Foreign War Vessels Ordered to Win-

ter at Constantinople.

CONSTANTINOPLE, Oct. 7.—On Sat-

urday Sir Phillip Currie, the British am-

bassador, had an interview with Kiamel

Pasha, the grand vizier, in which he

made strong representations and forcibly

urged upon him to cease making ar-

rests of Armenians.

Kiamel Pasha in reply expressed his

anxiety to improve the situation. It is

expected that he will advise the sultan

to grant amnesty to all the Armenians

who have been arrested in connection

with the riots since Monday.

The ambassadors of the powers held a

conference yesterday and drew up a

collective note which was presented to

the porte today. Afterward they went

to the porte personally and made verbal

representations on the subject of Ar-

menia.

The foreign men of war which are

acting as guard ships have been ordered

to anchor in the harbor for the winter in

order to protect foreigners in case of

need.

Sir Phillip Currie has asked leave of

the government to visit the Armenians

now in prison in order to draw up a re-

port.

Up to Friday 80 bodies had been reg-

istered as victims of the disorder, all of

which had been terribly wounded. Some

of them contained over a score of gashes

besides bullet wounds, and others had

been battered with bludgeons so as to

be unrecognizable. All accounts con-

cure that the number of victims thrown

into the sea was only three. The gen-

eral killed a few of the wounded.

Said Pasha has been reappointed min-

ister of foreign affairs to succeed Tur-

han Pasha, who was appointed to that

office to succeed Said Pasha when the

latter was made grand vizier.

TAMPA, Fla., Oct. 7.—Passengers ar-

landing on Thursday of an expedition

in Bahia Honda, 40 miles west of Ha-

vana, composed of 180 well-armed men,

supposed to be commanded by Collaseo

or Carillo.

Martinez Campos reached Havana

Thursday morning from Santa Clara.

That night at 8 o'clock the insurgents

under General Sanchez entered the city

of Santa Clara, penetrating as far as

Central park, killing many Spanish

soldiers, capturing their arms, ammuni-

tion and provisions and returning to the

country. It was a most daring attack

and caused great excitement. Campos

upon hearing of the bold stroke, left

Thursday at midnight for Santa Clara

without having given audience to any-

one. His sudden departure from Havana

created consternation there.

EXPRESS ROBBER CAUGHT.

J. Don Farden of Terre Haute Cap-

tured in Baltimore.

BALTIMORE, Oct. 7.—John Don Farden

was arrested in Baltimore yesterday for

stealing \$16,000 from the office of the

Adams Express company at Terre

Haute, Ind.

The arrest was brought about by

Pinkerton Detective John R. Saville,

who has been working on the case since

the larceny occurred, Sept. 6. The de-

tective said Farden was employed as

cashier of the express company and that

the date named he put a package con-

taining \$16,000 in his pocket and dis-

appeared. He was traced to Washington

and then to Baltimore.

Farden stated to the authorities that

he had spent every cent of his share of

the \$16,000 in fast living. He was with-

out a cent. He asserts that he was

chastised in the Adams Express office at

Terre Haute and for 14 months had been

putting up money for James R. Barnett,

ticket agent for the Vandalia railroad at

that place. When the auditor of the

company would visit the office to exam-

ine the agent's books, Farden would

temporarily place money he handled in

the agent's drawer to balance the ac-

counts. In September last he put in a

package containing \$16,000. The agent

cut it open and at the same time pro-

posed that they divide the money and

leave the state. The agent gave Farden

INDIANAPOLIS, Oct. 7.—Evidence has

come to light here which will probably

lead to a new trial of the Hinshaw mur-

der case. Juror William Hunt, who

lives near Danville, was in this city be-

fore he was selected as a jurymen. He

strayed into a barber shop, and while

there it is said he rehearsed the story of

the murder, declaring that Hinshaw

was guilty. When being selected for

jury duty, Hunt made the usual state-

ment that he had not expressed any

opinion.

City Election at Indianapolis.

INDIANAPOLIS, Oct. 7.—Tomorrow a

new mayor will be elected in this city.

There are four tickets in the field, but

of course the next mayor will either be

Republican or Democratic. Preston C.

Trusler is the candidate of the former

party and Thomas Taggart of the latter.

Mr. Trusler is the present city controller

and has been prominent in politics in

this city for a number of years. Thomas

Taggart is known all over the state,

Tramping From Denver to Washington

Without Money on a Wager.

