

REASONS FOR USING

Walter Baker & Co.'s

Breakfast Cocoa.

1. Because it is absolutely pure.
2. Because it is not made by the so-called Dutch Process in which chemicals are used.
3. Because beans of the finest quality are used.
4. Because it is made by a method which preserves unimpaired the exquisite natural flavor and odor of the beans.
5. Because it is the most economical, costing less than one cent a cup.

Be sure that you get the genuine article made by WALTER BAKER & CO. Ltd., Dorchester, Mass. Established 1780.

The new produce company established Wednesday was a surprise to all. The cause being that so much produce raised by our farmers could not find a market. The aim of the new company will be to buy all the eggs and poultry offered, handle apples, potatoes, garden and field seeds when possible at whole sale and large quantities at retail. They will also handle new varieties in seeds, and for that purpose intended to erect a building outside of town, but as they were not certain as to what success they might have and in case of failure would lose on such building concluded to buy the building now occupied by Campbell, Ervin & Co. This company if rightly managed, will surely prove a benefit to this community, and we bespeak for them success.

Eugene Ashleman has offered to sell his brick building to Campbell, Ervin & Co.
