### WHY THE HOLTHOUSE DRUG CO. PUSH IT.

The Holthouse Drug Co. Recommend and Push Mi-o-na, the Dyspepsia Remedy.

"It's a pleasure to sell a medicine when our customers come in afterwards and tell how much good it has done them," said The Holthouse Drug Co. the popular druggists, to a Democrat man, "and that is why we like to sell and recommend Mi-o-na, the dyspepsia remedy.

"We have so much faith in this article that we are going to guarantee it in the future, and will return the money to any purchaser of Mi-o-na whom it does not cure. That may seem rash, but our customers have said so many good words in its favor that we do not expect to have many packages returned.

"Anyone who has dyspepsia, whose food does not digest well, who has to take thought as to what he can eat, and when, can leave 50 cents deposit at our store and take home a box of Mi-o-na, and if the remedy does not regulate his digestion and cure his dyspepsia, he can withdraw his money on return of the empty box.

This shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase in sales since The Holthouse Drug Co. introduced it in Decatur shows that it does all that it claims to do, cures dyspepsia, regulates digestion and enables those who use it to eat just what they want with no fear of trouble.

### We Can All Be Happy.

No real good can come from deception. Our physical, moral and financial or social conditions and surroundings are never the better through deception. Truth, candor and loyalty are the rocks upon which stand all that is built to benefit and glorify. No greater injustice can we do ourselves or our children than to neglect the one necessary adjunct to perfect health and peace of mind. Three-fourths of all the ills (so-called) from which we suffer and by which we are hindered from performing our home or social duties, may be traced directly to the irregular and general upset condition of the stomach and bowels.

Mothers may rely upon Dr. Caldwell's (Laxative) Syrup Pepsin as a stomach and bowel remedy for themselves as well as the little ones. By its use you keep your own physical structure in perfect cleanliness; hence healthy condition. You will be free from headache, your breath will be pure, your digestion perfect, your bowels regular, your nerves normal and even tensioned as they should be. You will find the same pleasant and beneficial results if you "raise the babies," as it were, on Dr. Caldwell's Syrup Pepsin, as it keeps their little bowels cool and regular, prevents or cures Wind Colic and all the little ills so prevalent and annoying among children. Do not deceive yourselves or your children by using heavy, poisonous, nauseating drugs that ruin the stomach and congest the bowels; use Dr. Caldwell's Syrup Pepsin; read the directions on the 50c or \$1.00 bottle. Use it according to the suggestion in the literature that is so gladly given free by your druggist. Look to the manufacturers if the results are anything short of your fondest hopes or our sincere representations.
