UCLA Scores
25th Straight
Victory MondayBy GARY KALE
UPI Sports Writer

Zero hour is approaching for UCLA.

Coach Johnny Wooden's Uclans today were on the crest of creating the nation's first major college basketball unbeaten record since Ohio State in 1961. They ripped California, 87-57, Monday night to post a 25-0 mark with one game remaining.

The Bruins meet Southern California Friday night in the regular season windup.

But Wooden is wary of a '61 parallel whereby Ohio State went unbeaten until the finals of the NCAA championships and then lost to Cincinnati in overtime.

Kansas State clinched the Big Eight title with a 63-59 overtime victory against Oklahoma State and Wichita forced Drake into a playoff for the Missouri Valley Conference berth in the NCAA classic by beating North Texas State, 90-83. The deadlocked MVC schools meet at Lawrence, Kan., Friday to decide the title.

Easy Win
All-America Walt Hazzard and fellow guard Gail Goodrich, the spearheads in top-ranked UCLA's drive for the national collegiate championship, handled California with ease. Hazzard scored 18 points and assisted on many others while Goodrich netted a game high of 23.

Kansas State clinched its seventh conference championship in the last nine years as it outscored Oklahoma State 9-5 in the overtime session. James King enabled the Cowboys to enter the extra period with a last minute basket in regulation play that tied the score at 54-all, but Kansas State took it from there with three field goals and three free throws.

Dave Stallworth, Wichita's All-America, tallied 34 points against North Texas State to capture the Missouri Valley scoring title. A key Stallworth basket with the score tied at 64-all enabled the Wheatshockers to draw away for good. Garland Bailey led the losing Texans with 30 points.

OSU On Top
Ohio State took over first place in the tight Big Ten Conference race as Gary Bradds broke out of a two-game scoring slump with 34 points in the Buckeyes' 86-74 win over Illinois.

The Bucks have one game left, against Michigan State Saturday. Michigan, a half-game back, plays Iowa Saturday and Purdue on Monday.

NCAA-bound Kentucky suffered a pre-tourney loss when St. Louis beat the Wildcats, 67-60. Kentucky Coach Adolph Rupp had feared this letdown after his 'Cats clinched the Southeastern Conference title last Saturday.

Cotton Nash fell short in his bid to overtake Alex Groza as the all-time Kentucky high scorer when he was held to 15 points. The 6-foot-5 All America needed 22 points to surpass Groza's career total of 1,734 points.

Rich Naes tallied 21 points for St. Louis as the Billikens handed Kentucky its first home court loss of the season.

Walt Alston
Drills Dodgers
On Hit, RunBy FRED DOWN
UPI Sports Writer

Two-time National League batting champion Tommy Davis of the Los Angeles Dodgers must feel today like a Hollywood movie star who is asked to recite "Gunga Din" before getting a part.

Tommy's game is to hit the ball and let others run but in the great tradition of the daffyness Dodgers Manager Walt Alston has him doing the "hitting and running" this spring.

Davis, Ron Fairly and John Roseboro practiced the hit-and-run and bunting Monday as Alston sent the world champions through a two-and-a-half-hour workout on fundamentals. The fundamental stressed most was the ancient art of the hit-and-run—and Davis, who led the NL the last two seasons with averages of .346 and .326 respectively—was forced to practice as much as the others.

There's a method to Alston's spring madness, however, because the Dodgers are concerned over the fact that 1963 run production fell off 196 runs from 1962 to a mere 640. Alston apparently believes the Dodgers will have to rely upon speed and hit-and-run tactics more than ever in 1964—as opposed to the home run punch of their chief rivals.

Manager Johnny Pesky named 20-game winner Bill Monbouquette to open the Cactus League season for the Boston Red Sox against the Chicago Cubs next Saturday and also expressed delight at the smooth-stroking of American League batting champion Carl Yastrzemski during Monday's workout.

