ALUMINUM SIDING

Our Special

**Nothing Down ---
60 MONTHS TO PAY**

ROY KAEHR HOME, above, 110-N. 13th street, has been modernized and weatherized by beautiful white aluminum siding, expertly installed by us. As a permanent business enterprise in Decatur, you can count on us to do a good job, and to stand behind it! Beware of fly-by-night siding "experts" with defective siding, smooth talk and disappearing premiums! Our advertised low price includes expert workmanship, good quality siding. Let us give you an estimate today! Modernize this summer, watch fuel bills and drafts drop next winter, and relax—stop spending your summer vacations painting the house!

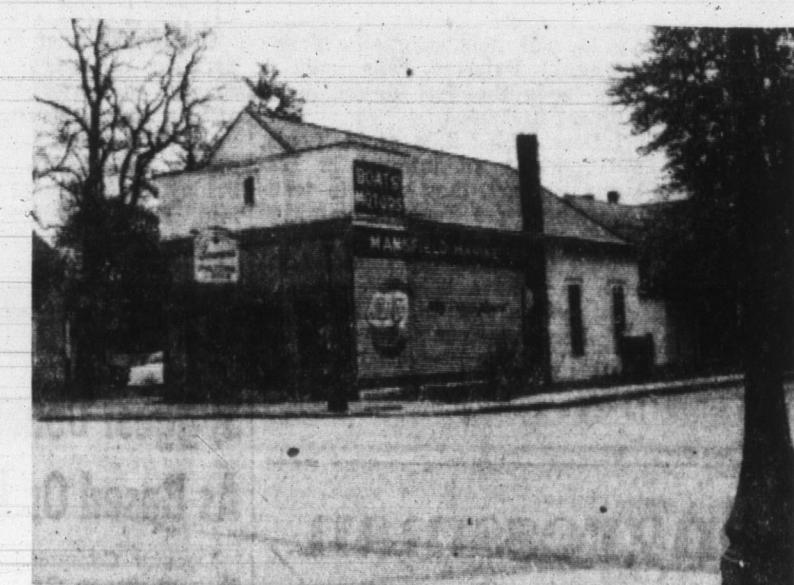

NEW EXTERIORS

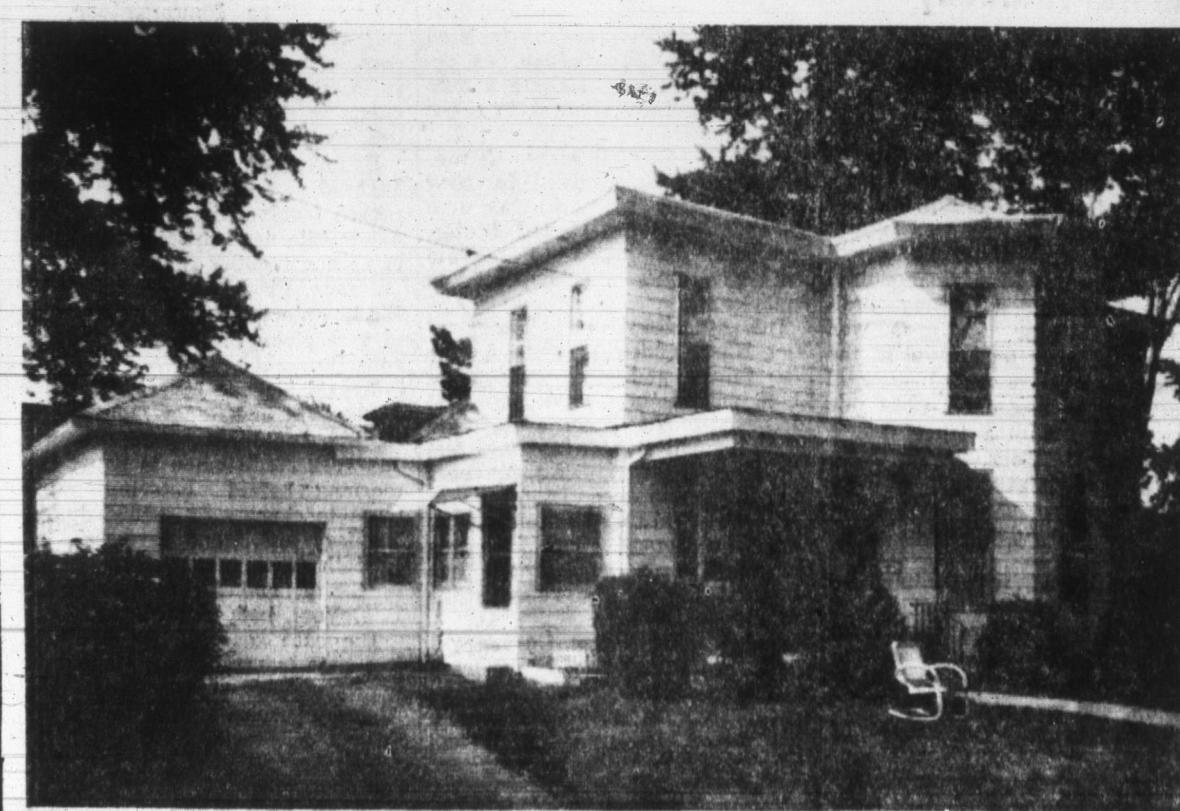

STONE FRONT, with aluminum siding, has converted the Bauman Upholstering Shop, 623 W. Monroe, into a modern, up-to-date, attractive store building. Stone fronts add thousands of dollars in resale value to your home, make it look as good as the best.

Your present home can be changed into your Dream Home by new siding and modernization now!

BEFORE AND AFTER—Below is Bauman's Upholstering and Repair Shop before remodeling, with the entranceway eating up one-third of the front space, with paint peeling from the building, and a typical old-fashioned front facing one of Decatur's busiest streets. To the left is the new front, completed in stone and aluminum siding, adding immeasurably to the store's appearance.

ARTHUR C. LANDIS HOME, 104 Jefferson street, has been updated and modernized with beautiful white aluminum siding. Your home will take on added beauty and usefulness, with no worries about peeling paint every summer, when you modernize with our fine aluminum siding. Get an estimate today!
