### CURES WITHOUT STOMACH DOSING

Hyomei Cures Catarrh by Simple Breathing  
—The Holthouse Drug Co. Refund Money  
if it Fails to Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomei. In fact, the percentage of cures by this treatment proves it equal to the final tests.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by physicians, but not until Hyomei was known, had they a practical method that would obviate stomach dredging.

A complete Hyomei outfit costs but \$1, and consists of a neat pocket inhaler that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomei.

Breathing Hyomei through the inhaler, every particle of air that enters the nose, throat and lungs, is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

The Holthouse Drug Co. have so much faith in the power of Hyomei to cure catarrh, that they are selling it under their personal guarantee to refund the money if it does not give positive relief.

After using one bottle, and you find that it has not proved beneficial, return the same to the druggist you bought it of, and he will return the money paid. You cannot ask for more. A young man of Bluffton had a peculiar experience not long ago. The young man's best girl lost a fur boa, and he dreamed one night he saw the lost article under the road crossing near the school house. He went to the crossing, thrust his arm under it and pulled out a bundle of fur. But it wasn't the boa, and he has since buried all his clothes. He has no faith in dreams now.

More Riots. Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run-down systems. Wakful Children. For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and give her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. Sold by The Holthouse Drug Co.

At the Columbian exposition in 1893 Indiana took 283 prizes Chairman Stevens says the stock raisers are promising even better stock than went to Chicago, and on this he basis his hopes to make a record in the prize capturing line.

Erie Switchman William Skinner was run down and struck by a switch engine at 5:20 Friday, the wheels passing over both feet. The accident occurred but a few feet north of the Market street crossing. The victim of this most distressing accident was picked up and conveyed to the Huntington hospital where Dr. B. H. Grayston, assisted by Drs. F. W. Grayston and McIlvaine, found that the left foot and ankle were badly crushed, in fact literally ground to a pulp, and all of the toes on the right foot were beyond saving. The left leg was amputated about four inches above the ankle joint, and all that remained of the toes on the right foot was taken off.—Huntington Herald.

Read it Through—Twould spoil this story to tell it in the headlines. To use an eighteenth century phrase this is an "ever true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon, of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by The Holthouse Drug Co.
