two each to lead the Twins' nine-hit attack. Paul Foytack suffered his fifth loss against four wins.

Old-fashioned baseball was the name of the game at Baltimore as Dick Donovan pitched a three-hitter and Joe Azcue stole home in the seventh inning for the Indians. Donovan, who raised his record to 7-10, allowed only one Oriole to reach second base and "faced" only 29 men during the game.

Rocky Colavito's 360-foot single past a drawn-in Boston outfield drove in the winning run for the Tigers, who beat relief ace Dick Radatz for the second time in two days and saddled him with his fourth loss against 12 victories. Norm Cash hit a three-run homer for the Tigers and Gary Geiger had three hits for the Red Sox.

**Pet-Stained Rugs**  
Urine stains on your rugs caused by pets can cause conspicuous discoloration. Blot up the stains immediately with a damp cloth, then go over the spot with a detergent solution. Rinse with a cloth dampened with clear water, blotting up as much of the moisture as possible. If the spot has dried, saturate it with a solution of half-cup of white vinegar to a cup of warm water, and let stand for a few minutes. Blot and repeat until the discoloration disappears. Then dry the rug as quickly as possible.

## Two Brothers Wins In Exhibition Game

Les Linn hurled a four-hit shut-out as Two Brothers of Decatur downed Heller Stone of Markle, 3-0, at the latter's diamond in an exhibition game Thursday evening.

The two clubs are entered in the 16-team softball tournament which starts at the Markle diamond next week.

A walk to Witherow and a single by Huston in the second inning gave Linn the only run he needed in the exhibition clash. The local nine scored a second tally in the fourth frame on an error and a single by A. Marbaugh, and added their final marker in the seventh when Willie Conrad doubled and scored as Linn aided his own cause with a single.

Two Brothers' first game in the Markle tourney will be Thursday, when they battle Spear-Dehner of Fort Wayne at 7:30 p.m.

## Chicago Cubs Beat Dodgers In 10 Innings

By United Press International

Lindy McDaniel received credit for his eighth victory of the year and Ron Santo hit two homers including a decisive 10th-inning blow, Thursday, when the Chicago Cubs slowed the Los Angeles Dodgers' pennant march with a 5-4 triumph.

Both of Santo's homers Thursday were off Larry Sherry — No. 19 tying the score in the fifth inning and No. 20 breaking up the game in the 10th. Al Ferrara, Frank Howard and Bill Skowron homered for the Dodgers, who now lead the second-place San Francisco Giants by 5½ games.

The Giants were idle Thursday but the New York Mets beat the Cardinals, 3-2, the Cincinnati Reds downed the Philadelphia Phillies, 6-3, and the Pittsburgh Pirates defeated the Milwaukee Braves, 1-0, in other NL action.

In the American League, New York beat Washington, 3-1, Chicago defeated Kansas City, 5-3, Minnesota shut out Los Angeles, 3-0, Cleveland nipped Baltimore, 2-0, and Detroit shaded Boston, 6-5.

Al Jackson ended a seven-game personal losing streak and won his seventh game for the Mets on the wings of Duke Carmel's eighth-inning homer off ex-teammate Bobby Shantz. Carmel also had two singles and Al Moran a double and a single to lead the Mets' seven-hit attack and Char-

## Paul Bryant Denies Rigging Football Game

ATLANTA (UPI)—Paul Bryant, his own reputation at stake in a \$10 million libel suit, boomed out his denial Thursday that he and Wallace Butts rigged the 1962 Alabama-Georgia football game.

"Did you and the plaintiff, in this case Wallace Butts, throw, fix or rig this game, as charged by the Saturday Evening Post?" Bryant was asked.

Bryant sat bolt upright and frowned.

"Absolutely not," he answered, "and if we did we ought to go to jail, and the persons involved should be put in jail because we didn't. Taking their money is not good enough."

Butts, wearing a black suit and a bright red tie — the colors of the University of Georgia where he resigned as athletic director last February — watched intently as his longtime friend denied that Butts gave him information in a telephone conversation which helped Alabama whip Georgia, 35-0, last year.

**Sued The Post**  
Butts sued the Post for saying in an article last spring that he gave key secrets about his own school's football team to Bryant, successful coach of Alabama's Crimson Tide.

The trial was in its fifth day today with a short session planned before a weekend recess. The crux of the magazine story is the report by an Atlanta insurance man George Burnett, that he accidentally overheard, by an electronic error, Butts give the plays to Bryant in a telephone conversation prior to the Alabama-Georgia game last fall.

Bryant said Thursday he doesn't remember whether he received such a call last Sept. 13 or not.

But he said in answer to questions by Butts' attorney, William Schroder, that he had had numerous telephone conversations with Butts.

**Denied Giving Information**  
Schroder asked Bryant if Butts had given him any information "relating to the plays, formations or defense to be used by Georgia in any football game with the University of Alabama."

"Absolutely not," Bryant answered.

Schroder put Bryant on the stand Thursday instead of calling Butts as he had announced. He said he may ask Butts to testify today "if he gets a good night's rest and his blood pressure doesn't give him trouble."

He also planned to put All-America Charlie Trippi and Leroy Jordan on the stand when court resumes Monday. Trippi is a former assistant coach at Georgia, Jordan, also an All-America, played with Alabama in the controversial game.

James homered for the Cardinals.

Homers by Frank Robinson and Tommy Harper paced Cincinnati's John Tsitouris to his eighth win although he needed help in the ninth from Bill Henry. Roy Sievers homered and drove in three runs for the Phillies but wasn't enough to prevent Chris Short from suffering his ninth loss.

Bob Friend scattered six hits for his 13th victory as the Pirates moved past the Braves into seventh place. Bill Mazeroski singled and scored from first base on Donn Clendenon's ninth-inning double to hand Bob Sadowski his fifth loss against one win.
