

Spring Greeting.

NEW BLOOD has been installed into the business management of the "Old Dorwin Drug Store," and it will be their never ceasing and everlasting at it, pleasure to uphold the reputation that has made the store famous in the past. As the spring season opens, we take pleasure in announcing that as heretofore we are still headquarters for everything in the drug line. Our immense stock of wall paper is now on display and ready for inspection. Never before have the wall paper patterns been as superb in style, finish and quality as this season. The difference between a nicely papered room and one which is shabby with old paper or with discolored and disfigured walls is just as great as the difference between the low prices of our elegant patterns of wall paper for this season, and the high prices which used to be charged for very ordinary paper. Our stock includes papers from 3 cents up to 50 cents per roll. We can't tell you about the handsome designs---you will have to see them. Our paint line is also complete, including White Lead, Prepared Paints, Oils, Varnishes, &c. It will be a pleasure for us to show you our lines.
