Miss Edna Ehinger, whose wedding church, was the guest of honor at a to Will Berling will be solemnized June 20th at the St. Mary's Catholic friendship shower given for her Wednesday by Mrs. Henry Schulte, guests being the members of her clubs, the Embroidery and Bachelor Maids with a few other friends. The Schulte home was beautiful in its decorations of yellow and white, which colors will characterize the bride's wedding and the affairs pertaining thereto. These colors took material effect in the streamers of crepe paper which were draped from the center of the room to the chandelier in the middle, where they were caught and festoons of yellow and white hearts, the white being carried out in the large vases of show balls which adorned tables and mantels. Cards were played during the evening and much enjoyed, prizes being won by the Misses Amelia Weber and Ode Fullenkamp, first, and the booby by Miss Mae Rademaker. The prizes were then presented to the bride-to-be. After cards the tables were cleared and a delicious luncheon was served by the hostess, who was assisted by her niece, Miss Amelia Depinet, the luncheon also carrying out the colors of yellow and white in the menu and favors. At the close of the luncheon, Miss Margaret Conter, who will serve as Miss Ehinger's bridesmaid, read two very pretty and happy toasts, echoing the sentiments of the entire assemblage, as follows: "A health to you, a wealth to you, And the best that life can give to you. May Fortune still be kind to you, And Happiness be true to you. And Life be long and good to you, Is the toast of all your friends to you."

And:

"May every joy attend you.
And Heaven daily send you
Blessings in heart and home,
A faithful knight to tend you,
Wherever you may roam."

Then came the "shower," a veritable wealth of beauty and usefulness combined. A very pretty bower for the reception of the gifts was formed in the large bay window in the dining room, in which was placed a large table on which the gifts wrapped in dainty coverings were laid by the donors as they entered and afterwards opened by the bride-to-be. From the top of the bow window, extending out over the table to form an inset alcove were hung crepe paper strands of the crimped crepe paper in the same dainty colors of yellow and white, and extending from this bower to the walls were festoons of the yellow and white hearts. The affair was a very pretty one. The party included Ada and Mayme Deininger, Agnes, Bertha and Rose Voglewede, Stella Bremekamp, Lillian Meyers, May Rademaker, Margaret and Rose Conter, Amelia Weber, Louise and Mayme Brake, Anna Clark, Vera Ehinger, Edna Crawford, Amelia and Tena Rademaker, Lettis and Clara Lang, Mrs. Tom Ehinger, Alma and Agnes Starost, Mae Berling, Amelia Tonner, Gertrude and Lena Holthouse, Ode and Lettis Fullenkamp, Celeste Wemhoff of this city and Mrs. Dr. McArdle and Miss Irene Grimes of Fort Wayne.

Miss Matilda Sellemeyer will entertain the Entre Nous club this evening at the home of Mr. and Mrs. H. S. Michaud.

Mrs. George Glass and Mrs. L. A. Graham were two new members received by the Orient club at its meeting at the home of Mrs. Charles Elsey. The afternoon hours sped on swift wings as the ladies embroidered, this being laid aside later for the tempting refreshments. During the summer months the club will meet fortnightly instead of weekly, and Mrs. Harry Helm will be the hostess Wednesday, June 7th.

Mrs. M. E. Brackett is giving a party this afternoon at her home on Winchester street.

Mr. and Mrs. David Stoler and other friends in the city and county have received invitations to the wedding of Miss Bessie Beulah Connett, daughter of Mrs. Emma Dykeman of Fort Wayne, the groom to be Omar A. Kenyon, son of Mr. and Mrs. C. M. Kenyon, formerly of this city. The bride is also well known here having at one time made her home in this city, and also northeast of Decatur. The wedding will take place Wednesday evening at 6:30 o'clock, June 7th, at the home of the bride's mother, on Eby avenue, Fort Wayne. The newly married couple will make their home in Alabama, where the groom has resided the past year with his parents. He is employed as a linotype operator on a newspaper there.

