house on the second Saturday in December. Mr. Shaffer acting as chairman.

Mr. C. J. Steckton, Southport, Me., lion Co., says Brown's Iron Bitters is the best remedy for dyspepsia and general debility.

Kentland Gazette: By Mr. Jay W. Williams retiring from business in this place, we lose one of the best business men Kentland ever had. During the 14 years he has been in business here, he has by his energy and enterprise, built up a business that is in every way an advantage to Kentland. We regret very much to lose him from our business circle, and we wish him success in what ever he may undertake. Mr. Williams and his family will move to Rensselaer early in the spring.

HON. GEORGE MAJOR.

We have heard it suggested that the name of Hon. George Major would probably be presented to the Legislature for the office of Director of the State Prison North. The rule of the Senate in such matters is silence, but we do not hesitate. If Mr. Major will accept the place, to make this case an exception.

Mr. Major is a man thoroughly qualified for the position, and enjoys to a degree rarely secured the confidence of his fellow citizens.

As a member of the Senate, to which position he was twice elected in a District containing over 1,200 Republican majority Senator Major endeavored himself to the Democratic party by a course in which independence, patriotism and steadfastness of purpose were equally conspicuous.

It is only historic truth to say that but for Mr. Major's services in being twice elected from his large, Republican District, and the loyal steadfastness with which during all these eight years he wisely counseled and vigorously aided in procuring Democratic success, very important attainments in the interest of the Democratic party, which are also history, never could have been accomplished.

We trust and believe that should it transpire that this worthy gentleman should win the place, Democratic Legislature will cheerfully do the correct and handsome thing by unanimously selecting him as one of the three Direct of the Prison North.—Indianapolis Sentinel.

Kingman (Kansas) Citizen: Oge Yeo, m. n. i. ce resembles the new moon since the Democrats had a chance to doff their mourning goods, and it does us good to see them happy once more.

James Nickell started for the Territory last week for a three week's hunt, accompanied by Mr. McCoy, of Indiana. We expect to go over and help them eat 'bar' on their return.

EIGHTY FIVE DOLLARS LOST.

"You do not tell me that your husband is up and entirely cured by so simple a medicine as Parker's Ginger Tonic?" "Yes, indeed, I do," said Mrs. Benjamin to her neighbor, "and after we had lost eighty five dollars in doctor's bills and prescription. Now my husband feels as well as ever."

Parker's Hair Balsam.

Get the best hair Balsam in the world. It is the only one that will restore the hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

The freest government can not long exist where the tendency of the laws is to create a rapid accumulation of the property in the hands of a few, and to render the masses of the people poor and dependent.—Daniel Webster.
