Call at the SENTINEL office for your horse and jack bills. New and stylish plates just received.

"Standard goods, small profits and quick sales" is Ralph Fendig's motto. Call and examine his stock and prices before going elsewhere.

The nicest line of boys' and youth's suits ever brought to Rensselaer, at prices within the reach of all at the Narrow Gauge One Price Clothing Store.

At the radical township convention on Wednesday, Simon P. Thompson received one vote for Justice of the Peace; and S. P. & D. J. Thompson received one and two votes for trustee.

The Narrow Gauge One Price Clothing Store is the headquarters for elegant styles of Ready-made Clothing, Hats and Gents' Furnishing Goods.

Ralph Fendig has just received a large and select stock of Ready-made Clothing which he offers at a very small advance on first cost.

"The Old 13" will perform at Remington, Saturday evening of next week, the proceeds to be devoted to beautifying the cemetery at that place.

Surveying of the Monticello division of the line of the I. D. & C. R. R. began this week. Will Garritt charged of the force. Frank Robinson will attend to the duties of Freight Agent at this point.

J. W. Duvall and Ralph Fendig returned last evening from a trip into Illinois. Having accomplished what they went for, we suppose they are perfectly satisfied.

Billy Wilson, of LaFayette, W. Z. Wiley, H. S. Travis, and Wm. Straight, of Fowler, Peter Ward, of Kentland, Col. Healy, and Frank Jouvenot, of Goodland, all attorneys of their respective localities, were in attendance at court this week here.

The circuit court on Tuesday refused to grant a liquor license to Albert F. Wilcox in the appeal case, and as a penalty for making said application he was afterwards fined \$10 and costs for selling liquor to a man while in a state of intoxication.

In the State vs. Sumner a change of venue from Benton county, for failing to give in all his property for taxation for the years '76 and '77, the jury returned a verdict in favor of plaintiff and assessed a fine of \$175.

After considerable drumming up during the forenoon, by anxious aspirants for nomination a number of persons met at Starr's Hall on Wednesday afternoon with a view to place in nomination a radical ticket for Marion township.

Quite a large number of citizens were desirous of placing Willis J. Imes in nomination for the office of township trustee, but Mr. I. fearing that the duties might encroach too much upon his business requirements, positively but respectfully declined.

Col. Billy Wilson, of LaFayette, made the closing argument Monday night for Wilcox, applicant to sell liquors in Remington. On Tuesday morning the opening of the sealed verdict of the jury disclosed the fact that the jury had sustained the Commissioners in the refusal to comply with the application.

Uncle Tom Robinson was the grizzled hero that bell-towered for the radical township convention. He bell-towered at the top of his voice that a republican convention was being held up-states, and insisted upon every one to take part in it. He don't yet, however, bell-tower for the repeal of the resumption act.

During the forenoon of Wednesday the faithful were busily engaged in button-holing and drumming up all they could to attend the convention in the afternoon and vote for the nomination of their favorites. This, and nothing more. Starr's Hall notwithstanding had many, many empty chairs. Our neighbor was of the number, but he looked like one on probation.

The "proprietary claims of "Our Simon" was recognized, and he was selected as chairman. The business then, until the close of the convention, was conducted in accordance with orders from the Chair. The following constitute the nominations: For Township Trustee—Wm. E. Coen.

Assessor—R. H. Purcupple. Justices of the Peace—John Vant Woud, and David James. Constables—Wm. Warren, Erastus Peacock and Charles Harding.

Just before adjournment, "Our Simon," chairman, dictated the poppycock resolution that the ticket nominated be elected. Adopted unanimously. If it should fall at the polls they would be deservedly "April-fooled!" So mote it be.

School Report. Emilie L. Switzer, teacher of the Burns School, Barkley township, reports for the month ending March 13, an enrollment of 28 pupils. Daily average, 23. Those perfect in attendance during the month were as follows: Lura Burns, Nanny Call, Luviea Call, Mary B. Jenkins, Minerva Pierce, Missa Barkley, Wilber Florence, John McCurtain, Eddie McCurtain, George Call, John Thomas.

Also an enrollment (for the whole term—80 days) of 32 pupils, with an average attendance of 25 1-4. Laura Burns, Luviea Call, and Wilber Florence were perfect in attendance 80 days, and are entitled to a prize for punctuality.

Building Lots For Sale. The undersigned will sell choice lots in the grove west of the railroad depot, platted to suit purchasers, at low prices and on liberal terms. Before you purchase call and see us.

Why Not? LaFayette Dispatch.—The Independent threaten to prosecute the democracy for grand larceny, alleging that the Indianapolis platform is just what they were going to adopt at their convention. Come, then, friends, let us reason together. There is no difference in our aims, why should there be in our acts? The platform is good, strong and wide. Why not all stand upon it and win?

Jasper County Normal Institute. Teachers and other interested parties are notified that a Normal Institute will be opened in the Rensselaer public school building, July 29, 1878, and closing with the annual county institute, August 30, under the management and management of Prof. G. W. Allen, principal of the Rensselaer schools, A. Beery, a graduate of the Central Indiana Normal School and County Superintendent J. H. Snoddy. Assurance has already been received of an attendance of over a hundred pupils, and it is confidently expected that this will be more than realized. Other competent instructors will be secured if needed.

Instruction will be given in all the common school branches—zoology, mental philosophy applied to educational methods, and the theory and practice of teaching.

Arrangements will be made for board at reasonable rates, and facilities for those desiring to board themselves, at a greatly reduced outlay, will also be presented.

Large sums of money are annually paid by the citizens of Jasper county for the education of her teachers and pupils in other localities, where the facilities are no better than those of the Jasper county Normal. Let this money be kept at home, and let this effort tending toward the establishment of a permanent institution for the education of our teachers and the culture of our youth, be properly sustained by all parties truly interested in the educational progress of our county.
