## TARIFF REFORM.

be injurious to the growth of American manufactures, because it is a class law, arranged on the principle of 'Protect this man because he owns some sheep, and ground which contains ore.' There is always a special plea for protection of a special class for a special purpose. Now history teaches no lesson more plainly than that class legislation cripples trade, because trade seeks myriads of channels, some of which necessarily blocked up by legislation which is made in the interest of individuals. And, though the party newspapers do not seem aware of it, there is a strong feeling of opposition to the present system among the very men who are supposed to be specially benefited by it, I mean the manufacturers and the skilled laborers. They are discovering, and many of them had discovered, that the time for a high protective tariff in America has passed away. It was useful once; it is injurious now. What we now need is not protection but development. The American manufacturer is strong enough to take care of himself; he needs larger markets. But monopolies, like that in the carpet trade, will cling to protection, for if a knot of seven men can virtually monopolize the whole trade of the United States they will care little for foreign markets; but of course the country at large is the sufferer, not only by the advanced price of domestic carpets, but far more by the exclusion of men of moderate means from building new factories for foreign trade, all of which would need men to work in them, and all of which would be bidders for labor, which would raise in price according to the demand for it. Were this not a presidential year the mutterings of dissatisfaction among republican manufacturers would be loud and deep. If they keep in ranks it will be from fear of the Democratic policy on money matters. It depends on who is nominated and on what platform he is nominated, as to whether party ranks can be kept closed. But any how the tariff question will be vigorously discussed."

"Protection is a nutshell means  
A right for certain classes;  
A little law that intervenes  
To help them rob the masses.  
The rich men put their prices high,  
The poor shall be compelled to buy."  
(Frankfort (Ky.) Yeoman)

The iron monopolists of Pennsylvania have reduced the wages of their workmen to sixty cents per day. How "protection does protect" the workmen in the monopoly institutions of the country! "Protection to home industry!" Verily!

### WHAT FOR?

A boy and girl a sleighing went,  
And neither of them cared a cent  
How fast they slid—  
While on they slid—  
What for, and where!

The air was very cold and raw—  
The little boy, he froze his paw.  
Still on they sped  
In their little sled—  
What for, and where?

The little girl, so young and fair,  
Lost nearly all her golden hair,  
They went so fast,  
Their friends they passed—  
What for, and where!

The horse, of course, got badly scared,  
And run, and pitched, and kicked  
And reared,  
On went the pair—  
Now almost there—  
What for, and where?

The boy and girl were tumbled out—  
She sprained her ear he broke his snout—  
Then up they got,  
And off they got—  
What for, and where?

For Levis's little candy store—  
To get some candy—Nothing more—  
They got it, too,  
And so may you—  
What for?

Why from 11 to 40 cents a pound;  
And our nice, sweet macaroons and  
delicious cream candies and chocolate  
goods, owing to a heterogeneous  
assortment of unforeseen  
difficulties, at prices to suit all.

## Failing!

That is what a great  
many people are doing.  
They don't know just what  
is the matter, but they have  
a combination of pains and  
aches, and each month they  
grow worse.

The only sure remedy  
yet found is BROWN'S IRON  
BITTERS, and this by rapid  
and thorough assimilation  
with the blood purifies and  
enriches it, and rich, strong  
blood flowing to every part  
of the system repairs the  
wasted tissues, drives out  
disease and gives health and  
strength.

This is why BROWN'S  
IRON BITTERS will cure  
kidney and liver diseases,  
consumption, rheumatism,  
neuralgia, dyspepsia, mala-  
ria, intermittent fevers, &c.

Mr. Simon Blanchard, a well-  
known citizen of Hayesville, Meade  
county, Kentucky, says: "My wife  
had been sick for a long time, and  
her constitution was all broken  
down and she was unable to work.  
She was advised to use Brown's Iron  
Bitters, and found it to work like a  
charm. We would not now be with-  
out it for any consideration, as we  
consider it the best tonic in the world."

BROWN'S IRON BITTERS  
is not a drink and does not  
contain whiskey. It is the  
only preparation of Iron  
that causes no injurious ef-  
fects. Get the genuine.  
Don't be imposed on with  
imitations.

—OR—  
\$1.00 A YEAR IN CLUBS OF 10.  
Now is the Time to Raise Clubs for the  
Coming Year.

We are determined to get a very large  
list of new subscribers, and in order to  
do so we will receive subscriptions at  
ONE DOLLAR A YEAR, IN CLUBS OF  
TEN!

And, as an inducement to each of our  
subscribers to send a club, we will give  
a gratis copy for every club of 10 at \$1.00  
each. Remember, we will not send a  
single copy for less than \$2.00; and in  
order to get the reduced rate, one must  
send at least ten subscriptions. We can-  
not send a less number for less than \$2.40  
each.

Think of it! 10 copies of THE POST  
one year, with one extra for sending the  
Club, making 11 copies for \$10.

As to THE POST, there are few in this  
country or any other country, who are  
not familiar with it. Established in 1821,  
it is the oldest paper of its kind in Am-  
erica, and for more than half a century  
it has been recognized as the Leading  
Literary and Family Journal in the United  
States. For the coming year we have  
secured the best writers of this country  
and Europe, in Prose and Verse, Fact  
and Fiction.

