

BECOMING A MOTHER.

A Sure Way to Avoid Danger.

Every true woman wants to be a mother. A baby is the dream of her life—the crowning glory of womanhood—true happiness can never be known without the blessings a child brings.

Yet the ordeal through which all mothers must pass is so full of pain, anxiety and fear, that many a young life is sacrificed because of the inability to undergo the struggle of childbirth.

It is not necessary to suffer in bringing new life into the world. By the use of "Mother's Friend," the suffering and danger can be avoided, and the hour robbed of its dread and pain.

This remedy is praised by thousands who have tested it. Every woman is anxious to learn how to avoid the pain and suffering which may be in store for her. The little book, "Before Baby is Born," will be sent free to any address upon application to the Bradfield Regulator Co., Atlanta, Georgia.

Secretary Alger has approved angora candies in half pound packages to be kept on hand for sale as staples to officers and enlisted men of the army. This is similar to action taken in European armies, based on recent discoveries as to the food value of sugar.

See that your harness fits your teams as you put them down to regular hard work. A sore shoulder now means a sore all summer through, unless the animal is given rest, or the greatest care is exercised. Kokomo, Ind., April 4, 1898. I can say without fear of successful contradiction that Dr. J. H. McLean's Liver and Kidney Balm is the best medicine I have ever used for kidney and liver troubles. "I Was Weak, Nervous and Run Down." I want to testify to the good Brown's Cure has done me. The Hartford City soldiers were glad to get home and are contented to remain for awhile. None will re-enlist for a time at least. The monotony of camp life was not to the liking of such a thrifty set of young men and they had a longing for the comforts of home. Doubtless every one would enlist again if their services were needed and there was a chance of getting in action.—Hartford City Times.

We carry a fine line of goods, we own our stock, and we purchase it of the manufacturers. Most dealers carry pianos and organs on consignment. We can discount the price of such dealers 20 per cent. In that event the heading was alright, even if it was not so intended.

I consider it not only a pleasure but a duty I owe to my neighbors to tell about the wonderful cure effected in my case by the timely use of Chamberlain's Colic, Cholera and Diarrhea Remedy. On the suggestion of one of them this sum was presented to the judge as a testimonial of respect.
