We have a great variety of styles and can give you almost any kind of stove you may want. **SPECIAL REDUCTIONS MADE ON ALL STOVES DURING THIS EXHIBITION.**

FREE EXHIBITION *OF THE FLORENCE HOT BLAST.*

WE HAVE THE LARGEST LINE OF AIR TIGHT HEATERS IN THE COUNTY. BUY ONE DURING THIS SALE--They DON'T COST MUCH

COME and see the most wonderful discovery of the century. We want to show the people that this stove will burn the smoke and all the gases of any kind of fuel, and we will operate this stove at our store Friday and Saturday, Nov. 1st and 2d.

This is the only stove on earth that burns slack successfully and all its products. The principal governing the operation of this stove is patented in the United States, England, Germany, France and Canada, and no stove manufacturer can copy same for 18 years from date of patent. : : : : :

THE Hot-Blast Air-Tight Florence.

Remember, that no other stove on earth today will burn smoke absolutely from the minute a match is applied to the fire except the wonderful : : : : :

HOT-BLAST AIR-TIGHT FLORENCE.

We will explain everything you want to know when you call. : : : : :

BEWARE OF IMITATIONS

COME and see this stove operate—it costs nothing to see and will teach you more about a stove in five minutes than you can learn by actual experience in twenty years.

We will burn in our Hot Blast Florence stove, sawdust, wet or dry, wood, soft coal in lump form and **SOFT COAL SLACK**, which is the cheapest fuel to burn and produces the most heat, without any dirt, soot or smoke. Everything burnt up and will produce twice the heat of any other stove in the world. If you doubt this stove as a smoke consumer come and ask any question you want, we are prepared to answer any and all questions, we are here to prove every assertion made in this advertisement and want to place a clean and beautiful stove in your home this winter that you may be comfortable.
