MAGLEY WOMEN'S GUILD MEETS

The Women's Guild of Salem United Church of Christ met Tuesday evening for their October meeting in the church. The meeting opened with an organ and piano duet by Mrs. Russell Moser and Arlene Borne. The main topic for the evening was "Jesus Calls Us." Mrs. Walter Kruetzman, program chairman, gave some illustrations on lay life and its work and how the church should go into the world and not be divided, taken from the book "Salty Christians." A playlet was given by Arlene Borne, Sharon Straub, and Mrs. Walter Kruetzman on some of the work and activities being done in different churches they pretended they visited.

Scripture was taken from Matthew and read by Mrs. Rudolph Kolter, followed by group singing the first two stanzas of "Jesus Calls Us." Irene Blume gave a short reading titled, "A statement of faith." The offering for the evening was taken with prayer by Mrs. Harley Straub. The group sang "We Give Thee But Our Own." Mrs. Walter Kruetzman read a meditation "You are called." The group then finished by singing the last stanza of "Jesus Calls Us." Prayer was given by Mrs. Robert Mankey.

The business meeting was conducted by the president, Mrs. Robert Hildebrand. Each member was asked to give trading stamps to the president by October 25 to help purchase two station wagons for the Fort Wayne children's home. The Guild voted to send its challenge for the coming year to the Wood Haven home for expenses and to make it a Christmas gift to the home. The secretary and treasurer read their reports and the sunshine report was read; all were approved. The meeting was closed with a poem "Making of Friends." The group then proceeded to the basement, where the refreshments committee served lunch.

First General Frost Of Season In State

By United Press International
The first general frost of the season coated the countryside in Indiana today as temperatures skidded into the 20s and set records for the date.

It was 23 at Shoals, 26 at Evansville, 27 at Lafayette, Indianapolis and Louisville, and 29 at Newberry.

The Indianapolis low was four degrees below the previous record for the date established in 1906 and matched in 1925. It was the coldest reading in the capital city since last April 1, and the lowest temperature ever recorded there so early in the season. The old record was 26 on Oct. 11.

A white coating of frost was visible extensively on roofs, lawns, fields and car windshields throughout the state, although the extreme north portion of Indiana was the warmest area. Lows at South Bend and Fort Wayne were 36 and 35, respectively.

Fair skies were expected to prevail at least through Monday, and temperatures will warm up a little. Highs Friday on the coldest day of the season ranged from 42 at South Bend to 58 at Evansville. Highs today will range from the low 50s to 64, lows tonight from the low to upper 30s, and highs Sunday from the upper 50s to the mid 60s.

Window Shade Widener
When a window shade roller just falls short of the distance between the supporting brackets, you can "stretch" it this way: First remove the pin from the roller and pry off the metal cap carefully. Slip a washer into the cap, then replace it and the end pin. Return the shade to the brackets and it should now reach.

Milk Stains
To remove milk stains from fabrics, moisten the stains with warm water, apply powdered pepsin, and work into the fabric with a glass rod. Let remain for a half-hour or so, then sponge with water.