Several hundred guests attended the reception tendered by the seniors of the Decatur high school Thursday evening at the Knights of Pythias home, after the commencement program held at Bosse's opera house. The beautiful decorations which were brought into effect for the junior reception of last week were kept over

for this event, the purple and gold interest of the Smith & Bell lumber company, was one of those who sustained minor injuries in the wreck between a southbound Muncey-Bluffton interurban car and an Indianapolis-Fort Wayne limited northbound car on the Indiana Union traction line south of Bluffton Saturday evening a few minutes before 5 o'clock. The wreck was very similar in mode of occurrence to that of the Kingsland wreck of last September 21st, though in this wreck there were no fatalities, three being seriously injured and five others quite badly injured, though twenty or more of the sixty on the limited and the thirty on the local received minor bruises.

The wreck occurred a mile south of Poneto, or about six miles south of Bluffton. The Kingsland wreck occurred just about that distance north of Bluffton. The southbound car in charge of Motorman Farber and Conductor Smith, was standing one car length north of the siding, ready to take the switch, which is the regular passing point, and allow the northbound car to pass. The northbound car, which is the limited, ran three car lengths past the point where it should have stopped, and crashed into the stationary car at the rate of about twenty miles an hour.

Mr. Colter stated that the northbound car was somewhat behind time and had been running with full speed to make up for lost time. Mr. Colter was about five seats from the rear of the car. As he was sitting there unconcernedly, he suddenly noticed the passengers at the front rise to their feet with one accord, and then he heard the tooting of a whistle. Knowing that something was wrong he got to his feet in less time than it takes to tell, and got into the aisle, where he saw with horror the car into which they were about to run. Simultaneously he seemed to see all the passengers lifted from their feet into the air, himself with the others—and then slammed down with full force onto the floor. Mr. Colter, however, was fortunate enough to be thrown upon several other people and escaped with little injury. The fact that he was in the aisle, also, out of the way of the seats, which were flopped about violently, also saved him more serious injury. Mr. Colter stated that the collision occurred near a curve in the road, and that the motorman, as soon as he saw the approaching collision, tried to turn on the brakes, but they refused to work. The emergency brakes he also used and tried to reverse the car, and while this may have to some extent helped in averting a greater disaster, could not prevent the wreck. The front platform of the southbound car ploughed into the front platform of the northbound car, a distance of some five or six feet and the partition between the main room and the smoker of the southbound car was broken out. The northbound car on which Mr. Colter was riding, had the vestibule broken out and nearly all the windows in the car were broken, many injuries being inflicted by flying glass. Doctors from Poneto were summoned and many of the injured were taken to Fort Wayne hospitals. Mr. Colter assisted in caring for some of those hurt. He stated that it is an experience which he does not care to repeat and one that might easily have resulted just as seriously as that of the Kingsland wreck. He stated that one can form all sorts of plans as to what he would do if he were in a wreck, but when it comes to actual occurrence, the plans have all sped. Beyond scratches on the shins and bruises on his elbows, Mr. Colter escaped injury.

The seriously injured:

Thomas Nutter, Wells county, concussion of the spine.
John Whicker, Bluffton, leg fractured.

James D. Lawrence, Muncie, two ribs fractured.

Fred Hull, Bluffton, right shoulder dislocated and arm sprained; Harry Lewis, Lima, Ohio, employed at Montpelier, left shoulder and arm sprained; Mrs. James D. Lawrence, Muncie, teeth knocked out and neck injured; John Frantz, Liberty Center, forehead cut by flying glass; Samuel Trissel, Greenville, Ohio, face cut and bruised.

Mr. Colter stated that a most disgraceful part of the affair was that twenty or more of the passengers were returning from Hartford City, where they had been laying in a supply of liquor and many were intoxicated.

The Rev. G. H. Myers of this city narrowly missed this wreck, as he arrived into Bluffton on the next car. He also missed the Kingsland wreck in the same way, having fortunately missed that car and taking the next one. Messrs. Myers and Colter took the next Bluffton car Saturday and then returned to Decatur from Bluffton.

It makes a man feel curious; it makes the tear-drops start,
An' you sort o' feel a flutter in the region of the heart.

You can't look up an' meet his eyes;
you don't know what to say,
When his hand is on your shoulder in a friendly sort o' way!

O, the world's a curious compound,
With its honey an' its gall,
With its cares an' bitter crosses; but
a good world, after all.