ALBANY, Oct. 7.—An aged hoboe came

into Albany last night over the Schene-

cady turnpike and journeyed on to find

a place in the fields beyond to camp.

His gray hair hung down over his

shoulders, but he held himself erect to

the full stature of six feet, and though

he walked slowly, he steadily covered

ground.

He says his name is Levi Jones and

that he started last March from Denver

to walk to New York and go thence to

Washington any way he pleased, so

long as he gets there by the time con-

gress convenes. It is for \$10,000 wage,

and he says that when the bet was made

he weighed 300 pounds, but now only

weighs 180 pounds. By the terms of

the wager he says he is to have no

money, nor is he to sleep under a roof

until New York is reached. Accord-

ingly, he carries a roll of old quilts and

blankets under his left arm and a gunny

sack with cooking utensils on his back.

That he did not ask for money to help

him along and rather sought to conceal

than reveal his identity lends color to

his story.

Jones says that he twice hoofed over

the mountains to the City of Mexico,

and has camped all over the Rockies as

Chinese Minister Starts For Spain.

WASHINGTON, Oct. 7.—Mr. Yangyu,

the minister from China to the United

States, accompanied by four members

of the legation, left here yesterday for

New York city. Mr. Yangyu is also

the accredited representative of his

country to the Spanish government, but

he has not yet visited there in his dip-

lomatic capacity. The party will remain

in New York city until the 12 inst.,

when they will embark on board a

French line steamer for Havre and from

there will go to Spain. During the min-

ister's absence Mr. Hoo will be in charge

of the legation in this city.

City of Paris Late Again.

NEW YORK, Oct. 7.—The steamer

City of Paris, about 36 hours overdue,

was docked last night. The officials at

quarantine made an exception in favor

of the Paris, allowing her to pass in last

night on account of her being belated.

The delay was due to the priming or

foaming of the boilers. Repairs were

made during her stay in Southampton,

which were expected to remedy the dif-

ficulty, but as soon as she was well

started the priming again started and

continued all the way across.

Platt Will Face on His Terms.

NEW YORK, Oct. 7.—The representa-

tives of the Republican State Democracy

and chamber of commerce held a confer-

ence last night, which lasted until after

midnight trying to agree upon a union

against Tammany. The Republicans

were willing to give only three minor

places on the ticket to the other ele-

ments, three judgeships. They agreed,

however, to endorse the excise plank of

the state Democracy, which meets the

views also of the German reform club.

A VERDICT of murder in the first degree against Durrant would be satisfactory to the people.

TOMORROW'S election in Indianapolis will be the only Indiana politics this year. Trussler will win handsomely.

The average county fair is now settling with premium winners at all the way from twenty-five to seventy-five cents on the dollar. This has been a bad season on county fairs.

The foot-ball players of DePauw are sprouting some elegant samples of whiskers. It seems that the latest fashions in foot-ball call for such hirsutes, and the Greencastle people will bravely try to bear up under the ordeal.

The Indianapolis News says: Jesse Overstreet, of Franklin, who by the change in districts is now

the congressman for Indianapolis, has decided to be a candidate for nomination in the new seventh district. There is an impression that Marion county will put up a candidate for nomination, but no one has yet been agreed upon.

An order was issued on Saturday by Adjutant Robbins, of Indianapolis to convene a court martial for the purpose of investigating the looting of a restaurant at Peru by the National Guards on July 27. This restaurant looting by militia men; of which Greencastle got a taste last July is getting to be monotonous it seems.

ONE of the Terre Haute robbers has been captured as told in our telegraph columns today. Barnett will be caught it is thought soon.

HAS THE "BOOM" COLLAPSED? What is the matter with the boom? We quote from *Dun's* as follows:

Coke was suddenly raised to \$1.40, but has recently sold at \$1.10. Wheat jumped over 20 cents to 84, but is now slow of sale at about 65. Wool was late in rising, but has lost about an eighth of a cent in average price within the past fortnight.

Does this mean a check to the Free-Trade prosperity that we have been reading about? Farmers and miners are interested. Again we quote:

In the boot and shoe industry many shops are discharging hands, and in woolen manufacture a few works are closing for want of orders. Shipments of boots and shoes now fall below last year's or those of 1892, and except in split shoes there are but few orders.

