J. H. HELLER, Manager.

As a companion piece for his freak primary election bill, Senator Roemier of Indianapolis has invented a registration bill which seems to have even greater dime museum possibilities. It probably will occur to somebody some time that a simple, understandable and common-sense primary election law, without traps or pitfalls in it, is the only kind that will win public favor. Senator Roemier may have labored hard at his job, but then so did the mountain.

Vice President Fairbanks' Indianapolis organs, the News and Star, hope to see the country turn to Fairbanks as a proved "conservative." If having no ideas or opinions on any public question makes a man a "conservative," then Fairbanks is one. He is the biggest moral coward that ever made himself conspicuous by the free use of mysteriously acquired money. If that is another element of conservatism, then Fairbanks has it.

MUSIC NIGHTS AT THE RINK

The Attendance Grows and Pleasure Increases.

The nights for music this week at the Princess roller skating rink are Tuesday, Friday and Saturday. One of the largest crowds of the season was present Saturday evening and as usual it was an orderly crowd who enjoyed the pleasures exceedingly. The afternoon attendance, while not large, is the right kind for those who wish to practice. The married ladies are now enjoying the sport and several future parties are being planned. Remember, music on Tuesday, Friday and Saturday.

SOCIETY EVENTS

Miss Frisinger a Delightful Hostess

A SATURDAY EVENING PARTY

Enjoyed by Crowd of Young People—

Historical Club Will Meet With

Mrs. Miller.

BY PEARL BURDG.

The gathering of the young people at the home of Miss Fanny Frisinger, Saturday evening, in compliment to her guest, Miss Naomi Gregg of Kokomo, was enjoyed by all who were present. Miss Frisinger had prepared a guessing contest for the evening, and Miss Winifred Johnson succeeded in capturing the first prize. The other amusements of the evening were music and dancing, after which an elegant luncheon was served by Mrs. Frisinger. The guests were the Misses Pansy Bell, Lucile Hale, Winifred Johnson, Marie Beery, Edna Hoffman, Naomi Gregg, Alma Dailey and the Messrs. Dick Erwin, Jesse Helm, Dyke Frisinger, Milo McKenney, Arthur Beery, Rolio Ellis and Ervin Case.

The members of the Historical Club will be entertained at the home of Mrs. L. C. Miller on Line street, Tuesday evening. Mrs. Robert Blackburn has the important paper for the evening's work.

A delightful dinner party was given by Dr. and Mrs. Raffier at their home on South Tenth street Sunday. The guests were Z. O. Lewellen and wife of Monroe, Wm. Sherer and wife of Monroe, E. B. Macey and wife and J. J. Mayer and wife of this city. A most enjoyable time was had by all.

All Lady Maccabees are requested to meet at the hall this evening at 7 o'clock. Business of importance will come before the Hive. Let every member be present. By order of command.

The Palace and Postoffice teams will roll this evening in their regular scheduled game in the city bowling league.

TO ENJOY A GOOD DINNER
How to Avoid Distress and Indigestion After Eating.

Let us tell you how you can enjoy a good dinner, so that the heartiest meal will set well on your stomach and cause no unpleasant and disagreeable after effects.

We will show you how to regain the appetite of your childhood and the enjoyment of food, so that it will taste as well as when mother cooked the dinner.

There is no hard work necessary to do this; no need of a rigid and self-denying diet list; no call for nasty and disagreeable medicines. Simply take a Mi-o-na stomach tablet before each meal and before going to bed, and it will so strengthen the stomach that before long a hearty meal will give you gratification and comfort, without the least fear of distress and suffering.

The strongest proof we can offer of our faith in this advice is the fact that The Holthouse Drug Co. give an absolute, unqualified guarantee (applying to two 50c boxes of Mi-o-na) that your money will be refunded unless Mi-o-na cures. A guarantee like this gives you confidence in Mi-o-na. They take the whole risk, and the remedy will not cost you a penny unless it cures.

Mi-o-na is not a mere digestive, giving only temporary relief, but a specific for all diseases of the stomach, strengthening the digestive organs and making a permanent cure.

NOTICE TO PROPERTY OWNERS.

Notice is hereby given to property owners whose lots and parcels of land abut on the McLaughlin sewer, in the City of Decatur, Indiana, that said sewer has been constructed and that the city civil engineer has filed his final estimate and report with the Common Council of said city and that the Common Council of said city has caused an assessment roll of the costs and expenses of said improvement, together with the names and the description of the property and the amount of such assessments to be filed in the office of the City Clerk of said city and that the Common Council will on the

15th day of January, 1907, at seven o'clock p. m., at the council room, hear any and all remonstrances against the amounts against their respective property on said assessment roll and will determine the question as to whether such lots or parcels of land have been or will be benefited by said improvement in the amounts named on said roll, or in a greater or less sum than named thereon, or in any sum.

WITNESS, my hand and the seal of said city this 3rd day of January, 1907.

CARL O. FRANCE, City Clerk.

their farms and if the Interurban subsidy is of any benefit to the business men of Decatur, they would only be partially paying a debt of gratitude they owe by voting for it.

I am neither interested in farming nor in business at present, but have been engaged in both and believe that I can look at this question from a non-partisan view, so to speak, and will say that it is the duty of every man to consider his neighbors' interests as well as his own, and whenever a man has an opportunity to return a favor for one he has already received, it is duty to do so, and we thereby help to build up each other's interests and make us both strong.

Mr. Meyers tries to scare the people by presuming that they will be called upon to vote subsidies to a number of other roads which may be built in the future, but it is not likely that any other road will come to us in the same shape that this one has, as they have invested a fortune here which they wish to retain as an improvement to Decatur and they have become permanent residents of the city, which is a condition that no other road is likely to present, and if they do it will be time to get frightened at it when it comes.

L. C. MILLER.

Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

Dr. Shoop's Restorative
