

## Texas Wallops Navy, 28-6, In Cotton Bowl

DALLAS (UPI) — The backs made the headlines, but both coaches agreed today that the other team's line was the key factor in Texas' quarterback Duke Carlisle's architecture of a 28-6 victory over Navy in the 26th annual Cotton Bowl.

Texas deserted its usual ball control tactics and took to the air-planes to lay the foundation for victory and the coach of the nation's national champion Longhorns, Darrell Royal, said the change in strategy was forced by Navy's defense which "jammed us on us."

Navy's heralded All-America Heisman Trophy winning quarterback, Jolly Roger Staubach, had a fine day statistically, but his effectiveness was hampered by Texas line that, in Middle Coach Wayne Hardin's words, "simply kept coming and coming."

Carlisle was the hero of the game offensively by throwing 58 and 63-yard scoring passes to fleet wingback Phil Harris and darting nine big yards for another touchdown to boost Texas into a 21-0 lead that smothered Navy's hopes before half-time.

Work Well Offensively But, the same crew of line-men which held Navy to a minus 14 yards rushing was performing an equally magnificent chore on offense by giving him ample time to throw or work his run-pass options to a new Cotton Bowl record total offense of 287 yards.

All-America tackle Scott Appleton, who shared "outstanding" honors with Carlisle by overwhelming vote margins, led this Longhorn line stampede. But, at best, his play was just a shade better than that of such teammates as tackle Staley Faulner and guards George Bruce and Tommy Nobis.

Staubach, who was thrown for 55 yards in losses by this raging front foursome, wound up with a deceptively impressive looking passing record of 21 hits in 31 tries for 228 yards — both Cotton Bowl records. Ed Orr caught nine of them for another bowl high.

Satisfaction Limited But, his moments of satisfaction were limited to one 75-yard drive in the fourth period — after Texas had a 28-0 lead — when he passed the Middles down to the two-yard line from where he ran it over.

Texas, which Hardin and his one-skeptical players admitted had convinced them it really was the nation's No. 1 team, collected its fourth touchdown after Carlisle had gone to the sidelines with 19 minutes left in the game.

It came on a two-yard surge by fullback Harold Phillip after reserve quarterback Tommy Wade had passed the Longhorns to within that range.

Staubach probably summed up the game in 22 words: "Texas didn't mess around. They hit hard and they kept the pressure on all the time. No, 1 they deserve to be."

## Illini's Soph Fullback Leads Rose Bowl Win

PASADENA, Calif. (UPI) — Rival coaches shuddered today as they thought of facing two more years of Jim Grabowski after watching the sophomore fullback pulverize the Washington Huskies in leading Illinois to a 17-7 victory in the Rose Bowl.

The 19-year-old Chicago youngster was voted "player of the game" and drew the praise of both his own coach and rival Coach Jim Owens for gaining 125 yards rushing, more than the entire Washington backfield was able to pile up.

"Grabowski certainly had himself an outstanding day running and deserved the 'player of the game' award," said Illinois Coach Pete Elliott.

**Douglas Was Injured** Although Owens would not admit one player could make the difference between winning and losing, Washington's hopes for an upset victory were dashed when quarterback Bill Douglas suffered a dislocated knee with the game only four minutes old.

Bill Siler, who missed nine games because of illness, tried valiantly to fill the gap but was rusty after only two weeks of practice. The Huskies also lost No. 2 fullback Mike Kuklinski with a broken leg minutes after Douglas was hurt.

If there was a turning point in the game, both coaches agreed, it came when Siler fumbled in the closing seconds of the first half and Bruce Capel recovered on the Washington 15. With two seconds remaining, the Illini got on the scoreboard on Jim Plankenhorn's 32-yard field goal to make the halftime score 7-3.

**Recover Fumble** Washington had scored midway in the second period after Fred Custardo fumbled and the Huskies' center John Stupey recovered on the Illini 27.

A Siler to end Joe Mancuso pass gained 18 yards and halfback Dave Kopay ran seven yards to score around end.

George Donnelly's first interception in the third period opened the door and the Illini drove 32 yards to score the go-ahead touchdown with Jim Warren racing the final two yards. Then at the start of the fourth period after Donnelly made his second interception, Grabowski led the Illini 85 yards in 17 plays and plunged over from the one.

The local post, at the present time, has the largest paid membership in the district, with 225 members paid up for 1964, or 80 per cent of the post's goal.

Dinner will be available at the post home, and a dance will be held following the meeting. The district ladies and fathers' auxiliaries will have their regular meetings the same night.

Wilbert Kirchner, membership chairman of the Decatur post, voiced hope that the 100 per cent membership goal can be reached by Jan. 24, as the department of Indiana has set that date for all posts with a membership of over 250, in order for the membership chairman to be a guest at the department convention banquet, which will be held during the state convention at South Bend June 19 through 21.

