JAY HUBBELL'S ASSESSMENTS.  
How the Money is Used--More Assessments to Be Made Before Election.

This is the way department clerks talk. "My salary," said one, "is \$1,600. My assessments thus far amount to \$130 on the \$1,600. I am expected to go home to vote, which will cost about \$50. Further assessments may come. I have not yet got over the drain of the Presidential election of 1880. What I am to do I don't see, unless I resign. But I am better off than many others, especially the new appointees, who have salaries, are in debt, and who are already hounded by Jay Hubbell's minions."

A FASHION item says the belle of the period now wears at her waist-belt a little music-box, faintly playing a single tune. The average American girl can put on enough airs without attaching a music-box to her waist--Norris-Town Herald.

VELVET flowers on roppel silk will be the most elegant brocades of the autumn and winter goods.

THE HORRIFIED PLOT OF GREAT MORAL IDEAS.  
Some part of Arabi Hubbell's campaign funds will be expended on a map of South