An' a good God must have made it—
leastways, that's what I say
When a hand rests on my shoulders
in a friendly sort o' way.

—James Whitcomb Riley.

Charles H. Colter, who was returning Saturday evening from a business trip to Munroe and other points in the

fall down the cellar steps, sustaining a broken leg. Mrs. John T. Baker, aged sixty-eight years, one of the best beloved and best known ladies of Kirkland township, passed into eternal life at 12:30 o'clock this morning. Mrs. Baker never fully regained her strength since the accident and later complications of asthma and lung trouble arose. For several weeks she had been at the point of death, but later became better, only again to become worse until final relief at the hour stated. The maiden name of the deceased was Malinda Beery. She was the daughter of Eli and Hester Beery and was born January 13, 1843, in Fairfield county, Ohio. When but four years of age, she came with her parents to this county and settled west of this city, spending the remainder of her life in this vicinity. She was married April 15, 1860, to John T. Baker, the couple arriving the fifty-first anniversary of their marriage last April 15th. Those who have been acquainted with Mrs. Baker say that nothing too good can be spoken of her life, as she was an ideal woman, wife and mother, a devout Christian in every respect. The marriage was unusually happy and besides the heart-broken husband she leaves the following grief-stricken children: Ellen, wife of B. F. Beery, of Goshen; Frank Baker, of Elkhart; Jonas E. Baker, of Peabody, Kansas; Samuel Baker, of Mott, N. D.; John Baker of Houston, Texas, and Rosa, wife of Charles Andrews, who resides at the homestead. Quite recently the children from a distance were called to the mother's bedside, and were here with her for several weeks, but upon her improvement, returned again to their several vocations. Mrs. Baker leaves the following brothers: Martin Beery of this city, Reuben, John and Chris Beery of near this city, and Dan Beery of this city. The funeral will be held Wednesday, the hour to be arranged later upon receipt of word from the children who live at a distance. The services will be held at the Beery church west of this city. The Rev. A. B. Yoder of Bronson, Michigan, a minister of the Mennonite church, of which Mrs. Baker was a member before uniting with the United Brethren in Christ, and the Rev. G. W. Tevis of New Carlisle, Ohio, will conduct the services.

During her declining days, Mrs. Baker made the request that should her friends desire to pay their respects to her after her death by the giving of flowers, that the floral pieces be of the white flowers only, with the green foliage as a background.

MR. VAN CAMP HAS RESIGNED.

B. L. VanCamp, the accommodating and genial manager of the local gas plant, has resigned his position. He has been here for ten months and has innumerable friends who will regret to learn that he will probably leave Decatur soon, as he has a splendid offer in one of the cities of northern Indiana. His resignation was sent in ten days ago and he was relieved from duty Saturday. Mr. Anderson of Fort Wayne will be in charge here temporarily until Mr. VanCamp's successor is named.

SENIORS OFF TO COLLEGE.

Many of the graduates of the high school who completed the course last week will enter at once upon a course of normal training to prepare for the profession of teaching. Five leave today to enter training schools. Among them are Marie Daniels, Muriel Chronister, Ruby Parrish and Holiday Bauer, who go to Marion, and Roy Jahn to Valparaiso. During the following week several will enter the school at Angola, among them being Ruth Gay, Bernice Dailey, Martin and Harry Hoffman and Louis Adler. Clem Steigmeyer will enter Indiana university in the fall for a full university course.

Indianapolis, Ind., May 29—(Special to Daily Democrat)—Riding faster than any man has dared to ride on the Motor Speedway track here, "Wild Bill" Burman today established new records for quarter-mile, half-mile, kilometer and mile. His time for a mile was 35.35, for the quarter 8.16, for the half 16.82, and for the kilometer 21.40. Big crowds are arriving for the 500 mile race tomorrow, and it is expected that a hundred thousand people will witness the race.

Indianapolis, Ind., May 29—(Special to Daily Democrat)—While running at the rate of fifty miles an hour near heretofore this morning two passenger trains on the Burlington railroad collided head-on. At least eight are dead and a score badly injured, ten of them fatally. The wreck is said to have occurred by a disobedience of orders by the eastbound train, which was to have taken a siding. Steam pipes in the wrecked train scalped the victims who were pinned under the debris. The engineers of both trains were killed. The Omaha and Denver base ball teams were on one of the trains and several Denver players

were hurt.

