

List Pairings For Wrestling Meet Saturday

Pairing for the four-team New Haven wrestling tournament Saturday were announced Wednesday afternoon by the host school's athletic department.

The Decatur wrestling team, which travels to Muncie tonight to oppose Central, and New Haven, Howe Military, and Defiance, O., compete in the meet.

Decatur drew six foes from Howe Military, four from Defiance and two from New Haven in opening round matches in the morning.

First round matches begin at 10 o'clock Saturday morning, and the finals are scheduled to begin at 1:30 p.m.

Two matches will be held at a time, as there will be mats at both ends of the gymnasium. The first two matches will bring together foes in the 95-pound weight, with the next two pitting 103-pound wrestlers, and so on through the 12 weight divisions.

In the afternoon, championship and consolation matches in each weight division will be wrestled at each end of the gymnasium.

Point System
Decatur coach Gary Giessler explained Wednesday afternoon the point system for the tournament.

The champion in each division will win five points for his team, and the runner-up will earn three. The third place finisher in each weight, or winner of the consolation match, will be awarded one team point.

In addition, each wrestler winning in the morning will be awarded one point for advancing into the final round. Also, any wrestler winning in the afternoon by pinning his foe, will be awarded one extra team point.

Advancement Point
As an example, if all 12 members of a team advanced to the final round, but all were defeated in the finals, the team would still be awarded 48 points, as each would be awarded three points for runner-up and one point for advancing to the final round.

Alan Kalver and Dave Adams are defending champions, although Adams is wrestling at a different weight this year. Kalver copped the 112 class last year and will be back to defend his laurels, while Adams won the 103 weight but is wrestling at 127 this season. Mark Corral was the other local winner in the meet last season.

The Decatur team is after its seventh win in eight matches this evening but will find the Muncie Central opposition probably one of the toughest on the schedule.

Commodores Score Easy Win Over Monroeville Wednesday Night, 67-52

By Pete Reynolds

The Decatur Commodores scored their seventh victory of the season as against four defeats Wednesday night by turning back the Monroeville Cubs, 67-52, at the Decatur gym.

The Cubs, one of two Allen county teams who will compete in the Adams Central sectional tourney in February, have won only one game in nine attempts this season.

The Commodores never trailed in last night's tilt, although the score was tied on five different occasions in the first 10 minutes of the game. Dan Lose's free throw, the first of his 22 points for the night, gave the Commodores the first point of the game. The score was knotted at 5-5, 7-7 and 9-9, but the Decatur lads held a 15-11 lead at the end of the first quarter.

Jon Crates, only Cub able to hit with any consistency, dropped in a pair of free throws and a field goal for a 15-15 tie in the first minute of the second period. John Lose and Sam Marquardt

traded fields, then Jim Schultz hit his only two-pointer of the game and the Commodores were in front to stay.

George Waning's boys increased their margin to five points, 31-26, at the main intermission, and gradually built up their advantage to 11 points at the end of the third quarter, 49-38. Monroeville failed to offer any serious threat throughout the last eight minutes of play.

Dan Lose paced the Commodores victory with 22 points, while Dick Omlor tallied 12 and Ed Kohne 10. Crates, with 20 markers, was the only Cub in double figures. Only a wide advantage from the free throw line kept the Cubs at all close. With 121 personals whistled on the Commodores and only eight and one technical on the Cubs, Monroeville converted 16 of 33 foul tosses, the Commodores five of only eight chances.

The Commodores swing back into action Friday night, travelling to Geneva to meet the Cardinals, who downed the Commodores in

the holiday tourney here, 60-58.

Royal And Edwards Named Top Coaches

NEW YORK (UPI) — Darrell Royal of Texas, hugging the trophy awarded him as 1963 college football coach-of-the-year, expressed the hope today that he'll be as well-regarded in defeat as in victory.

"It is inevitable that Texas will have a dip in football," Royal said. "We just can't expect to keep going like we have for the past three years. And when we have that dip, I hope people will see me in the same light and know me as the same person I am today."

Royal, who piloted the Longhorns to a perfect season, capped by a victory over Navy in the Cotton Bowl, received the American Football Coaches Association award at their annual banquet Wednesday night at the Waldorf-Astoria Hotel.

Bill (Bull) Edwards of Wittenberg was honored at the same function as the 1963 small college coach-of-the-year.

It was the second straight year Edwards was honored by the AFCA. His Wittenberg team won eight games and tied one last season and captured its third straight Ohio Conference championship.

Royal polled 294 votes in the balloting for coach-of-the-year to easily beat Pete Elliott of Illinois, who had 171 votes. John Michelosen of Pittsburgh was third with 89 votes.
