J. H. HELLER, MANAGER.

The president states that congress will be called into extra session October 16. This is the first official information to come from the White House, and means that the chief executive has not abandoned hope for legislation along the lines urged during the last session.

The glowing commendation of the present city administration at Indianapolis at the hands of the Indianapolis News, would indicate that Mayor Holtzman will have a warm defender and supporter in his ambitions to again be mayor of Indianapolis. He deserves it.

The resignation of the present members of the Panama commission was demanded by the president through Secretary Taft, and indications point to a good riddance. It is now the hope of the administration to accomplish something toward the completion of this gigantic enterprise.

WHAT IS CATARRH?

HYOMEI CURES THIS COMMON AND EAS- AGREEABLE DISEASE.

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of the catarrhal poison, heals and soothes the irritated mucous membrane, enters the blood with the oxygen and kills the germs present there, effectually driving this disease from the system.

If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the nose, throat, bronchial tubes or tissues of the lungs.

Offensive breath, dryness of the nose, discharge from the nose, pain across the eyes, pain in back of head, pain in front of the head, tendency to take cold, burning pain in the throat, hawking to clear the throat, pain in the chest, a cough, stilled in side, swelling of flesh, variable appetite, low spirits at time of raising of frothy mucus, expectoration yellow matter, difficulty in breathing, frequent sneezing.

Hyomei will cure the disease, destroy activity of any germ life in the respiratory organs, enrich and purify the blood with additional ozone, and after a few days' use of this treatment the majority of these symptoms will have disappeared. In a few weeks the cure will be complete.

Catarrh or catarrhal colds cannot exist when Hyomei is used. This is a strong statement, but The Holt-house Drug Co. emphasize it by agreeing to refund your money if Hyomei does not cure.

Anniversary Sermon

The Ben Hur anniversary sermon will be delivered by Rev. J. C. White, April 2, 10:30 a.m. The members of Decatur Court are requested to meet at Ben Hur hall Sunday April 2nd at 10 o'clock to go in a body to the M. E.
