Here is a conundrum that is going the rounds. What character is there in the Bible who has no name, who suffered death in different form from any inflicted before or since that time, a portion of whose shroud is in every household, and the cause of whose death has been made famous by a modern author? Answer: Lot's wife. She possesses no name, no one else met death through being turned into a pillar of salt, salt is in every household, Edward Bellamy wrote "Looking Backward."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued its use, and am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1.00. Trial bottles free at Page Blackburn's drug store; every bottle guaranteed.

The woman who is lovely in face, form and temper will always have friends but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good looking, charming woman of a run-down invalid. Only 50 cents at Page Blackburn's drug store.

There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and efficient cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. W. A. Brady says he never wants to manage Kid McCoy again, because of his foolishness in making matches. As an example, he cites McCoy's decisive victory over Peter Maher, which landed him among the top-notchers, and then ten days later the match with Joe Choyinski, one of the most dangerous men in the ring, for a small consideration, when he could just as well have waited and secured a big purse. Choyinski, in Brady's opinion, is entitled to greater consideration than Maher.

In the matter of the contended Clover Leaf road fund which has been reported as having been pocketed by Conrad Gillig, as supervisor of District No. 4, in Washington township, in Adams county, Indiana, to the amount of \$68.37, we'll say that Conrad Gillig did not get a cent of said money in his hands. That said receipt for \$68.37 was by mistake signed by Jno. Steele, the trustee of Washington township, Adams county, Indiana, in the name of Conrad Gillig. That the settlement of said Jno.
