Persons who suffer from indigestion cannot expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Smith, Yager & Falk.

Every dish for baking potatoes will hold 225 pounds. When omelets are on the bill of fare 7,000 eggs are used at once. For cooking alone sixty cooks and one hundred assistants are always at the ranges.

Beat out of an increase of his pen sion. A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, contracted Mexican diarrhea and this remedy has kept me from getting an increase in my pension for every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhea and is pleasant and safe to take. For sale by Holthouse, Callow & Co.

People should not rest assured we are to have no real winter this year because it has thus far been so favorable. The coldest weather we had last year was on the 17th day of February when the mercury registered four degrees below zero; and on the 13th day of February two years ago the mercury registered twenty-five below zero, the coldest weather ever experienced in this section.

As emphatizing the fact that country fairs have had their day in Indiana, the Grant County Agricultural society, for years one of the most successful fair associations in the state, has quit business and will undertake to hold no more exhibitions. Saturday the fair grounds were sold to Ed L. Goldthwait, a Mariou newspaper man, for \$1,400 and the affairs will now be woad up.

Reconsidered. A Topeka man lost a small opal out of his ring and went to the jeweler to have it replaced. Returning home he found the lost set, and, putting it in his mouth for safe keeping, hurried back to the jeweler's to have that set used instead of the new opal. Rushing into the store he said: "Say, I've found the old set, so don't use that new one." He attempted to remove the stone from his mouth gave a gulp, looked sheepish, and said: "I guess you'll have to use the new stone." That man needed a bottle of Dr. Caldwell's Syrup. Pepsi Sold by Smith, Yager & Falk.

So lately dead, so soon forgotten, remarked the Orange Observer. 'Tis the way of the world. We flourish for a while. Men take us by the hand and are anxious about our bodies and laugh at our jokes, and, we really think, like the fly on a wheel, that we have something to do with the turning of it. Some day we die and are buried. The sun does not stop at our funeral—everything goes on as usual; we are not on the streets; men laugh at new jokes; one or two memories still hold our names and forms, but the crowd moves in its daily circle.

A Good Thing. German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced into the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. A certain New York hotel uses a bushel of potatoes a week for pen wipers on the tables in the writing rooms. Every morning a large potato is put in a compartment of the pen box, and after 24 hours the potato is removed and another put in. Pens in pen-holders are stuck into the potato half a dozen at a time, giving it the appearance of a porcupine.

A prominent Chicago woman speaks. Prof. Roxa Tyler, of Chicago, vice-president Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia, I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Holthouse, Callow & Co.

Russian photographers who are unable to get a settlement from their sitters, hang the portraits of the latter upside down in the showcases before their studios. The significance of this position is of course, understood by the general public, and it is said that photographers' debtors in many instances hasten to place themselves right again in the eyes of their fellow townsmen.

Deputy Marshal Grant Johnson and Bumble McFutosh of Eufaula, two men noted for their bravery and daring in hazardous expeditions against outlaws, made a dash upon the encampment of Snake Indians near Eufaula Sunday and captured Chitto Harjo (Crazy Snake). After an exciting escape from the hostile Creek camp they managed to land their prisoner at Henrietta last evening, and he is now held captive under the strong guard of soldiers under the command of Lieutenant Dixon.

The capture of the central figure of the uprising and the show of force which the troops will make will likely put an end to the threatened outbreak.

BAD INDIANS RISING

Threatening Troubles Among Redskins in the Creek Territory Create Uneasiness.

HAVE DONNED THE PLUMES OF WAR

Uncle Sam Has Been Called Upon to Exert His Armed Powers to Settle a Band of His Too Restless Wards—The Territory Is Exhibiting Much Genuine Excitement.

Bristow, I. T., Jan. 28.—Major C. J. Lille (Pawnee Bill) with a posse including Captain Edmund Harry of the Creek Lighthorsemen, United States Marshals Dean, Hogan and Churchwell and Indian Police Keyes, Howell and Saunders, visited the hostile Creek stamping ground, six miles south of this place, at noon Sunday. The Indians were there holding a big feast, and refused the posse admittance and declined to confer with them in any manner.

Many of the fullbloods who have been in the habit of wearing white man's apparel, were dressed in full Indian regalia. They were most bitter in their denunciation of the marshals who arrested Tom Tiger, captain of the insurgent light horsemen, who left at dark in charge of United States Marshals Dean and Hogan and posse for muskogee, as it was feared an attempt might be made during the night to release him if held here. Saturday night 32 citizens of Bristow watched the prisoner and about as many more guarded the town. At 3 o'clock Sunday morning the weird chant of the Indian dance and beat of the tom-tom was plainly heard by the guards on the south line of town.

Late Saturday night a telegram was received from Marshal Bennett authorizing the mayor and council here to arm and swear in all able-bodied citizens to protect their property until soldiers could be sent here from Henrietta.
