

Joe. Peckley, Remington's Farming Implement dealer, is in Rensselaer to-day.

Quite a number of persons imbibed too freely Monday night, and singular to relate, we are informed, the only Democrat in the crowd was arrested, costed and fined.

DIED.—At the residence of his father, in Rensselaer, Wednesday morning last, after a protracted illness, JOHN H. BLANKENBACH, aged 24 years.

THROUGH TICKETS.—C. F. Wren, the station agent at this place, is now prepared to sell through tickets to almost any place a rational being would desire to go—North, South, East or West. If you think of traveling call on him and learn what he can do for you.

M. F. Chilcote, Secretary of the School Board, has completed his enumeration of the school children between the ages of six and twenty-one, who are entitled to the privilege of attending our school, with the following result:

Males	286
Females	238
Total	524

A gain of 55 over last year.

The Women's Board of Foreign Mission Society, of the M. E. church, organized a branch at this place, last Saturday afternoon, at the residence of R. V. J. Claypool. The following officers were elected:

President—Mrs. J. Claypool.
Vice President—Mrs. M. B. Alter.
Recording Secretary—Mrs. T. L. Jones.
Corresponding Secretary—Mrs. Joseph Clark.
Treasurer—Miss Maudie Osborn.

To-day, the board of Indianapolis, contractor for the new school building, made another "run" and swooped down upon our growing town with nine brick masons, all white, thirteen "mixed" mud-mixers and mud-carriers, and a large number of carpenters. Consequently, work on the new building is now progressing rapidly. The school building fronts on Susan street, is 65 feet 10 inches front by 75 feet 10 inches deep, and will be two stories high. It will contain eight school rooms, and when completed will be an ornament to our town, and one of which our citizens will be proud. Messrs. E. L. Clark, R. S. Dwigins and M. F. Chilcote, Trustees, have in our opinion acted wisely in the selection of ground, the plan of building, and there is no reason why we should not have a good school edifice.

THE HEIGHT OF FOLLY.

To wait until you are in bed disease you may not get over for months, is the height of folly, when you might be easily cured during the early symptoms by Parker's Ginger Tonic. We have known sickly families made the healthiest, by a timely use of this pure medicine. Observer.

DENTISTRY.

The insertion of artificial teeth has now arrived to a high degree of perfection. Much skill, however, is required on the part of the Dentist to so arrange them that they will harmonize in form, shape, and color with the features of the face. For those wishing a set that the most discerning eye could not detect from the natural teeth we will select from our stock cavity teeth and fill them with gold and guarantee your satisfaction. All work guaranteed. Consultation free. Office over Ives & Meyer's Drug Store.
