

# EXTRA BENEFITS FOR YOU!

Everytime you transact business in your hometown there are **EXTRA BENEFITS** for **YOU**. A large part of every dollar you spend at home stays right here in your town . . . . promoting business growth and stability, providing employment for neighbors and friends . . . . helping local merchants and business people pay the taxes that maintain schools, roads, parks . . . . helping them support the churches, hospital and other community activities that make this a better place in which to live for **YOU** . . . . and everyone else!

## EVERYTHING - YOU NEED

Decatur's places of business have everything you can find anywhere at prices never higher (often less) than elsewhere. Modern distribution methods bring the newest merchandise and up-to-date services here as fast as to the largest cities. You save time, trouble and transportation costs of traveling far. You deal with friends and neighbors who give you thoughtful, interested attention. Service is prompt and sure. Yes, doing business in Decatur is a pleasure.
