Democrats! attend your township conventions, to be held at the several places for holding elections, to-morrow, Saturday, May 29, 1886.

At the Prohibition State Convention, in Indianapolis, on Wednesday last, Hon. R. Dwiggin, of this place, was nominated for Judge of the Supreme Court.

Ingalls, of Kansas, calls Commissioner of Pensions Black an imposter. Black was a target for rebel bullets while Ingalls was striving by questionable methods to secure political preferment.

The Message concedes to its party, in the Senatorial unpleasantness, thus much: "By preventing internal discord an unpopular candidate may be elected; with discord the success of the most worthy man will be endangered."

DEMOCRATIC CANDIDATES.—For Clerk, John C. Chilcote; for Auditor, Lute Strong; for Treasurer, Wm. M. Hoover; for Sheriff, Wash Scott and Adam Hess; for Recorder, John B. Lefler, D. W. Shields, and M. A. Makeever are being urged.

Democrats, prepare for action! Conventions will be held in the several townships in Jasper county, on to-morrow, Saturday, May 29th, for the purpose of selecting delegates to the County Convention, which will be held in Rensselaer on the Saturday following, June 5th, 1886.

There is an old saying that "an ounce of prevention is worth a pound of cure." In all such cases, therefore, the main question to be determined by parties interested will be the cost of the "ounce of prevention."

A glance at the Republican apportionment foisted upon this State by a Republican legislature and administration, is sufficient to draw from our neighbor Marshall the admission that Hon Fred Hoover did a righteous act when he voted for its present proportions.

J. W. Duvall was scouring a considerable portion of Jasper, Pulaski, Porter and LaPorte counties last week, on hunt of a horse thief with a pair of horses and a buggy belonging to a Kentland livery establishment. "Wes" generally brings his man, but this time he failed to "sot eye on 'im."

The new display of Goods, selected and bought by such a combination of experience and taste as Mr. and Mrs. Ludd Hopkins may justly claim to have, will certainly sell at the prices offered.

### Greenback Congressional & County Conventions.

Manelius Johnson, Chairman of the Tenth Congressional District, has issued a call for a convention to be held in Rensselaer, June 3d, for the purpose of nominating a candidate for Congress. Let there be a full turnout. The Greenbackers of Jasper county will meet the same day and nominate a county ticket. Good speakers will be present. By order of County Central Committee.

WM. E. MOORE, Chairman.  
Jas. W. PIERCE, Sec'y.

To make it generally known to all interested, will say that the Furniture and Undertaking business of the late W. J. Wright will not be discontinued, but will be conducted by Park Wright, who hopes to retain his father's friends his friends, and secure the patronage of many more by square dealing with all.

Parties employed in building a drain near the residence of F. B. Meyer, in the prosecution of the work on Wednesday undertook to blast some rock, pieces of which struck Allen Catt on the head and hand, wounding him severely. It was a close call for Mr. C., who was engaged in roofing a house at the time of the accident.

We have bought Mr. Farden's stock at such figures as to enable us to sell at his closing-out prices Hemphill & Honan.

### DUNNVILLE SQUIBS.

Health good, and farmers all busy.

John Mannan can show the nicest corn and the finest field of wheat in Kankakee.

John Anderson, of whose illness we made mention heretofore, has returned from Chicago, where he had gone to receive medical treatment, and is now the guest of E. M. Erickson, continues in poor health.

If practice makes perfect, and this same practice is not obstructed Kankakee cannot in after years look back with pride upon her schools of to-day.

A Sunday school has been organized at South Grade. All are invited.

Some of the Crawford sports are enjoying themselves at their Club house, at Dunn's bridge. May 26, '86. KANKAKEE.

### NEWTON ITEMS.

The weather has been fine during the past week.

Corn planting is almost completed and corn plowing has begun.

A great many farmers had to plant over the ground planted before the recent heavy rains.

The outlook is for a heavy yield of small fruit.

Mary Wuerthner has a class in music here and at Mt. Ayr.

A number of persons were baptized at No. 6 last Sabbath, Rev. David Handley, officiating.

Sabbath school at No. 6 every Sunday forenoon. Everybody invited.

The hail accompanying the rain storm of week before last did no damage here.

Horses are troubled with distemper this spring.

Harvest will be early this year, probably before the corn has received sufficient tending.

Some of the teachers hereabout contemplate attending the Normal this summer. DEMOCRAT.

### A Wonderful Discovery.

Consumptives and all, who suffer from any affection of the Throat and Lungs, can find a certain cure in Dr. King's New Discovery for Consumption. Thousands of permanent cures verify the truth of the statement. No medicine can show such a record of wonderful cures. Thousands of once hopeless sufferers now gratefully proclaim they owe their lives to this New Discovery. It will cost you nothing to give it a trial. Free Trial Bottles at F. B. Meyer's Drug Store. Large size \$1.00. Aug. 29-2

The business of W. J. Wright deceased, will continue, under the management of Park Wright, who is authorized to settle all claims and collect all moneys due.

PARK WRIGHT.

### Judge Holman.

Washington Post: Judge Holman's name will get into Webster's Dictionary if he doesn't look out. Many of the reckless Republican papers are inclined to use the new verb "to holmanize," and they assert that the watchful member from Indiana is "Holmanizing legislation." The fact is that the charge is true. He keeps economizing wherever he can in the most reckless fashion. In reporting the Appropriation bill from his committee, he lopped off 225 Government employees. If he keeps it up the dictionary will be amended in its next edition as thus:

Holmany, n. Frugality; retrenchment; inclination to cut down expense, and dispense with sinecures.

Holmanize, v. To economize; to retrench any way, whether you can or not; to protect the Treasury against all comers.

Holmanistic, adj. Tendency to holmanize; severe economical bias.

Holmanomically, adv. In a holmanistic manner; after the fashion of holmanizers.

Probably he can stand it, and perhaps the Treasury can stand it, if the Republican party can stand it.

If you want good clothing at low figures, call and examine the large stock just opened out at Fendig's. In the matter of supply, variety in styles, quality of goods, and low prices, Fendig can not be surpassed. All are invited to call, examine and ascertain prices, before purchasing elsewhere.

### American Enterprise.

No invention of the nineteenth century has worked a greater revolution in household economy or conferred more of a benefit on humanity than the sewing machine.

The first productions were crude and uncouth in the extreme, and it was reserved for American skill and ingenuity to bring forth a machine of any practical value.

In order to appreciate the great advancement which has taken place it is only necessary to compare one of the machines built during the infancy of the invention with one of the latest improved "Light-Running New Home"

All the really good points contained in other machines have been utilized in its construction.—Many new improvements and devices have also been added, the result of which is a machine as nearly perfect as it is possible to make one.

For simplicity, durability, ease of management and capacity for work, the "Light-Running New Home" has no rival, and the happy possessor of one may rest assured that he or she has the very best the world affords. SEE ADVERTISEMENT ON ANOTHER PAGE OF THIS PAPER.

Since Leopold reduced prices on all his Dry Goods, Clothing, Boots and Shoes below all competition, his goods go off like hot cakes.
