The republican members of the Maine Legislature recently assisted in the election of a Democratic Governor for that State.

On Tuesday last Mr. Voorhees made a powerful speech in the United States Senate in advocacy of the dollar as legal tender for all debts.

The Legislature of Indiana organized at Indianapolis, yesterday. Our old friend, D. D. Dale, Esq., of Monticello, we are gratified to note, was elected Secretary of the Senate.

"Plan" Buchanan was recently given to understand that he is simply a member of the National Party, and not controller thereof. He mourned in consequence.

We shall make more room for reading matter next week. The labor and time required on the Bar Docket and Delinquent List must be our excuse for to-day.

On Friday evening of last week Mr. Alma Burns, of Barkley township, this county, received a kick from a horse he was leading to water, and death resulted soon after.

Albert Bissenden, employed by F. L. Cotton in shelling corn, had his right hand drawn into the machine and so badly mangled as to render amputation necessary. Dr. Loughridge performed the operation.

The Wabash Circuit Court, it is said, has made a decision which renders null and void the law providing for the punishment of bigamy. The decision is to the effect that the second was no marriage at all, and that the defendant could not be convicted of the crime of having two wives.
