A Good Foundation.
In American households the prevailing complaint is of weakness of the stomach and its consequences. Indigestion, nervousness and rheumatism. Such sufferers can lay a good foundation for health by using Parker's Ginger Tonic as it tones up the stomach and nerves, and keeps the kidneys active to carry off the foul matter. - N. O. Piquette.

We have made some effort to learn who first discovered the fire last Saturday morning, but thus far have met with partial success.
