Dr. S. W. Ritchey set us a lot of
une potatoes one day last week,
among them one weighing 24 pounds.
Who can beat that?

Stalwart radical editors, with post-
offices at their back, seem to have a
perfect horror of the exposures of
radical methods to overcome the will
of the people at the polls.

We were shown the other day by
Miss Blanche Loughridge, a bunch of
fine black raspberries, second crop,
grown on Dr. Loughridge's farm east
of Rensselaer.

Mr. Charles S. Hattenbach, 201 N.
Pine St., Indianapolis, says: Brown's
Iron Bitters cured him of Dyspepsia
of five years standing.

At Lafayette, last Saturday night
a pair of desperadoes named Jos-
Adams and Geo. Spurrier attempted
to rob Wm Stump and Frank Jewett.
When Stump seized a revolver from
his companion and shot Spurrier
dead. The grand jury found a bill of
"erved him right" and Stump was
discharged. Stump formerly lived in
this vicinity.

The gorge did not seem to greatly
interest the man who has made
fame and fortune out of it's legend.
He has grown tired of the "Rip Van-
Winkle" play, and rather resentful to-
ward it, because he thinks that his
success in it has obscured his versa-
tility.

Joe Jefferson visited the scene of
Rip Van Winkle's reputed exploits in
the Catskills, the other day. The
landlord of the hotel had seen Jeffers-
on act Rip, but he did not recognize
the actor in the close-shaven, vena-
ble old man who came with others to
look at the place. He mistook him
for a minister, as anybody might
easily do, and was agreeably surpris-
ed to see him drink a glass of beer.

ELEVENTH ANNUAL INTER-STATE EX-
POSITION OF CHICAGO 1883, Opened
September 5th and will close Octo-
ber 20th. As usual, all Railroad and
Steamboat Transportation Lines will
put their rates to Chicago and return
on HARB-PAN basis, selling coupon
tickets to the Exposition. On many
of the lines, gentlemen, familiar with
the business, are making arrange-
ments to run general Excursions,
which have heretofore been profit-
able to those managing them, and
cheapened the cost of transportation
to the Excursionists.

As to the Exposition itself, we are
assured that extraordinary efforts
and very large expenses have been
made by the managers to render it in
all important departments the most
instructive and far the most attract-
ive, display, of its class in America.
The local pride of Chicago is fully
enlisted in the work, and it is safe to
say that no visitor will be disappoint-
ed.

The A. S. G. Health Corset can on-

as these are just what you need. Re-

R. P. Benjamin has sold withi-
the past year over 125 Organs.

Why is it that he has such a large
trade when there are so many other
would be Organ dealers in the town?
Simply because he does not ask
you \$100 for an Organ that is only
worth \$75, and \$140 for one that is
only worth \$100.

Examine his goods, and get his
prices, before you buy. Catalogues
sent on application.

Jeweler.

DENTISTRY.

The insertion of artificial teeth has
now arrived to a high degree of per-
fection. Much skill, however, is re-
quired on the part of the Dentist to
so arrange them that they will harm-
onize in form, shape, and color with
the features of the face. For those
wishing a set that the most discern-
ing eye could not detect from the
natural teeth we will select from our
stock cavity teeth and fill them with
gold and guarantee you satisfaction.
All work guaranteed. Consultation
free. Office over Imes & Meyer's
Drug Store.

A STARTLING DISCOVERY.

Physicians are often startled by remark-
able discoveries. The fact that Dr. King's
New Discovery for Consumption and all
Throat and Lung diseases is daily curing
patients that they have given up to die, is
startling them to realize their sense of duty,
and examine into the merits of this
wonderful discovery; resulting in hun-
dreds of our best Physicians using it in
their practice. Trial Bottles free at F. B.
Leaming's Drug Store. Regular size
\$1.00.

Prof. Levino, in addition to his art-
