Newspaper Decisions.

1. Subscribers who do not give express notice to the contrary are considered wishing to continue their subscription.
2. If subscribers order the discontinuance of their periodicals the publishers may continue to send them until all arrears are paid.
3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed they are held responsible until they have settled their bills and ordered them discontinued.
4. If subscribers move to other places without informing the publishers, and the papers are sent to the former direction, they are held responsible.
5. The courts have decided that "reading to take periodicals from the office or removing and carrying them away for use, is prima facie evidence of intentional fraud."
6. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law to be a subscriber.
7. If subscribers pay in advance they are bound to give notice to the publisher at the end of the term, if they do not wish to continue taking it; otherwise the publisher is authorized to send it, and the subscribers will be responsible until express notice, with payment of all arrears is sent to the publisher.

in company with Ben. Harrison and a
lot of other hoosiers, made a pilgrimage
to Monticello during the week. They put
in claims for a cabinet appointment
for hoosierdom, but could not agree
on the man. Frank says the sage of
Mentor bears a striking resemblance
to our Democratic friend, John G.
Culp, of Barkley township. We claim
our John, however, to be the best
man. He is a Democrat--was never
stuck with Credit Mobiler and DeGolv-

LIFE INSURANCE.

The Royal Protective Union, of Ft.
Wayne, is the cheapest and most prac-
ticable Life and Accident Insurance Com-
pany that now extends its benefits to the
people of this district. This Association
is purely mutual and is the oldest form
of protection in America. It furnishes
Life Policies for one-fourth the amount
charged by the old system of insuring.
The Plan is similar to that of the Masonic
Mutual Aid Societies that have gained
the confidence of the public at large. We
insure all persons between the ages of 15
and 65 that can pass the examination. It
costs \$12 to become a member of this
association in the district. The death
assessment is \$1 for each member that
dies. Also an assessment of \$3 per year
is made for sick and accident fund. Each
member receives \$5 per week when sick
or disabled by accident. The amount of
policy runs from \$1,000 to \$4,000 accord-
ing to age, payable at death, or at a cer-
tain number of years--from 10 to 25 years.
Full particulars will be sent upon applica-
tion. Local agents wanted in every
town in the district. Emmet Kammal,
Rensselaer, agent for Jasper County.