On other fronts: Catcher Joe Torre became a holdout when he failed to sign before the Milwaukee Braves' opening workout... outfielder Johnny Workitt hit three pitches over the left field fence during the Houston Colts' workout... Johnny Keane said he expected Charley James and Carl Warwick to flank Curt Flood as regular St. Louis Cardinals outfielders this year... James has the task of replacing Stan Musial.

Outfielder Joe Christopher signed with the New York Mets and versatile utility man Phil Linz reached terms with the New York Yankees... Manager Gene Mauch of the Philadelphia Phillies said he is pleased by the way his pitchers are coming along at Clearwater, Fla.

Infielder Don Eaddy impressed in workout at second base in Chicago Cub camp still somewhat stunned by the airplane crash death of second baseman Ken Hubbs. Eaddy hit .279 at Salt Lake City last season... Manager Alvin Dark of the San Francisco Giants expressed satisfaction over the way Willie McCovey, Willie Mays and Orlando Cepeda hit "the long ball" during Monday's batting drill at Casa Grande, Ariz.

Results Received
Of Postal Matches

Results have been received by the Hotshots, rifle club of the Decatur Catholic high school, of postal matches sponsored by the National Rifle Assn.

The local No. 1 team finished 154th of 198 teams in the division A-open junior teams, with a 1730 score. The No. 2 team was 77th in a field of 96 teams in division B-non-military scholastic teams, with a score of 931.

No Television Of
Pro Games Fridays

NEW YORK (UPI) — Chalk up a victory for the high schools over the mighty football pros.

After some three weeks of speculation and criticism, the National Football League bowed to popular opinion Monday and announced that it will not televise any Friday night games on a nationwide basis this year. The NFL has maintained that it never planned to do so in the first place, but the possibility arose because of its scheduling difficulties created by the late start of the World Series this year. Most pro football teams rely on major league baseball clubs to supply them with playing fields.

Friday night televised football by the pros was criticized because that night traditionally has been left open for high school and college football competition.

Indiana Central And
Manchester Winners

By United Press International
Indiana Central and Manchester, Hoosier College Conference rivals, went over the century mark Monday night to qualify for the District 21 basketball tourney finals.

Champion Indiana Central rolled over Oakland City, 117-79, at Indianapolis while Manchester dumped Indiana Tech in Fort Wayne, 104-77.

The district playoff finale will be played at Indiana Central Wednesday night, with the winner advancing to the national finals at Kansas City.

Half a dozen Indiana Central players, led by Tom Moran's 29 points, hit in double figures. After a fairly close half, Indiana Central leading 46-39, the Greyhounds pumped in 71 points in the final 20 minutes to turn the game into a rout. Pat Arnold led the losers with 18 points.

Manchester jumped into a 6-0 lead and was never headed against Indiana Tech. Sophomore Stan Weiler led the Spartans with 33 points while Dave Hickman was high for Tech with 15.

Purdue, meanwhile, dropped back to the 500 mark in Big Ten play, losing at Iowa, 81-74. The victory snapped the Hawkeyes five-game losing streak. Purdue, led by Dave Schellhase with 22 points, broke in front 9-2 but Iowa caught up at 13-13 and the lead saw-sawed until the Hawks took the final lead on a jump shot by Dave Roach with about 13 minutes to play. Elsewhere, Valparaiso lost at Wheaton, 89-77.

Wittenberg Guard Is
Tops In Conference

WESTERVILLE, Ohio (UPI) — Wittenberg's Bill Fisher, 6-1 senior guard from New Castle, Ind., was named the Ohio Conference's best all-around basketball player Monday.

Fisher is the fifth Wittenberg player to receive the loop's Gregory Award in the past seven years.

Buckeyes Beat
Illinois, Half
Game In Front

CHICAGO (UPI) — Ohio State was back at the top today and the Big Ten basketball standings had that old familiar look.

The Buckeyes have won or shared the Big Ten championship for the past four seasons and Monday night moved a half-game nearer than their closest pursuer to a fifth consecutive title.

