NOT A PATENT MEDICINE

HYOMEI, THE GUARANTEED CATARRH CURE, PRESCRIBED BY PHYSICIANS.

No one should confound Hyomei with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives its formula to all reputable physicians.

Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid which, when used in the Hyomei pocket inhaler, fills the air you breathe with germ-killing, disease destroying and healing powers that restore health to every part of the throat, nose and lungs.

Is it foolish to try and cure catarrh by swallowing tablets or liquids? The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei.

This treatment has been so successful, curing 99 per cent of all who have used it, that Hyomei is now sold by the Holthous Drug Co., under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it did not possess unusual powers to cure it could not be sold upon this plan.

The complete Hyomei outfit costs \$1 and comprises a hard rubber inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime and additional bottles of Hyomei can be obtained for 50 cents.

The Mayor of Des Moines
Hon. J. M. Brenton, Mayor of Iowa's capital and a prominent factor in the political and social life of the corn state, is a man who has the courage to speak his mind, and to his fearlessness is largely due his political success. His statement regarding the merit of

Dr. Caldwell's Syrup Pepsin
(LAXATIVE)

will be received with confidence by all who know him.

Read Mayor Brenton's Frank Letter.

I have used Dr. W. B. Caldwell's Syrup Pepsin and consider it among the most valuable remedies on the market to-day. Luckily, I have been in very good health all my life and it is only very rarely that I ever take any kind of medicine. Occasionally it becomes necessary for any man to take some kind of a laxative and stomach remedy and Dr. Caldwell's Syrup Pepsin is the best I have ever used.

I like to have a bottle of Syrup Pepsin handy at the house to take after I have been attending a banquet. I just take about a spoonful of the remedy and then I lie down to peaceful slumber, confident that I will feel all right in the morning.

If I had been seriously ill and cured, my testimonial might do you more good, but I can say that it helps me along in the small way I need help occasionally; and if I had worse troubles I have faith enough in the remedy that I would try it for them. Very respectfully,

J. M. BRENTON, Mayor of Des Moines, Ia.

Dr. Caldwell's Syrup Pepsin is a family remedy for Constipation, Indigestion, Sick Headache and Stomach Troubles.
