The walls of Alfred Thompson's fine residence are up, and the timbers in position to commence roofing.

About 800 citizens of Jasper county united in the opening ceremonies yesterday, at Delphi. Everything passed off pleasantly.

Clint Stackhouse says he will give one peck of his fine Clawson Wheat for every two new subscribers to the Sentinel.

We acknowledge receipt of complimentary from Agricultural Associations of Newton, Fulton and Cass counties during the week. Thanks.

A six-year-old son of Nathaniel Dunn, of Jordan township, on Monday last, while playing with other children had one of his hands severely cut with an ax.

Willis J. Imes has just received a full stock of School Books, Stationery, Fancy Goods, Paints, Oils, Dye Stuffs, Wall Paper, Drugs, Medicines, etc., etc. Give him a call.

O. B. McIntire, Banker and Real Estate Agent, Remington, has several choice and desirable town and country properties to dispose of on reasonable terms. He offers great bargains.

On Monday morning last a tremendous hail storm passed over a portion of Union township, damaging corn, cabbage, and other farm and garden products to a considerable extent.

On and after to-day, trains will leave Rennselaer at 6:00 A. M., and 12:20 P. M. Returning, arrive at Rennselaer, 11:55 A. M., and 8:15 P. M. We will publish new time card next week.

Now bestir yourselves! Prepare your speed horses for the track—Put your draught horses, thoroughbred cattle, sheep, etc., etc., in the best possible trim, and have them on hand at the Fair.

Dr. A. H. Wirt, dentist, is in town, and will remain a short time. He will be happy to meet all desiring his professional services, at the law office of D. B. Miller, Esq., over the Narrow Gauge Clothing House.

Ezra L. Clark is established in the new building with an extensive and entirely new stock of hardware, of all kinds, tinware, table and pocket cutlery, etc., etc., to which he respectfully invites the attention of the public.

Joe Parkison, Esq., of Pleasant Ridge, has erected a commodious warehouse at that station which will prove very advantageous to the farmers in that neighborhood. Already over 3000 bushels of wheat has been received there.

Many customers seek to purchase goods far below their value, and are not content unless they do. Many such are no judges of quality and price.

The new stock of goods at Ludd Hopkins' invites your inspection.—Price to quality below competition prices. It has been truly said that "Goods well bought are half sold."

On account of the continued ill health of my family I propose to leave Rennselaer. For the next thirty days I will sell watches and jewelry at a sacrifice. Fifteen-dollar watches for \$12.50! All persons who have watches left for repairing will please call and get them. If those who have purchased goods of me, and are not satisfied, will also call, I will render satisfaction according to guarantee.

W. S. ORWIN.

Near Pittsburg, last Saturday, while backing the train round a curve the rear car jumped the track at the trestle bridge and fell over, causing a fractured arm to conductor Jones, and a sprained ankle to general agent Smith. Newt. Imes jumped from the north side of the car, and we believe, escaped unhurt. By the prompt action of engineer Pettit, in reversing lever but the one car was thrown off.

We placed our proposition for printing the premium list of Jasper county Agricultural and Mechanical Association in proper hands nearly two weeks since. The consul, a member of the printing committee, has not the facilities, himself for doing the work, but a favorite Lafayette firm has. We understand a proposal from the city house has been in his possession for some time. If so, why does he withhold it? It is high time the work was under way.

Let fair hands go to work and produce articles useful and beautiful, and place them on exhibition at the Fair. And our artisans and mechanics, too, go to work and have on hand specimens of your handiwork.

Monticello Herald: We have received a catalogue of the Rennselaer schools for 1879-80. It is a neat pamphlet of 48 pages, printed by Jas. W. McEwen.

Monticello National: We are just in receipt of a catalogue of the Rennselaer public schools. It was nicely printed and contains many pages of advertising. It was gotten up by J. W. McEwen, of the Sentinel office, and would be a credit to any printer. It contains 51 pages, and was paid for out of funds arising from advertising in the pamphlet. Do the trustees of the Monticello schools pay for their catalogues out of their own pockets or out of the school funds? If the latter, there is no law for it, and we can't see where the economy comes in at. Will our trustees please make a note of this fact?

Rennselaer Standard: We have been shown the catalogue of the Rennselaer public schools for the years 1879-80. It was printed by Bro. McEwen, of the Democratic Sentinel, and we pronounce the job first class.

Thanks, gentlemen, to each and all of you.

Rennselaer Union.

And you bet! Clint Stackhouse will be on hand with his "Jersey Reds," and the finest specimens of wheat grown, and will delight the people at the Fair, with his glowing descriptions of the good qualities of his hogs and grain, and he will not stretch the truth either. Clint deserves great credit for his efforts and expense to introduce fine and profitable stock and grain in this section.