CARD OF THANKS.

Clyde McClure, Mr. and Mrs. Elijah Nidlinger and Mr. and Mrs. John Thomas take this way of thanking the many who so kindly assisted them at the time of the death of their wife and daughter.

Decatur people who Sunday paid a visit to the hospital at Fort Wayne, return with good news and state that all are doing nicely. The condition of Miss Emma Terhaar is still improving, as she has been doing for nearly a week now, and she is pronounced by the physician to be out of danger. Just what day she will return home is not known, but it is thought some time the latter part of the week.

Mr. Ellis is still gaining strength, and those caring for him are well pleased with the improvement in his condition, which is shown, and believe he will now get along all right without any trouble. He is now able to sit up and be about the hospital, and it is believed that he, too, will be able to return to his home here before the passing of many days.

Mrs. Irvin Acker, accompanied by her daughter, Miss Eva, left this morning for Fort Wayne, where the former entered Hope hospital, and on tomorrow morning will undergo an operation for hernia. She has been afflicted with this illness for sometime and it was deemed by the attending physician that the only way to obtain relief was to submit to an operation. Dr. Beavers, who has been in charge of her case, will look after the operation and will be assisted by several Fort Wayne physicians.

With the chancel appropriately decorated with American flags and with great bowls of beautiful garden flowers, at the altar, and the doorways draped with the silken folds of the American flag, for which the soldiers fought, the Presbyterian church Sunday morning was a fitting scene for the annual memorial services held in honor of the brave defenders of American principles. The central section of the main auditorium had been reserved for the members of the G. A. R. and all soldiers, as well as for the women of the Relief Corps who attended in a body, marching from the hall to the church, with the large American flag in the lead in the hands of the color bearers. Nearly all the churches of the city dismissed the regular Sunday morning services at their several places of worship and joined in this union service, the Presbyterian church being more than filled. The service was opened with an organ prelude by Miss Elizabeth Peterson, followed by the congregational singing of the doxology, then the invocation, the recital of the apostle's creed and the singing of the Gloria. The Rev. Imler, as presiding officer of the ministerial association of the city, in a short talk, extended to the Rev. Gleiser, the new pastor of the church, a hearty welcome. He stated that the ministerial family was glad to

announce an increase in the family, and especially since the new chap was so promising a youngster. He stated that the association trusted that under its nourishment and care he would rapidly grow stronger and stronger in spirit and truth, and the Rev. Gleiser responded, thanking him for his welcome, in gladness of appreciation of the same.

The reading of the appropriate Scripture lesson was well done by the Rev. Wiss of the Evangelical church with an earnest prayer following by the Rev. Semans of the Methodist church. The special musical part of the service was beautifully appropriate, the choir, comprising Messrs. Bruce and Fred Patterson, J. C. Peterson, Will Schrock, C. J. Lutz, Hugh Perkins and Wilson Lee, rendering a song, "We Are Marching Under the Banner." Miss Frances Laman also gave a solo, entitled, "Out on the Misty Sea of Life." These selections were received with exquisite pleasure. The speaker of the day was the Rev. Charles E. Ehle, pastor of the Baptist church. He began by thanking the congregation in behalf of the G. A. R. for the favors bestowed upon them in the meeting, the musical selection for the interest taken by the various churches, and asked their co-operation in making the Decoration Day exercises of May 30th ones worthy of the day. Rev. Ehle then announced his subject, "Our Nation's Honor," taking as his text a part of the thirtieth verse of Samuel: "For them that honor me I will honor and they that despise me shall be lightly esteemed."

The sermon brought out the point that our honor is one of our dear possessions, worth the giving of our life. Just as the boys in blue fought for the nation's honor so should we fight to preserve our individual honor, which can only be retained by honoring our Lord and Master. The sermon will be further outlined in tomorrow evening's special paper. An impressive prayer for blessings upon the brave heroes of the civil war, was given by the Rev. G. H. Myers and the service closed with the benediction of the Rev. D. O. Wiss.

At the close of the service the audience remained seated while the Rev. A. R. and W. R. C. passed out, the audience giving them the handkerchief salute as they passed.
