The old settlers' annual meeting for 1878, will be held at the old Indian village, four miles northwest of Rensselaer, on the 1st Saturday of September, next.

Unavoidable absence on business has prevented us giving attention to the SENTINEL this week. Several articles have been received that will appear at another time.

"Mike" Halloran is in search of a Dutchman to translate the Holander chirography inscribed on the walls of the "closet" in the rear of the "Austin" House. Mike seems to think they should properly appear in the columns of the Union.

The radical corruption fund is being put to use. It is said that a portion of it has been allotted to the Union, hence the increase of its circulation, over which it so suddenly and lustily crows.

No USE.—A number of those to whom he Union is gratuitously sent are commenting upon it. One said in our hearing a few days ago, that when he wanted it, he could pay for it. A radical to whom it was sent remarked that he had always cast a republican vote, but if the Union was sent much longer he'd be sure to vote the democratic or national ticket, that collectively the consul was anything that paid.

Gen. Harrison accuses the democratic party of inconsistency on the financial question. The general perhaps fails to remember that the republican party, which now favors contraction and resumption, was yelling for inflation but four years ago, and will be seen from the following plank in the state republican platform of 1874.

Resolved: That we are in favor of such legislation on questions of finance as shall make national banking free, and shall furnish the country with such an additional amount of currency as will be necessary to meet the wants of the agricultural, industrial and commercial interests of the country, to be distributed between the sections according to population, and such as is consistent with the credit and honor of the nation, and will avoid the possibility of permitting capitalists and combinations of capital from controlling the currency of the country.

A fine lot of ladies' Misses' and children's trimmed hats, all new, and bought of the well known house of Gage Bros., Chicago. The prices can not be beat. Call at Leopold's.

Liver Is King

The Liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the Liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unhealthy condition of the Liver and Stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.

We publish the announcements in our advertising columns for pay, and seldom trouble ourselves to enquire as to the qualities or merits of the wares advertised, further than to assure ourselves that they are legitimate and respectable. But when an article performs miracles in our midst, transforming the old to young, in appearance at least, we cannot pass it by unnoticed. We know of people who, years ago, were gray-headed and who now wear dark and glossy hair. How is this? It is evidently not colored for it has a perfectly natural appearance instead of the harsh, dry, staring look of hair stained with nitrate of silver or other common hair dyes. No! It has been restored to its youthful color, lustre and vitality by the use of that wonder of wonders, Hall's Vegetable Sillian Hair Renewer. It has many imitators, but there is nothing like it. The test of years only increases its fame, while its imitators die and are forgotten.—Boston Daily Globe.

Don't fail to go to C. C. Starr's new store for anything you want in the Grocery or Queensware line, and examine his goods and prices before making your purchases. Starr's goods and low prices, for cash, is his motto.

For browned coffee, plug Tobacco, canned Fruits, Apricots, green Gages, Peaches, canned Salmon, fine cut Tobacco 50c. per lb., Cigars, Queensware and Glassware, silver-plated Knives, Forks and Spoons, table and pocket Cutlery, Japan, Young Hyson, Oolong, Imperial and Gunpowder Teas, Malabar's Prepared Cocoa, etc., etc., go to Charles Starr's. He keeps them in greater quantity and variety and at lower figures than elsewhere.

Remarkable Result.

It makes no difference how many Physicians, or how much medicine you have tried, it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Disease. Its true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Scurvy, old settled on the Breast, Pneumonia, Whooping Cough, &c., who have no personal knowledge of Boschee's German Syrup. To such we would say that 50,000 doses were sold last year without one complaint. Consumptive try just one bottle. Regular size 75 cents. Sold by all Druggists in America.