Wage earners are interested in this story and are awaiting explanations from Brothers Bennett, Pultzert, Martin and Arnold. Stand up Free-Trade editors. Who will be the first to answer?

Bar Meeting.

The Greencastle Bar association perfected organization on Saturday evening by electing D. E. Williamson, president; C. B. Case, first vice president; J. J. Smiley, second vice president; Smith Matson, secretary, and S. A. Hays, treasurer. A committee was appointed to make arrangements for a suitable place of holding meetings for the association. The committee to whom was referred the constitution reported on the constitution and bylaws for the government of the association. A large crowd was in attendance and several appropriate speeches were made.

Weak and Run Down

After the grip or other serious illness, you find Hood's Sarsaparilla exactly the medicine to build up and give strength.

"I feel thankful to Hood's Sarsaparilla for benefit derived from it. I had the grip and failed to regain health. I did not have any appetite, and in fact was a mere shadow of myself. I at last took Hood's Sarsaparilla, and soon began to improve; could soon eat without distress. Four bottles of Hood's Sarsaparilla and a box of Hood's Pills took away all signs of the grip." Voorhees New Lecture.

The coming lecture of Senator D. W. Voorhees to be delivered first in this city on Oct. 16th is attracting considerable attention over the state. Of the lecture and the speaker a dispatch in the Indianapolis Journal says:

Senator Voorhees has put the finishing touches on his new lecture, "The Holy Sepulcher," which he is to deliver at DePauw University on Oct. 16. The proceeds of the lecture are to go to the fund of the alumni association. The Senator is a graduate in the class of 1849. The lecture amounts to an argument in defense of Christianity from the standpoint of one who has had large experience in the study and practice of law. The Senator has had his doubts and misgivings on the subject of religion. There have been times when he was skeptical of the authenticity of the Scriptures, and at other times he has felt that the teachings of the Bible afforded the only adequate source of consolation in great bereavements.

Senator Voorhees became a member of St. Stephen's Episcopal Church in this city a number of years ago, and the Hon. Bayless Hanna being confirmed the same day. His daughter, Miss Hallie Voorhees, is a recent convert to the Catholic Church, and it is understood that while she was making a thorough study of the church's doctrine the Senator gave much thought to religious subjects and with her investigated the Scriptures.

Mrs. Weaver's Funeral.

The funeral services over the remains of Mrs. J. R. Weaver were held at the family residence this morning at 10:30 o'clock. A large concourse of friends, students and citizens gathered to attest by their presence their sympathy for the family and to pay their last mark of love and respect for the dead. The services were appropriate, simple and beautiful. The exercises were opened with singing by a quartette composed of Mrs. J. H. Hollingsworth, Mitchell Hollingsworth, Mr. Hulley and Miss Helen Birch. This was followed by prayer by Dr. Hollingsworth; Dr. Poucher read a scripture lesson which was followed by a duet by Mrs. Hollingsworth and Miss Birch. Dr. Gobin made some touching and appropriate remarks upon the pure and happy life of the deceased from her birth in Greencastle to her death in the same city. After the doctor's remarks quartette singing followed and a benediction closed the exercises.

The floral offerings were profuse and were tokens from friends of the family here and elsewhere. The remains were viewed by those present after which the casket was sealed for the journey to their last resting place at Philadelphia, the funeral party leaving the city at 1:35 today over the Vandalia.

North Greencastle.

Grandma Bryne came home from Fillmore, after a weeks visit among friends.

Miss Salie Hale will leave today on the noon train for her home near Danville.

The home of Mr. and Mrs. Julius Macy was a scene of pleasure last evening. The guest from a distance was Miss Hale, of Danville. Those present from the city were Misses Mollie Hamilton, Mollie and Anna Paris, Onie Wilde, Alice Williams, Mr. and Mrs. Snyder, Messrs Paul Allen, John Sheldmire, Otto Lane, John Friend, John Welch, H. L. Huffman, Frank Ricketts, John Obenchain, George Busby, Edward Sheldmire. They spent the evening in an enjoyable way, and left at a late hour all saying they had a good time.

Barlow Bros. Minstrels.

