

FRIDAY JANUARY 31, 1879.

The "beautiful snow" has wilted.

Achey and Merrick were executed at Indianapolis, Wednesday.

Al. Catt is the proud father of a 13 pound boy, and is proportionately happy.

Judge Hammond returned from Indianapolis Wednesday, and Sheriff Robinson on Thursday evening.

Those of our readers who trade at the Pilot Grove store are in luck.—Good coffee, 7 lbs. for \$1.

Don't forget that wood—those who have promised it in payment of subscriptions.

John Hufty, of Pilot Grove, last week shipped two double-decks of hogs over the narrow gauge from this point.

Why will men smoke poor cigars when they can get the best at Catt & Smoot's? Call for the Bull Head Cigar.

Leopold has just received from the cities an extensive stock of new goods, which he is offering at lower rates than heretofore.

Hon. R. S. Dwiggins will lecture at the Christian Church on next Sunday evening, February 2d, 1879. Subject: "Why is there so much infidelity in the world?"

John Bull, of Barkley township, while on his way to spelling school, at Cozy Palace, last Friday night, had a leg-broken by his horse falling with him.

The Knights of Pythias have decided to have a grand Masquerade Ball at this place on the night of Friday, February 21, 1879. Proper committees have been appointed, and everything will be conducted in first class style.

Rev. Gilbert Small is expected to preach in the Presbyterian Church, at this place, Saturday afternoon, February 8th, also Sunday following, when communion services will be held. A cordial invitation is extended to the public.

Our old friend, John Hufty, Esq., merchant and U. M. at Pilot Grove, made us a short call yesterday. He is doing a good business, and is therefore happy. John is the first Democratic Justice of the Peace elected in his township for many years, and he wears his honors gracefully.

The Indianapolis Sentinel of last Saturday evidences the fact that the State organ very indifferently smotherers tamperers with sougrapes. Mr. Hoover's Democracy, honesty and business qualifications will compare favorably with the same characteristics in Mr. Shoemaker; and he has at least equally as strong claims upon the favor and support of the Democracy. In this and adjoining counties, where Mr. H. is well known, the uncalculated and unjustifiable strictures of the Sentinel upon him has made it no friends. The following from the Rensselaer Union, written by Mr. Hufty's appointee to Turkey Island, will serve to show the Sentinel's views of the opposition toward the gentleman in question:

"Parson Director—Fred Hoover, of Remington, formerly commissioner of Jasper county, and by far the shrewdest democrat in it, is announced as a candidate for director of the northern prison. If elected he will surely make every possible thing in the position turn to partisan advantage. The democracy can do themselves no better service than to appoint him."

General freight agent D. B. Nowels informs us that since the weather has grown milder business over the I. D. & C. in both freight and passenger departments, is assuming more than its wonted activity; three to six car loads come leaving Rensselaer daily.

Conductor Jones has obtained leave of absence, and accompanied by his family started Thursday, 30th inst., on a visit to the Buckeye State to spend a few weeks with relatives and friends. Assistant Superintendent Millikan will act as conductor pro tem during his absence.

The Narrow Gauge has milled a grist for nearly every farmer within five miles of Rensselaer during the last month. All one had to do was to deliver the grain at the depot on one day, and the next call for and take home the flour. Handy as a pocket in a—! Isn't it?

J. B. Millikan, the efficient baggage man and express messenger of the I. D. & C. has been confined to the house for the past few days owing to a severe cold. He is now sufficiently recovered to resume his duties.

Mr. Geo. W. Markley, bridge sup't of the I. D. & C., having completed the Tippecanoe River bridge, will in a few days commence work on the bridge across the Wabash, at Delphi.

The "beautiful snow" having disappeared who will now sing to us of the "beautiful May?"

T. H. Hiner, gentlemanly and popular agent of the I. D. & C. R.R., spent the Sabbath with his family at Monticello.

Monticello, Ind., Jan. 1879.

JOHN E. ALTER, Teacher.  
THOMAS J. MCCOY  
Returned to Rensselaer last Saturday evening, accompanied by his fair young bride, to whom he had been married, at Lafayette, Wednesday evening of last week. The following notices of the affair are from the city papers:

On the 22d inst., at the home of Major William Taylor, in Chauncey, Miss Hattie A. Taylor and Thomas J. McCoy, of Rensselaer, were made man and wife, Rev. Mackenzie officiating. A number of the intimate friends of the happy couple were present, and the congratulations and good wishes were warm and many. In these all friends and acquaintances join. Mr. and Mrs. McCoy left for a short visit to Chicago, and from thence will proceed to their future home in Rensselaer. May their coming life be as happy as their past. Lafayette Courier.  
Married, at the residence of the bride's father, Major William Taylor, Thomas J. McCoy, of Rensselaer, Jasper county, to Miss Hattie A. Taylor, Rev. Mackenzie officiating. The relations and intimate friends of the couple were all that were expected. The new firm left for their home via Chicago. Mr. McCoy, like a prudent man, has fitted up an excellent home; but we pretend to say that, however good, it is none too good for the little lady that is soon to be his mistress. The Journal extends its congratulations and wishes Mr. and Mrs. McCoy all the happiness that they can have. Lafayette Journal.  
The best wishes of the entire community go out to them.

DIED.—On Thursday evening, Jan. 24th, of malignant diphtheria and membranous croup, Charles B. Price, aged 4 years and 4 months. Grace was a charming little daughter in life, and beautiful even in death. The bereaved parents have the sympathy of their many friends in this sad affliction. The obsequies held in the M. E. Church on Saturday, at 2 p. m. were largely attended.

To us a bid from heaven was sent,  
We thought to us 'twas given;  
But oh, 'twas only lent,  
Now it blooms above in heaven.  
We loved thee daughter, sister dear,  
To us on earth so near;  
But Jesus loved thee more than we,  
And took thee home in heaven to be.  
W. G. VESSELS.

A Gentle Hint.  
In our style of climate, with its sudden changes of temperature,—rain, wind and sunshine often intermingled in a single day,—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause.

A bottle of Boschoe's German Syrup, sent out your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses.—For curing Consumption, Hemorrhages, Pneumonia, Sore Throat, Croup or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. German Syrup is now sold in every town and village on this continent. Sample bottles for trial, 10c. regular size, 75c.

Probably no one preparation has received so much praise from its patrons, nor is deserving of commendation as Hall's Hair Renewer! We but echo the voice of the millions who have used it when we pronounce it the BEST HAIR DRESSING IN THE WORLD. It stands unrivalled. Those who are affected with diseases of the scalp accompanied with itching or irritation, find relief and renewal in this invaluable remedy. When the hair is inclined to fall off, a moderate use of the Renewer will strengthen the roots of the hair, and preserve it, and it exhibits a tendency to turn gray it will restore the natural color.—Fulton (Mo.) Telegraph.
