

COME TO CHURCH SUNDAY

One of the greatest protections against being overcome by temptation is not only by prayer but by work. When our bodies and minds are busy with worthwhile activity we are safest from moral and spiritual dangers.

DO YOU KNOW ANSWERED

1. By tilling the soil in the Garden of Eden.
2. By the practice of labor with his own hands as a carpenter.
3. By having and practicing a trade and by advising others to work with their hands.
4. The Jews taught that he who does not teach his son a trade, teaches him to steal.
5. Ephesians 6:5-9. Paul taught that employees are to be thoroughly Christian in their work and employers are to practice the same Christian attitude in their treatment of employees.

The Church Invites You

Some of us work with our hands, some with our ideas, some with our personalities. Whether we work on a ship, in an office, in a factory, on the farm or in the home, all work serves God if it meets human need, builds communities or helps mankind move nearer God's kingdom on earth. What we are works for good or ill in our relations on the job or in the home. The quality of our being is important, for we influence others by our very natures. As Christians we must be instruments in God's hands to work his will in our world today. The church proclaims what our role should be in applying Christ's teachings to our daily lives. WHY NOT ACCEPT THE INVITATION AND COME TO CHURCH NEXT SUNDAY?
