HON. THOMAS J. WOOD, M. C., OF  
INDIANA.

Hon. Thomas J. Wood, who represents ten counties in the northwestern part of the state of Indiana, was born in Athens county, Ohio, September 30, 1844. His early life was spent on a farm and in teaching a country school in Indiana, whence his father's family had removed. At Terre Haute he read law with Mr. W. Mack, and attended the law department of Michigan University, whence he graduated in 1867, at twenty-three. Since then his career has been steadily upward. He is a Democrat, and, notwithstanding he lives in a strong Republican district at Crown Point, he has been twice elected corporation treasurer; twice elected prosecuting attorney; once state Senator for four years, and now a Representative in Congress. He thinks he was born under a lucky star, and that his friends vote for him without regard to politics. By the way we hear that his name has been favorably mentioned for the Democratic nomination for governor. He would make a good executive officer, for he possesses the ability, energy and honesty to perform the duties of governor of the great state of Indiana. The Democrats could not select a better man, though Congress could ill spare him from his manifold duties here. It will be a cold day for the Republicans should he get the nomination.

He has introduced a large number of valuable bills during the present session of Congress. Among those of national importance we find the following: A bill to reduce the tariff on woolen goods of all kinds; a bill to reduce the tariff on sugar; a bill to admit free of duty a large number of useful articles for domestic use, and for men, women and children's wear; a bill to admit free of duty lumber, wood and salt; a bill to grant pensions to Union military prisoners confined in the Southern prisons; a bill to appoint commissioners to establish international commerce, and a bureau for the same, and a bill to equalize the bounties of soldiers who served in the late war for the Union.

Mr. Wood is young, active and industrious. He is devoted to the interests of his constituents. He has twenty-five or thirty letters a day from them, which he answers in detail. He says he never worked so hard in his life, and we believe it. An honest Congress man's duties are by no means light or easy.—Washington (D. C.) Sunday Gazette.

The young people can not afford to lose the instruction given at the Opera House every Sunday afternoon. At the last meeting the hall was filled with students ranging in age from five to fifty years. All seemed pleased with the work, in fact the school is pronounced by every one a success. The lessons are new and interesting. The question drawer is a new feature. All are invited to prepare questions which are read by the secretary and answered by the school. Much useful instruction is gained by this exchange of thought.

REPORTER.

NOTICE is hereby given to the stockholders in the Jasper County Draining Association, that the annual meeting for the election of officers will be held at the office of Thompson & Bro., in Rensselaer, Ind., on the second Saturday of April, 1884, at 2 o'clock, p. m.

ALFRED THOMPSON, Sec'y.

Rensselaer, Ind., Mar. 10, '84.

Gen. Fitz John Porter came through the Senate victorious. It is time that the verdict of courts, organized to convict, should be annulled. The overpowering influence of Logan don't appear.