This popular organization of black faced artists will be the attraction at the opera house next Wednesday night. That they have a good show, we do not need to say; their reputation insures it. The Barlow Brothers, always looking how to best please the public, long ago decided that but one way was possible, and that was, not only to keep their entertainment abreast, but in advance of other minstrel shows. This rule has been rigidly adhered to, and the result has been its own justification. Enjoying the confidence of the public, they have no fear in engaging the highest priced talent, because they know that all such investments are always repaid, by the increased patronage accorded. Their tour this season has been one continuous ovation.

 There are some queer people in this
 world. If they go to a physician they
 expect to pay him fifty cents for a pre
 scription. If they go to a lawyer, they
 expect to pay him five dollars for an
 opinion. If they go to an editor of a
 paper, they expect him to write them
 up and furnish extra copies for their
 uncles, aunts and cousins to the fifth
 generation free of charge. Give us a
 fair count and fair fees.—*Knightsdown*
Sun.
 An interesting case has been entered
 in the courts at Indianapolis and the
 outcome of it will be awaited with more
 than usual anxiety. An opinion has
 been asked as to whether Christian sci
 entists who refuse sick members of
 their families medical attendance on
 the theory that divine providence will
 do the healing, can be forced to do so,
 and refusing, if they are amenable to
 the law. The faith cure is assuming
 threatening proportions and should be
 eradicated by the strong arm of the
 law.
 Mrs. Naomi Hunter, relict of the late
 Henry Hunter, died Saturday morning
 very suddenly at her home on the old
 homestead nine miles east of the city.
 She complained of a severe pain in her
 shoulder in the morning, which it is
 thought went direct to her heart, she
 dying in a few minutes after the first
 attack of pain. Mrs. Hunter was one
 of the oldest ladies in Putnam county,
 and one of the best posted. She was
 eighty-five years of age last July, and
 up to her death her memory was re
 markably clear. She could relate the
 early history of the county correctly
 and took a great deal of satisfaction
 in talking of the early struggles of the pi
 oneers. The funeral occurred this
 morning at 10:30 o'clock with interment
 at Stilesville.
 Among the social events of last Fri
 day evening was the reception given by
 the members of Locust Street church to
 their new pastor, Rev. L. D. Moore.
 The spacious parlors of the residence of
 Prof. and Mrs. H. B. Longden were
 thrown open and a large number of our
 citizens welcomed Mr. and Mrs. Moore
 to our midst. The attendance was not
 confined to the members of the church
 but a number of the members of the
 other churches called to pay their re
 spects. These gave Rev. Moore a cord
 ial greeting and a hearty reception.
 Refreshments were served and at ten
 o'clock the assemblage dispersed, going
 to their homes feeling that a very auspi
 cious beginning for the year had been
 made for Locust Street church. Rev.
 Moore preached his first two sermons
 of the church year yesterday to large

audiences. The new pastor announced
 that his residence would be two doors
 east of the church on Anderson street,
 No. 422, and that his home would open
 to welcome his friends at any time, and
 that he and Mrs. Moore were friends to
 everybody. At evening service at the
 church Harry Paris sang a beautiful
 solo appearing in especial good voice.

HEART DISEASE, like
 many other ailments when they
 have taken hold of the system,
 never gets better of its own accord, but
 constantly grows worse. There are
 thousands who know they have a defective
 heart, but will not admit the fact. They
 don't want their friends to worry, and
 don't know what to take for it, as
 they have been told time and again that
 heart disease was incurable. Such was the
 case of Mr. Silas Farley of Dyesville, Ohio
 who writes June 19, 1894, as follows:

"I had heart disease for 23 years,
 my heart hurting me almost continually.
 The first 15 years I doctored all the time,
 trying several physicians and remedies,
 until my last doctor told me it was only a
 question of time as I could not be cured.
 I gradually grew
 worse, very weak,
 and completely dis
 couraged, until I
 lived, propped half
 up in bed, because I
 couldn't lie down
 nor sit up. Think
 ing my time had
 come I told my fam
 ily what I wanted
 done when I was
 gone. But on the first day of March on
 the recommendation of Mrs. Fannie Jones,
 of Anderson, Ind., I commenced taking
 Dr. Miles' New Cure for the Heart
 and wonderful to tell, in ten days I was
 working at light work and on March 19 com
 menced framing a barn, which is heavy
 work, and I haven't lost a day since. I am 56
 years old, 6 ft. 4½ inches and weigh 250 lbs.
 I believe I am fully cured, and
 I am now only anxious that everyone shall
 know of your wonderful remedies."

