The odious alien land act of Indiana was vetoed by a Republican Legislature in 1881 and approved by a Republican Governor. It should be repealed.

Illinois evidently don't need another U. S. Senator. It would cost less to be satisfied with one. It is said that John A. Logan has not been in Washington since the 1st of January, and the Senate seems to get along about as well without him.

On Tuesday Senator Hoover introduced two bills in the Senate: Bill (S. 254) for the encouragement of life time convicts in the State Prisons, and providing that twenty-five years shall constitute a life sentence in the State Prisons of Indiana. Bill (S. 255) to amend section 4 of the act of March 8th, 1883, concerning the behavior and time of convicts.

The Indianapolis Herald: "We scarcely know of a man in public life who has more to facilitate himself on in the political situation than has Senator Voorhees. His party is triumphant in the State and nation; his friends are to be feared for; his son is in Congress from the far West; and the Senator has just been re-elected to succeed himself in the United States Senate, without opposition in his own party. The stars are all in his favor." All very correct and proper.

L. T. Michener of Shelbyville, Ind., Secretary of the Republican State Central Committee, on the 2nd inst. brought action for \$2,500 against Prof. W. H. Fertich, Superintendent of the public schools. The action is based on the following allegations in the complaint:

That heretofore, January 22, 1885, in the morning, Nora Michener, the daughter of the plaintiff, went to her school room, as a scholar, to receive instructions, but was denied admittance by the defendant, and she returned to her home; that said day was extremely cold; the temperature on said morning being eighteen degrees below zero and the earth covered with a deep snow; that while on her way home through the cold and snow, as aforesaid, she became extremely cold and shivered, and both her feet were frozen, causing her great pain and anguish; that said plaintiff's daughter was refused admittance without any right or authority of law.

The case has created great excitement there.

Enormous Profits.

A very bad memory serves a good part to some people. It requires a very shrewd lawyer to meet the requirements of witnesses with treacherous memories. After a very bad memory, for utility under certain circumstances, comes the convenient memory—one that can remember or not as the exigencies of the occasion demand. Such an one seems to be in the possession of Mr. C. P. Huntington. The New York Herald gives as an example of Mr. Huntington's forgetfulness that when on the witness stand last Wednesday, he could not state within \$20,000,000 what were his profits in the Central Pacific. He admitted finally that they were less than \$5,000,000. The Herald declares that his share of the profits was in the neighborhood of \$41,000,000. It reasons thus, There were four in the syndicate, of which Mr. Huntington was one. This syndicate put into the road \$1,000,000. They have drawn already \$165,000,000 in stocks, bonds, dividends and similar forms, and from the other enterprises to which the Central Pacific served as a stepping stone this syndicate hopes to bag another \$165,000,000 profits.

If Mr. Huntington was entitled to one-fourth of the profits, he drew more than \$41,000,000. Such gigantic operations were never possible until the legislation of the country. We merely refer to this to soothe the feelings of certain reputable members of the Republican party who may perchance continue to mourn over the November defeat of the "grand old party."

A rich widow of St. Roch, Quebec, seventy-four years of age, was married on Tuesday last, to her coachman, a youth nineteen years of age.

OBITUARY.

Mrs. Mary A. Makeever. MARY ANN SHARP, daughter of Thomas and Isabel Sharp, was born in Indiana town, Indiana County, Pennsylvania, August 15th, 1820. She was converted, and united with the M. E. church, in March, 1840, in Ohio, while visiting her sister, Mrs. Hannah Peacock, who still survives her. She was united in marriage to JOHN MAKEEVER, February 14th, 1842, at the home of her parents, in Johnstown, Pennsylvania. She then removed to Marion county, Ohio. In 1847, she removed to Jasper County, Indiana, where she resided until her death. She was the mother of two daughters and one son. The son died in infancy. She has always lived a devoted, consistent Christian since her conversion. She was always a gentle, loving wife and safe counsellor. She was a very indulgent, self-sacrificing wife and mother. On January 28th, 1885, after a very brief illness, surrounded by loving ones who cared for her tenderly, her spirit took its flight to be with the God who gave it.

She leaves a husband, two married daughters, and a large circle of relatives and friends to mourn her loss.

TRIBUTE OF RESPECT.

HALL OF EVENING STAR CHAPTER, No. 41, O. E. S. RENSSELAER, IND., Feb. 4, 1885. The Officers and Members of Evening Star Chapter, No. 41, O. E. S.: We, the committee appointed to draft resolutions on the death of Sister LIZZIE H. CHILCOTE, respectfully submit the following:

Whereas, Our dearly beloved Sister LIZZIE H. CHILCOTE, wife of our esteemed brother Mordecai F. Chilcote, has been removed from our Chapter by death:

Resolved, That in the death of our dear Sister, the Chapter and Order have lost a devoted and useful member; the Church, a devoted Christian; Society, a noble and generous woman; our bereaved brother, a loving wife; her children, a kind and affectionate mother; and while we deplore our loss, we will strive to imitate her many virtues, and ever regard her as fairest among thousands, altogether lovely.

To the family we tender our most heartfelt sympathies in this hour of their sad affliction, and commend them to Him who is able to bind up the broken hearted, and reunite all loving hearts in the near beyond.

Resolved, That the Charter of this Chapter be draped in mourning for the period of ninety days.

Resolved, That a copy of these resolutions, under the seal of the Chapter, be presented to the family of the deceased, and a copy be furnished each of our town papers for publication.

SOFT COAL SMOKE.—Women who live near railroad tracks, or in the vicinity of factories which burn soft coal, may make clean clothes look as clean as if grass-bleached by pouring boiling water over them after they are washed, and letting them soak all night, scalding and rinsing them the next morning. The yellow tint is almost entirely removed by this process.

A PENNSYLVANIA man who was clawed by a wildcat says that the feeling was something like having a dozen buzzsaws turned loose on him for a high old time.
