A new electric appliance, like this clothes dryer, could be one of the steps that bring you lower average unit costs of electricity throughout your home.

How to make your home Total Electric in easy steps

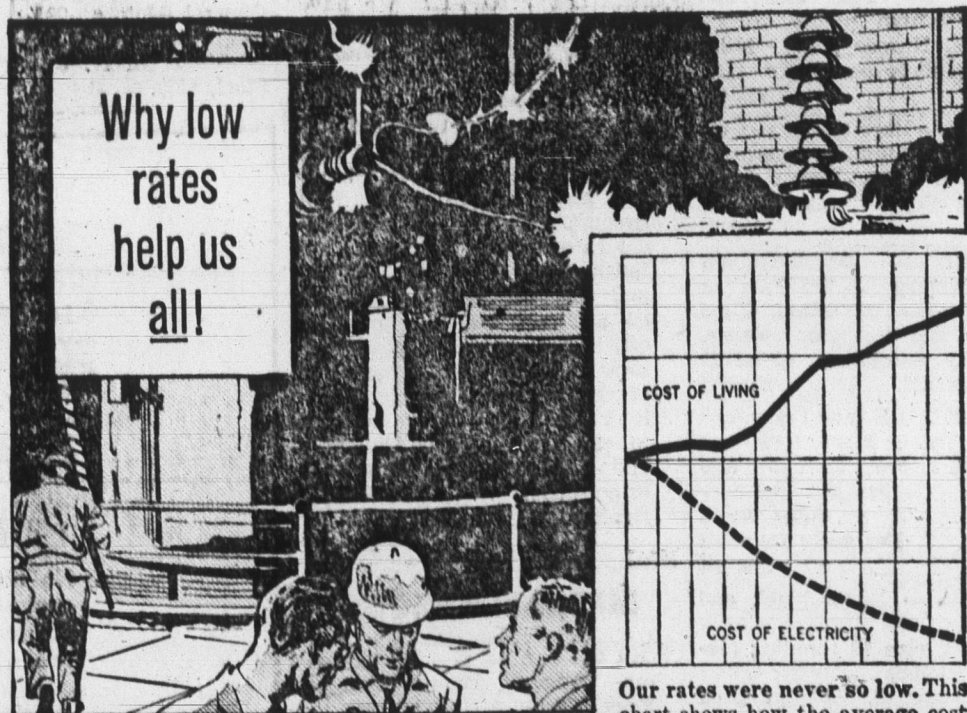

Thousands have
already done it!

Why should you have a Total Electric home? One reason, it's flameless... no pilot lights and no combustion. Then, it is remarkably clean... no smoke, no soot, no fuel film. And, did you know that the Total Electric rate is now so low that almost everyone can enjoy it?

You can start now, and do it in easy steps. If you need a new water heater or heating system, make sure it's electric. Immediately you qualify for a lower "quantity" rate. As you add more appliances, as you use more electricity, the less it costs per unit.

Free booklet gives details

This new booklet contains rates as they apply in your case... describes steps to take to get low "quantity" rates... shows how close you may already be to Total Electric living. For your copy, phone, stop in, or mail coupon. Do it today!

By making use of every practical engineering advance, we increase our operating efficiency and reduce our costs. Thus, we provide the most reliable service at the lowest possible rate. This permits our customers to make greater use of electricity, which, in turn, allows us to grow and utilize still newer technology for the benefit of us all.

Our rates were never so low. This chart shows how the average cost per kilowatt hour of electricity has been lowered 18% in the past 10 years. We're dedicated to continue this trend. As a comparison, the cost of living has risen 14% in the same period.

INDIANA & MICHIGAN ELECTRIC COMPANY is a part of the American Electric Power System. This system produces more electricity than any other investor-owned utility in the United States. It serves over 2300 communities in 7 states—Ohio, Indiana, Michigan, Virginia, West Virginia, Kentucky and Tennessee. Through coordinated management and operations, progressive engineering and research, the six member companies of AEP bring you low-cost power with greatest dependability.

bach 202; W. Frauhiger 216; L. Reef 222.

(Note: Leland Smith Ins. team rolled a new high game of 1037 and a new high series of 2894.)

Brubaker's Three TDs Paces Geneva Victory

Geneva won its first game of the season at home Saturday, defeating the Bluffton reserve team on a late touchdown run.

Jim Brubaker scored from five yards out in the final two minutes of play to provide the Cards with a 19-12 victory. Brubaker scored all

three Geneva TD's.

He got his team into the lead in the first period, taking a 27-yard pass from Paul Wagner for six points, and then sprinted 52 yards to score in the third quarter, giving Geneva a 12-0 lead. Bluffton, however, later in the third stanza and again in the fourth period, forging a 12-12 tie and setting the stage for Brubaker's late heroics. Rod Mosser ran for the PAT after the final TD.

Now owning a 1-2 record, the Cardinals will travel to Union City Friday for a 7:30 p.m. game.

Decatur Daily Democrat

ABSTRACT STAMP—Abstract art is to make its debut on a U.S. postage stamp. The late Stuart Davis, regarded as the father of "pop art," will be honored by the reproduction of a lithograph he did eight years ago. The design is a melange of red, blue and black squiggles.
