

A vivacious woman's face frequently speaks in more eloquent language than any known to the tongue of man. It can invite or repel, smile or frown, be meek or haughty, tear a passion to tatters or humbly seek forgiveness. It can also tell the story of health. A woman who suffers from weakness and disease in a womanly way sits in sorrow and dejection while her healthy sisters enjoy themselves. She may be naturally beautiful, naturally attractive, naturally interesting and animated and witty, but the demon of ill-health is gnawing at the very vitals of her womanly nature, and she soon becomes a withered wall flower in comparison with her brighter and more healthy sisters. Dr. Pierce's Favorite Prescription is a wonderful medicine for women who suffer in this way. It acts directly on the delicate and important organs concerned in wifehood and motherhood. It tones and builds up the shattered nerves. It restores the glow of health to the pallid cheek. It gives springiness and trip to the carriage. It makes the eyes sparkle with returning vivacity. It imparts animation to the mien and gestures. The fan that long lay listless and idle in the lap of an invalid again speaks the eloquent language of a healthy, happy woman. Thousands of women have testified to the marvelous merits of this wonderful medicine.

"For several years I suffered with prolapsus of the uterus," writes Miss A. Lee Schuster, of Box 12, Rodney, Jefferson Co., Miss. "Our family physician treated me for kidney trouble, and everything else but the right thing. I grew worse and worse. My body was emaciated, hands and feet clammy and cold, stomach weak, with great palpitation of the heart. I began taking your 'Favorite Prescription' and I began to improve right away. I have taken three bottles and now I am very nearly well and am very happy and thankful to you."

## BANNER OF FREEDOM

NOW FLOATS OVER THE OPPRESSED ISLAND OF CUBA.

Ceremonies of Turning the Government Over to the United States Authorities by Consul General Castellanos.

Havana, Jan. 2.—The sovereignty of Cuba passed from Spain to the United States at noon yesterday. The form of the transfer was simple, consisting only of an exchange of speeches in the saloon of the palace, the hauling down of the Spanish flag and the raising in its stead of the flag of the United States on the flagstaff of the palace roof. Salutes were fired from the heavy guns of the forts and the warships before and after the change of flags. The raising of the stars and stripes was greeted with cheers by the people who covered the roofs of the buildings around the palace and plaza. No crowd was permitted to gather in the streets in the vicinity of the palace to witness the epoch making function. At 9 o'clock a guard composed of the second battalion of the Tenth infantry marched into the Plaza de Armas, under command of Captain Van Vliet, and formed around the square. Captain General Castellanos watched them with interest from the balcony of his apartments, as they entered the square and were stationed at all the streets approaching the plaza. No one was allowed to enter without a pass, and all the doors of the palace facing the square were ordered to be closed.

With the guard was the band of the Second Illinois regiment, which had been selected for the occasion as the best band in the Seventh army corps. With the band were the buglers of the Eighth and Tenth infantry.

At the last stroke of 12 the boom of a gun brought all eyes to the point in the room where stood the captain general, who was talking with an American officer. Immediately all was silence.

The captain general took a position directly in front of his staff. On his right stood Captain J. S. Hart, interpreter to the United States military commission. Next to Captain Hart, in the order named, were Generals Chaffee, Brooke, Ludlow, Lee, Wade, Butler and Clous. Immediately behind General Chaffee was Senator John W. Daniel, of Virginia.

At this moment the band on the plaza was playing the Spanish national hymn. As the guns at Cabanas fortress ceased firing there was a breathless pause in the saloon. Everybody knew that the American flag was being raised on the staff on the roof of the palace and that the stars and stripes were going up on all the other official staffs in Havana. After this second of silence, the band on the plaza played "The Star Spangled Banner," while the guns of the fleet and forts began to roar out the national salute of 21 guns.

Immediately Captain General Castel-

lanos handed the manuscript of his speech to Captain Hart and, addressing himself to General Wade, president of the evacuation commission, said that in compliance with the treaty of Paris and by orders of his king Spanish authority ceased to exist in Cuba and that of the United States began.

As soon as Captain Hart translated the address General Wade said to General Brooke: "I transfer this command to you." In a few remarks General Brooke accepted the trust, and, turning to Captain General Castellanos, wished him a pleasant journey to his native land.

General Castellanos left immediately for the dock, accompanied by Generals Clous and Chaffee, where he went on board the Rabal, bound for Matanzas.

The troops participating in the parade were, the First Texas infantry, Second Louisiana infantry, the Second engineers, First Virginia infantry, Forty-ninth Iowa, Sixth Missouri, First North Carolina, Second Illinois infantry and One Hundred and Sixty-first Indiana.

### Ten Million Wheelman.

It is stated by competent authority that there are ten million people in America who are bicycle riders. Probably each one gets an average of one hurt in a season, and that is just what Henry & Johnson's Arnica & Oil Liniment gets in its good work. Nothing has ever been made that will cure a bruise, cut or sprain so quickly. Also removes pimples, sunburn, tan, freckles. Clean and nice to use. Take it with you. Costs 25 cents per bottle. Three times as much in a 50 cent bottle. We sell it and guarantee it to give satisfaction or money refunded.—Page Blackburn druggists.
