Franklin E. Meely.

It is not often that a young man has the opportunity of changing his name three times within a year, and yet that is exactly what occurred to the subject of our sketch. Known to his friends for a number of years as Frank E. France, some few months ago his name was changed to Frank Lumpkin, without his knowledge and within the last month it has again been changed without his knowledge to Franklin E. Meely. He is a prosperous young business man and his frequent "incognitos" does not seem to worry him in the least. Friends desiring to communicate with him should address him care of Muskogee Ice Cream Co., Muskogee, I. T.

BUILD WALK

G. R. & I. Co. Will Do Some Repairing About Yards.

The Grand Rapids and Indiana railroad after a little encouragement from the city council will make a much needed improvement at their depot as soon as the weather settles. They will build a nice four foot cement sidewalk commencing at the south east corner of the depot and running east across their right of way and connect with a crossing that the city will put in at the corner of Madison and Seventh street. This place at present is nothing but a mud hole and people using Madison street to get to the depot are forced to go a square out of their way. The contract for the construction of this walk will be let in a few days and as soon as the weather settles the work will be pushed to completion.

A committee of Portland, Redkey, Dunkirk and New Corydon citizens will go to Toledo Monday evening to meet with President Tracey and other officers of the Toledo, Indianapolis & Southwestern railroad. The purpose of the visit is to present their claims for the line. The project has practically simmered down to two possible routes, one by way of Berne and the other to penetrate this city. The choice will be made soon and Portland citizens are eager to have the final decision in favor of this city. The purpose is to have at least ten citizens in the committee that goes to Toledo and there is to be nothing exclusive about this committee.
