If people only knew what we knew about Kodol Dyspepsia Cure, it would be used in nearly every household, as there few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion and dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. Smith, Yager & Falk.

The editor of the Walkertown (Ind.) Independent says he has two subscribers who frequently "get full," and every time they are in that condition they come in and pay a year in advance. One of them is already credited to 1941, and the fraternity throughout the state is crazy to find out what brand of whisky he drinks. They want to offer it as a premium.

Notice to City Water Consumers.
I hereby wish to notify all persons who are delinquent on city water accounts, that the books have been charged up to January 1, 1901, on all meter and past due accounts, and the said books are at City Treasurer Wm. Archbold's office, and every one knowing themselves in arrears for water are requested to settle the same on or before April 20, 1901, or 10 per cent. penalty will be attached after that date. H. B. Knoff, W. W. Supt.

If when a man is compelled to ask a merchant for credit and has run an account for a greater or less amount, it is the proper thing for him to do when he has money to spend at all, to spend it with the merchant who has thus befriended him. There are too many who "stand off" one merchant for all they can and at the same time buy of other men in the same line and pay them cash for goods. This is unfair and ought not be done.

Pepsi Syrup Co., Monticello, Ill.
Gentlemen:—I have been selling Dr. Caldwell's Syrup Pepsi ever since it was first introduced to the trade. It is the best seller I ever had on my shelves and gives the best satisfaction to my customers of anything I ever offered them. Where I sell it, once they invariably return for more. As a laxative or as a physic it is par excellence the most pleasant and satisfactory preparation I have ever sold. Yours, etc., G. H. Came. Sold by Smith, Yager & Falk.

The editor gratefully acknowledges the receipt of a ham, two bushels of sweet potatoes, one bushel of meal, two dozen eggs, some last year onions, a mess of greens, one custard pie and a quart of good cider vinegar on subscription this week. If subscribers will only keep this up a few weeks longer, until blackberries come, the editor will be able to make it through the summer in great shape.—Ozark (Mo.) Star.
