OFFICERS ELECTED BY LINCOLN PTA

The Lincoln school PTA held its monthly meeting Thursday evening in the school auditorium. The meeting was opened by the president with the pledge of allegiance to the flag. Devotions by the Rev. Huston Bever followed.

The business meeting highlights included voting on the slate of officers for the new year and remarks about the coming "Fun Fare" carnival to be held Friday, April 17, in the school gym. It was pointed out that this is the PTA's only money raising project, and support of all parents is urged.

The slate of officers for next year will be: president, Mr. and Mrs. Robert Lenhart; vice president, Mr. and Mrs. Dean Boltz; secretary, Mrs. Charles Chew; treasurer, Mrs. Randolph Brandyberry.

The seventh and eighth grade choirs, under the direction of Miss Helen Haubold, presented the program entitled "Lincoln School Spring Sing." Colorful programs, made by the students of Hubert Feasel, announced the selections for the evening. Part I, sung by the seventh grade choir, included the "Star Spangled Banner." The audience was invited by Miss Haubold to join the choir. Next came an oral history of the pledge of allegiance, after which the choir sang the "Pledge to the Flag," "La Spangola" and "Español" sung as partner songs and "Chapaneas" concluded Part I.

Part II presented by the eighth grade choir offered the audience an unexpected surprise when the minstrel selection, "I'm Going Back to Dixie," featured Richard Cottrell playing the bones in accompaniment. Next the choir sang "Jacob's Ladder," followed by "Seventy-six Trombones" and "Goodnight, My Someone." The concluding number was "Till There Was You."

Following the program, refreshments were served by the hospital committee.

CALIENTE HOME CLUB MEETS ON THURSDAY

The Caliente home demonstration club met Thursday evening at the Decatur I and M social room with Mrs. Norman Young and Mrs. Ronald Roe serving as hostesses.

Mrs. Herman Kelsey, club president, presided over the meeting. She asked the members to repeat the collect to open the meeting. Inspirational devotions were given by Mrs. James Tumbleson, who used legends of the Easter season and a poem entitled "Easter Wish." Mrs. Rex King gave the history of the song of the month and led everyone in singing.

An informative lesson on "Lamb, Pork and Veal" was presented by Mrs. Paul Spangler, assisted by Mrs. John Speakman. Mrs. Spangler pointed out the different cuts of lamb, how to cook it and the good quality of it. The leg of lamb is the most popular

cut. She pointed out that lamb should be served very hot or cold but never warm. She displayed a cooked leg of lamb. Mrs. Spangler identified the different cuts of pork and told how they should be cooked. She told how ham, loin, and shoulder can be prepared. Ham is the most popular cut of pork. Pork has two seasons when it is the best time to buy it: March, April and May, and November, December and January. Mrs. Spangler told the different cuts of veal and how to prepare it. Veal cookery was explained to add variety to menus. She closed the lesson with a quiz on different cuts of meat from "Beef, Lamb, Pork and Veal."

Mrs. Richard Braun gave the safety lesson on "Cancer." She told of some of the different signs of cancer. Continuous coughing, hoarseness, and lumps on the body are some signs. The appearance of any of these signs requires the immediate attention of the family physician. Mrs. Braun pointed out that this does not always mean cancer, but it is better to make sure than to worry that maybe it is cancer. Usually if it is found right away it can be cured. The lesson was closed with a group discussion about cancer and its symptoms.

A pet housecleaning peeve was given by each member as Mrs. Larry Brunner conducted roll call. The minutes of the previous meeting were read and approved. Mrs. Paul Spangler gave the treasurer's report. The achievement night at the Decatur Youth and Community Center, March 30, was announced.

During the social hour, Mrs. Young and Mrs. Roe served refreshments.

Probing Burglary At Bag Service, Inc.

City police are investigating another case of vending machine burglaries today, with the latest occurring at the Bag Service, Inc., 812 Elm St.

A report from the Bag Service early this morning informed the police of the break-in that happened sometime over the weekend. Entry to the building was gained through a window that had previously been broken.

Two vending machines were broken open and an undetermined amount of money taken from each. The thieves unsuccessfully attempted to open a third machine, but damage to all three was extensive.

Attorneys Work On Ruby Trial Motion

By CARLTON WILSON
United Press International
DALLAS (UPI) — Convicted murderer Jack Ruby turned 33 years old today and his defense attorneys, now headed by Percy Foreman instead of Melvin Belli, wished him many more birthdays.

Foreman and two other lawyers hired earlier by Ruby worked on a motion for a new trial over the weekend, visiting the Dallas County jail for nearly four hours of Sunday conferences with Ruby.

They planned more meetings with him today.

"This case requires a lot of work," Foreman said after his own first visit with the slayer of Lee Harvey Oswald, accused of assassinating the President.

"A lawyer, who didn't appeal all the way to the Supreme Court if he had to, would be derelict in his duty," Foreman said in answer to a newsman's question in a brief interview at the jailhouse.

Strategy of Foreman and his co-counsel, Joe Tonahill and Phil Burleson, is to seek reversal of Ruby's conviction and death sentence and then try to win a new trial, probably outside Dallas.

Inviting newsmen to their hotel room for photographs and more talk, the three attorneys declined to make any criticism of Belli's tactics or comments on the case.

Ruby's family fired Belli after a Dallas jury sentenced the defendant to death in the electric chair one week ago. Belli's irate remarks about the city of Dallas, the trial, judge and jury may result in disciplinary action from the American Bar Association.