The next regular post meeting will be held at 8 p.m. Monday, with a joint meeting with the ladies auxiliary following the regular meeting.

CHICAGO (UPI) — Police searched today for a disgruntled New York Giants fan whose needling of Chicago Bear football players sparked a New Year's Day brawl that resulted in the death of former Bear Tony Parrilli.

Parrilli, 24, who played college football for Illinois, was shot to death and Bear fullback Joe Marconi was belted over the head with a revolver in the men's room scuffle at a plush suburban bowling alley partly owned by Bear end Mike Ditka.

Capt. Herbert Mertes of the Du Page County sheriff's office said Parrilli and an unidentified man started arguing in the washroom of Ditka's bowling alley in suburban Willowbrook.

"As I understand it," Mertes said, "the man was a fan of the Giants and they were arguing about the Bears-Giants championship game."

The Bears defeated the Giants for the National Football League championship last Sunday, 14-10.

The shot that killed Parrilli was fired accidentally by Willowbrook Police Chief Robert Winters, Du Page County authorities said. They said Winters told them he belted Marconi over the head with a revolver in an attempt to break up the brawl and the gun discharged, striking Parrilli in the left eye, killing him instantly.

Eight stitches were required to close Marconi's wound, but he was not hospitalized.

State's attorney William J. Bauer said he planned to file no charges against Winters and there would be no action in the case until the grand jury convenes the week of Jan. 20.

Deputy Coroner James Clark indicated an inquest would have been held this week — but he delayed it after learning some of the Bears players who will be called to testify planned to leave Chicago Wednesday for the pro bowl game in Los Angeles Jan. 12.

**Fox Hunt Planned Saturday Morning** A fox hunt will be held Saturday morning at 8:30 o'clock, with hunters to meet at the St. Mary's Blue Creek conservation club grounds. Adler's garage or Schwartz blacksmith shop, Trucks will pick up the hunters at those locations. A light lunch will be served at the noon hour.

**Davis Voted MVP** Sportswriters covering the game made him an almost unanimous choice for most valuable player in the game.

Davis was just one of a flock of bright lights for Alabama Wednesday.

The Alabama defense did not give Ole Miss a first down in the first half, and did not budge until the last quarter.

When the game was at stake on the two-yard line, the Alabama defense held solidly. Tide players recovered six fumbles and intercepted three passes against the seventh-ranked team in the nation, a team that seldom made mistakes.

Sophomore Steve Sloan was a stand-out. He replaced Joe Namath, Alabama's sensational quarterback who was dismissed from the squad early in December. Sloan went through the 1963 season without completing a pass. In the first quarter Wednesday he completed three and sparked the drive that set up Davis' first field goal.

**Set Fumble Record** Johnny Vaughn and Mississippi have seldom experienced such misery. The Rebels fumbled an almost unbelievable 11 times, a Sugar Bowl record.

Perry Lee Dunn, the Ole Miss quarterback who was signed by the Dallas Cowboys right after the game, completed eight out of 10 passes, most of them in the desperate fourth quarter.

"We just couldn't seem to get started," he said after the game.

But Ole Miss looked like its brilliant self for several minutes. Mississippi scored on a Dunn pass to Larry Smith on the three, and Smith ran into the end zone for Ole Miss' lone touchdown. Billy Carl Irwin made the extra point.

Dunn then led another Mississippi march to the two-yard line, but Alabama held.

## Tim Davis Of Alabama Sets Bowl Records

NEW ORLEANS (UPI)—You won't find his name listed on the first three teams. The only thing to set him off from the multitude of other subs is the notation "K.S." — kicking specialist — beside his name.

He is Tim Davis of Alabama, and you can bet that Coach Johnny Vaughn and his University of Mississippi team know who Davis is today.

Davis' record shattering performance in the Sugar Bowl football game Wednesday gave Alabama a 12-7 upset over Southeastern Conference champion Mississippi. His four field goals of 48, 46, 31 and 22 yards literally shook the Southern football world.

Never before had anyone kicked four, or even three, field goals in the 30-year history of the Sugar Bowl. Never before had anyone kicked a 40-yarder, much less a 46 and a 48 yarder, in the Sugar Bowl.

**New License Plates On Sale In State**

By United Press International

Indiana's 1964 motor vehicles license plates went on sale today at nearly 200 license branches throughout the state and they must be in use by March 1.

Prices for the largest to smallest passenger cars range from \$12.50 to \$8.50, including the 50-cent fee for notarization.

But an owner of a small foreign car in Marion County will have to pay \$18.50 to get his license plates, instead of the \$8.50 he forked over in 1963.

Thanks to an unprecedented wheel tax enacted by the 1963 General Assembly, owners of motor vehicles in the state's largest county will have to pay \$10 extra for auto license plates and up to \$25 more for trucks.

The tax was enacted to finance the new Marion County Thoroughfare Authority. Both the tax and the registration fee must be paid at the same time before Marion County motorists can get their plates.