Monday night's 86-74 victory over Illinois gave Ohio State an 11-2 record with only one game to go. Michigan, idle Monday night, remained a half-game off the pace and had two games left to play.

Gary Bradds, the Buckeyes All-America center, broke out of a two-game scoring slump with 34 points.

He needs to bag only 20 more in the season finale against Michigan State Saturday night to break Robin Freeman's 1956 team record of 723 points in a season.

Bradds, who was held to 12 and 15 points in his last two games, had little trouble in eluding the defense of Illinois Skip Thoren and sank 14 out of 25 shots from the field.

As a team the Buckeyes finished with a 51 per cent shooting average, succeeding on 36 of 70 shots.

Iowa scored its first victory in six league games by beating Purdue, 81-74.

It was the first good news for the Hawkeyes since they defeated Indiana three weeks ago and it came only four days after coach Sharm Scheuerman announced he was through after this season.

In the only other game, Minnesota handed Wisconsin its seventh consecutive Big Ten setback, 105-96. Despite the loss, it was the highest score the Badgers had been able to run up in their last 13 games.

Former Notre Dame
End To Join Chiefs

KANSAS CITY, Mo. (UPI) — The Kansas City Chiefs professional football club Monday said they have signed former Notre Dame end Leo Seiler as a free agent.

Chief general manager Jack Steadman said the 6-3, 200-pounder will report to the Chiefs' training camp July 19 at Liberty, Mo. Seiler attended Notre Dame from 1959 through 1961.

Judge Scores
Loud Statement
Made By Hoffa

CHATTANOOGA, Tenn. (UPI) — Teamsters President James R. Hoffa was sharply reprimanded today by Federal Judge Frank Wilson for "extremely loud" corridor statements.

Before today's session began in Hoffa's jury tampering trial the Teamsters president loudly renewed his attack that the government was "like the Gestapo in spying on him. His charges were made in a hallway near Wilson's courtroom.

When Wilson took his place on the bench, he said he had heard Hoffa in the hallways outside his courtroom, despite closed doors.

"Something has to be done to protect the jury" from noise, Wilson said. The jury had not entered the room at the time.

"Let's discontinue these extremely loud arguments both inside and outside the court," Wilson told Hoffa and his attorneys who remained seated at the defense table.

Hoffa nodded acknowledgement.

A final round of arguments was scheduled today before the trial, now in its seventh week, goes to a 12-member jury. Hoffa and five others are on trial here on charges of trying to fix a Nashville, Tenn., federal jury which heard conspiracy charges against Hoffa in 1962.

Special government prosecutor John J. Hooker, Sr., was scheduled to wind up the government's case today, charging the hunky labor leader as the "quarterback" of the alleged jury rigging.

A Hoffa attorney, Harry Berke of Chattanooga, was scheduled to have the last word in defense summation.

Loyola Advances To
Eighth In Ratings

NEW YORK (UPI) — Loyola of Chicago, prepping for defense of its NCAA title, made the only major gain today in the United Press International major college basketball ratings.

UCLA, on the threshold of its first national basketball title, continued to hold down first place with 33 No. 1 votes from the 35 coaches on the UPI rating board. The coaches will name the UPI champion next week.

Kentucky and Michigan, competitors for the runnerup spot since UCLA grabbed first place nine weeks ago, continued their fight with Kentucky getting a two-point edge for second. The Wildcats received the other two first-place ballots to hold second and keep Michigan third.

Loyola, 11th a month ago, has gained a notch each of the last three weeks and replaced Davidson in eighth today. The Ramblers currently are riding a five-game winning surge.

The remainder of the top 10 teams held their positions from last week. Duke maintained its grip on fourth-place after winning the Atlantic Coast Conference regular season crown, and Oregon State (25-3) held fifth.

Wichita and Villanova ranked sixth and seventh, respectively. Davidson, upset in the Southern Conference tournament by VMI after winning the regular season title, skidded to ninth. Twice-beaten Texas Western rated 10th.