A record of over sixty years of con-  
tinuous publication proves its worth and  
popularity. THE POST has never missed  
an issue. Its fiction is of the highest or-  
der—the best original Stories, Sketches  
and Narratives of the day. It is perfect-  
ly free from the degrading and polluting  
trash which characterizes many other so-  
called literary and family papers. It  
gives more for the money, and of a bet-  
ter class, than any other publication in  
the world. Each volume contains, in ad-  
dition to its well-edited departments,  
twenty-five first-class Serials, by the  
best living authors, and upwards of five  
hundred Short Stories. Every number  
is replete with useful information and  
Amusement, comprising Tales, Adven-  
tures, Sketches, Biography, Statistics,  
Facts, Recipes, Hints, Cautions, Poetry,  
Science, Art, Philosophy, Manners, Cus-  
toms, Proverbs, Problems, Experiments,  
Personals, News, Wit and Humor, His-  
torical Essays, Remarkable Events, New  
Discoveries, and a complete report of all  
the latest Fashions, as well as all the nov-  
elties in Needlework, and latest and  
freest information relating to all per-  
sonal and home adornment, and domes-  
tic matters. To the people everywhere  
it will prove one of the best, most in-  
structive, reliable and moral papers that  
has ever entered their homes.

We trust those who design making up  
clubs will be in the field as early as pos-  
sible. Our prices to club subscribers by  
the reduced rate are so low that if the  
matter is properly explained, very few  
who desire a first-class literary paper will  
hesitate to subscribe at once, and thus  
the getting up of the club for bring the  
paper to their notice. Remember, the  
getting-up of a club of 10 gets a free copy  
of the paper an entire year.

## No Whiskey!

BROWN'S IRON BITTERS  
is one of the very few tonic  
medicines that are not com-  
posed mostly of alcohol or  
whiskey, thus becoming a  
fruitful source of intemper-  
ance by promoting a desire  
for rum.

BROWN'S IRON BITTERS  
is guaranteed to be a non-  
intoxicating stimulant, and  
it will, in nearly every case,  
take the place of all liquor,  
and at the same time abso-  
lutely kill the desire for  
whiskey and other intoxi-  
cating beverages.

Rev. G. W. RICE, editor of  
the American Christian Re-  
view, says of Brown's Iron  
Bitters:

Cin., O., Nov. 16, 1881.  
Gents:—The foolish wast-  
ing of vital force in business,  
pleasure, and vicious indul-  
gence of our people, makes  
your preparation a necessity;  
and if applied, will save hun-  
dreds who resort to saloons  
for temporary recuperation.

BROWN'S IRON BITTERS  
has been thoroughly tested  
for dyspepsia, indigestion,  
biliousness, weakness, debility,  
overwork, rheumatism,  
neuralgia, consumption,  
ever complaints, kidney  
troubles, &c., and it never  
fails to render speedy and  
permanent relief.

## THE INDIANA

## STATE SENTINEL!

FOR THE YEAR 1884.

An uncompromising enemy of Mono-  
polies in whatever form appearing, and  
especially in the spirit of monopoly de-  
veloped in the present Tariff.  
THE SENTINEL is the recognized  
leading Democratic newspaper of the  
State. Many new and approved fea-  
tures have been introduced, making it in  
all respects a  
SUPERIOR 8-PAGE 56 COLUMN PAPER.

This Enlarged Edition will be furnish  
postage free, at

## ONE DOLLAR

It will contain well considered edi-  
tials on every subject, political or social,  
which may arise. The Commercial at-  
Market Reports of the WEEKLY SENTINEL,  
will be complete. Its Agricultural  
and Home Departments are in the be-  
st of hands, and will be distinguished  
feature. In a word, in its news, its so-  
terials, literary, miscellaneous, and in its  
general reading, it shall not be surpassed  
by any paper circulated in the State. It  
will be particularly adapted to the fam-  
ily circle. No thinking man in the State  
can afford to do without the Weekly Sen-  
tinel, at the small cost at which it is fur-  
nished.

THE SENTINEL, in addition to its  
superiority, is moreover an Indiana Pa-  
per, devoted to and especially representa-  
tive of Indiana's interests, political and  
other wise, as no foreign paper will or can do  
and ought, therefore, to have preference  
over the papers of other States, and we  
ask Democrats to bear this in mind, and

### THE IMPENDING CONFLICT.

The recent elections have revealed po-  
litical conditions which will, without  
doubt, make the Presidential conflict of  
next fall the greatest political contest of  
our history. It is due to truth to say  
that the conditions shown are such that  
each party may reasonably believe that  
it can succeed by a mighty effort.

Here in Indiana, as in '76 and '80  
he enacted a mighty struggle.  
The corrupt party which has been  
nearly a generation fattening upon spoils  
and plunder, will go from its long pos-  
session of a Ganaan flowing with milk  
and honey of spoils, only when  
the exhausted and almost un-  
dermined Country is again brought to  
character and variety of means brought  
into requisition where Republican mo-  
nopolists, bosses and plunderers united  
ly make an effort.

Fellow Democrats, there are con-  
ditions upon which we may reasonably  
reckon a probable success. These con-  
ditions, and therefore the only ones, are  
united and great effort. EVERY SCOT-  
TISH TO THE WHEEL!

Even now the conflict is in the air.  
The Sentinel will contribute its best ef-  
fort to the end of a grand Democratic  
victory.

Its work can be best done when a weel-  
ly visitor to every Democratic home  
hence we ask to become such a visitor  
and add that now is the time for every  
Democrat in the State to subscribe to  
the Sentinel.
