## BRANDRETH'S PILLS.

While brandreth's Pills are so potent for good diseased bodies they are harmless as bread. The babe at the breast or the man of riper years and delicate females are certain to receive an increase of health from the use of these Pills blessed of heaven.

It has been said by an able physician, that 'this medicine always benefits and never injures.' Wherein is the superlative quality. The Brandreth Pills have no power or action but upon impure humors in the blood. They seize only the impurities in and around the parts affected by disease; all the parts involved in diseased actions are operated upon and cleaned from all foulness and reinfused with 'Life,' by the wonderful curative powers contained and inherent of the most justly famed Brandreth's Pills.

Millions of people whose lives appeared to be at the last ebb, worn out by fever's consuming fires, by consumption's insidious advances by racking tortments of inflammatory rheumatism, have been cured by the use of these pills. The persons are living witnesses and thousands are residents in every city of America. Principal Office, No. 294 Canal Street New York.

## THE SWEDISH BRANDY

As its name indicates is a peculiar product of the inventor, whose native land is Sweden. It is an article having a mellow and delicate flavor, peculiarly rich, and palatable; is highly cordialized, and especially adapted to the use of all ladies, who may require an agreeable, stimulating tonic, imparting strength to the system, giving an increased vitality to the whole human frame. It is a great favorite in Sweden, so much so that it may be styled the national beverage. No family should be without it.—Taken in the shape of a hot punch at night before going to bed, it makes a delicious draught producing a healthy perspiration dispelling a cold more effectually than any other mixture that can be taken. Try it once and be convinced.

Sold by merchants & Druggists everywhere.