The ratings were based on games played through Saturday Feb. 29.

Mason Rudolph
Is Winner At
New Orleans

NEW ORLEANS (UPI)—Mason Rudolph, carrying the biggest check of his career, headed for the Pensacola, Fla., Open today after one of the maddest scrambles ever in the Greater New Orleans Invitational golf tournament history.

Rudolph, a native of Clarksville, Tenn., playing out of Lehigh Acres, Fla., blew a four-stroke lead Monday, but came back with a 30-foot putt to win the \$7,500 first prize by one stroke in the \$50,000 tournament.

He led from start to finish. It was the first time anyone had led all four rounds of a Professional Golfers Association (PGA) tournament since last October, when Rudolph did it at Fresno, Calif.

Jack Nicklaus, Glenn Stuart, Juan Rodriguez and Paul Bonedon took turns trying Rudolph in the frantic last round. But he beat them off one by one in spite of his worst round of the tournament, a 75.

He finally broke up the game with a 30-foot birdie putt on the 17th hole. Seconds later, Stuart, of Grand Rapids, Mich., blew a three-footer on the 18th hole and Rudolph had his third victory in six years on the PGA tour.

Stuart, Nicklaus and Rodriguez won \$3,400 each for their second-place tie.

Nicklaus now leads in 1964 official winnings with \$12,100. Rodriguez is second with \$10,900 and Rudolph third with \$10,500. Arnold Palmer, last year's top money winner, is fourth \$9,500. Palmer won \$1,500 here after finishing with a 70 Monday.

Rudolph's 68-70-70-75-283 was the highest winning score since the New Orleans tournament was resumed in 1958.

The 1962 and 1963 champion, Bo Waininger, finished the third round four over par and was disqualified Monday when he showed up late for his tee off.

Liberty Center
Is Smallest In
Regional Field

By KURT FREUDENTHAL
United Press International
INDIANAPOLIS (UPI) — If you lost your "horse" in last week's Indiana high school basketball tourney and are looking for a "little one" to cheer for, how about Liberty Center, a school with an enrollment of 70?

The Wells County school, located about seven miles southwest of Bluffton, is the smallest alive among the 64 sectional champions. It has just 30 boys and most of them turned out for basketball last fall.

Liberty Center won its sectional, at Bluffton, for the first time in 20 years, but coach Richard E. Butt wasn't surprised.

"We had a 16-4 season record and figured we had a good chance," he said.

Butt, who played basketball at Huntington High School and was graduated from Manchester College six years ago, was home Monday nursing a flu bug, but figured he would be back in school shortly.

Coach Optimistic

"I'm looking forward to the Marion regional," he said. "I think we can beat Swayzee," his team's afternoon foe next Saturday.

Butt has been a varsity coach for five years. This is his first sectional triumph. His current club includes six veterans headed by center Dick Harris at nearly 6 feet 5 inches.

Liberty Center is the only survivor with an enrollment of less than 100. But four other schools have enrollments of less than 200, five have fewer than 300 students and a dozen have less than 500.

A third of the field—21—have enrollments in excess of 1,000.

Holton, winner at Milan and which faces an uphill struggle in the Connersville regional, is the second smallest with an enrollment of 105.

Williamsport, repeat sectional champ at Covington, has 112; first-time winner Clarksburg, at Greensburg, has 132 students and Needmore, another brand-new sectional champ at Bedford, has 158.

Tech Is Largest

Williamsport is routed through the Greencastle regional, Clarksburg through Columbus, and Needmore through Jeffersonville.

While Liberty Center is the smallest entry left, Indianapolis Tech with an enrollment of 4,692, is the largest. Rounding out the top six, according to enrollment, are Kokomo 3,365, Elkhart 3,170, Michigan City 2,917, Columbus 2,895 and Richmond 2,870.

Some of the other brand-new sectional champs aren't exactly tiny. Pioneer, for instance, the Logansport champion formed from Lucerne and Royal Center, has 381 pupils.
