

Keep Coughing

We know of nothing better to tear the lining of your throat and lungs. It is better than wet feet to cause bronchitis and pneumonia. Only keep it up long enough and you will succeed in reducing your weight, losing your appetite, bringing on a slow fever and making everything exactly right for the germs of consumption.

Stop coughing and you will get well.

Ayer's Cherry Pectoral

cures coughs of every kind. An ordinary cough disappears in a single night. The racking coughs of bronchitis are soon completely mastered. And, if not too far along, the coughs of consumption are completely cured.

Ask your druggist for one of

Dr. Ayer's Cherry Pectoral Plaster.

It will aid the action of the Cherry Pectoral.

If you have any complaint whatever and desire the best medical advice you can possibly obtain, write us freely. You will receive a prompt reply that may be of great value to you. Address: DR. J. C. AYER, Lowell, Mass.