DEPAUW UNIVERSITY

THE BEST NEWS OF OUR GREAT AND GROWING INSTITUTION.

The Students' Doings—Their College and Social Life—Their Guests—Incidents and Notes of the Bright Lives of Many Young Men and Women Told by Special Reporter.

O. H. Hayes returned from Indianapolis this evening, where he has been visiting home folks.

Ralph Norton spent Saturday in Indianapolis.

Edith Morris has returned from Syracuse, New York, where she was a representative of the local chapter of the Kappa Alpha Theta sorority at the national convention.

The students and professors have shown marked respect for Col. Weaver and family during their bereavement. Col. Weaver has been with us so long and has so gained our admiration that there is not a single heart in the university that does not beat in tender sympathy for him during his sorrow.

Messrs. Burlingame and Handley were initiated into the Delta Tau fraternity Saturday night.

Edwin Cook spent Sunday at Terre Haute.

Chas. Downs was at home in Terre Haute over Sunday.

The Thetas gave a supper at the springs Saturday evening.

Chas. Kepner, of Indianapolis, called on friends here Saturday.

Mr. Beeckman, '99, spent Sunday with home folks at Clinton.

Messrs. Chas. Beard and Gideon H. Dial went driving to Fern Saturday afternoon.

The Alpha Phis were driving Saturday afternoon.

Messrs. Roller, Peters and Hodge were initiated into the mysteries of Phi Delta Theta Saturday night.

Messrs. Frank Preston and Frank Foxworthy will be here in a few days to visit friends.

There was no foot ball practice Saturday evening.

The second order of foot ball supplies consisting of shoes and shin-guards, have been received. The team is now fitted out in first class style.

Foot ball practice this evening promises to be far better than usual. A regular game will probably be played between the first and second elevens.

Mr. Sherfy, of Brazil, was here yesterday visiting friends.

Prof. Johnson returned from Indianapolis this morning.

The seminarium table has been moved into Colonel Weaver's room and hereafter the seminarium class will do its work there.

NOTES FROM OTHER COLLEGES.

Manager Culbertson of the Butler university foot ball eleven, has decided to give to Indianapolis a series of foot ball games on Saturdays until Thanksgiving. Correspondence is in progress regarding a game between Earlham and Butler for Oct. 5. The game may go to Richmond. The following Saturday there will probably be a game with DePauw. Oct. 19 Butler and Champaign are to play. Oct. 26 Wabash college eleven will be here. Nov. 9 Butler and Miami university will play. In some of the intervening Saturdays Indiana university will play. Purdue has declined to play with Butler on account of the difference of last year, and will not be here to play off the championship on Thanksgiving day. The failure to reorganize the Intercollegiate association has killed a good deal of the foot ball spirit in the state. The men are willing, but the presidents were not willing that the colleges should organize after the wrangle of last year.—*Indianapolis Sentinel.*

A lovely complexion only Nature can give. She gives a new, clear and soft one to those who use Dr. Hebra's Viola Cream. It is not a paint or powder to cover defects. It gets rid of them, by Nature's own process of renewing the vitality of the skin; banishing all roughness, redness, freckles, moles, pimples, blackheads, sunburn and tan. It does this surely and harmlessly, because naturally. Its use means both skin beauty and skin health. Viola Skin-Soap hastens the process, because it is a pure and delicate soap. It should be used in connection with the Cream. It should be used in the nursery, too. Ordinary soaps are not fit for a baby's skin. Viola Cream, 50 cents. Viola Skin-Soap, 25 cents. The people of Greencastle have an opportunity of purchasing a few choice residence lots on remarkable easy terms and at low prices in the M. B. Cox Addition, between Indiana street and the Junction road. A new street has been opened through the Addition, and the owners will plant shade trees this fall. The lots are fifty-one feet front and of a good depth. The prices are low and the terms remarkable, being only \$2.00 down and \$2.00 per month until paid for with out any interest whatever. A deed will be given as soon as one third is paid in. The title to the property is perfect. Messrs. Corwin & Lewis having given their certificate to this effect. R. S. Graham, at Renick's hardware store, has the lots for sale, and will gladly give any information concerning them. There are only twenty-eight of the lots and at the low price and remarkable terms upon which they are offered they ought to go rapidly. Any one who thinks of buying a lot should see Mr. Graham at once.
