Democratic CONVENTIONS!

The Democracy of the counties of Benton, Jasper and Newton will meet in Delegate Convention, at Goodland, Ind., on WEDNESDAY, AUGUST 11, '86, and place in nomination one candidate for State Senator and one candidate for Circuit Prosecutor.

At the same time and place the a candidate for Representative, for the counties of Jasper and Newton, will also be placed in nomination.

The ratio of representation is fixed at one Delegate for every 60 Democratic votes and fraction thereof, east at the last general election.

By order of Chairmen of the several COMMITTEES.

Walker items came to hand too late for insertion this week.

The Jasper county Republicans in 1886 repeat their effort of 1880 in exhibition of greed for place.—That year Hon. Horace E. James, ex-consul, etc., desired to be placed on the State ticket for Secretary of State; Thompson, for Congress; Chilcote, for Representative, and Babcock for Prosecutor. James was voted the Jonah of the crew. In the effort to get rid of him, the balance of the loyal patriots went overboard with him.

Indianapolis News: Major Bitters, editor and proprietor of the Rochester Daily Republican, was attacked and assaulted upon Main street, in that city, by Otto Rettig, of Peru. They were separated after a lively round. The assault was the result of an article appearing in the paper a few days ago reflecting upon the character of Rettig. Rettig pleaded guilty and was fined \$5 and costs.

Bro. James will now be able to return compliments and extend congratulations. He can send "To T. Major Bitters, greeting: 'Me, too!' But this is not the first assault on Bitters. And when editor of the Rensselaer Republican, his absence on one occasion saved him from an application of rotten eggs procured by an old lady for his benefit.

The selection of Judge Turpie for the office of United States Attorney for the District of Indiana, is one of the best yet made. In his case, the man will honor the office. Should a vacancy occur in the Attorney General's office, we suggest to President Cleveland that he will meet the most general and emphatic approval of all parties if he will place that position at the disposal of Judge Turpie.

THE LADIES' LITERARY SOCIETY met, on June 26th, at Mrs. A. Purcupile's, and the meeting was devoted to business. The election of officers was the first thing in order. Mrs. Belle Kerr was elected president; Mrs. A. Purcupile, vice-president; Mary Washburn, secretary; Mrs. Alfred Thompson, treasurer, and Miss Mollie Babcock, critic. Mr. Van Rensselaer sent a manuscript History of the "Jesuit Mission" to the society. The History was written by himself and is very interesting and well written. A letter was also read from his daughter, acknowledging acceptance of honorary membership to which she had been elected. The society returned a vote of thanks to Mr. Van Rensselaer for the manuscript History and other kindnesses that he has shown it during his visit here.—The society desired to take a summer vacation and the meeting adjourned until the first Saturday in October.

Last Friday evening, about six o'clock, during the storm which passed over the town lightning struck the residence occupied by the families of Martin E. Baylor and Ed. Erwin, south side of public square, causing the death of Claude, aged about eleven years, son of Mr. Baylor. At the time of the accident Claude, with an older sister and younger brother were standing in the rear doorway and Mrs. Baylor had just come down stairs. Under the circumstances it is a matter of surprise that the other members of the family escaped unharmed. Funeral services were conducted by Rev. D. Handley, Saturday, at 11 o'clock, a. m.

At a special session of the board of trustees, Monday evening, a contract was ordered for half a mile of glazed 10-inch sewer pipe to be laid on north side of Harrison street, from Leopold's Addition. Sigler & Goff have the contract. A contract was also entered into with Michaels, of Logansport, for 120 feet of 30-inch concrete pipe at \$1.20 per foot, to conduct the waters of Makehimself ditch across Front street, near the residence of Hon. G. H. Brown.

Among those named for the Democratic Senatorial nomination in this District, Hon. George H. Brown, of Rensselaer, and Dr. D. H. Patton, of Remington, are prominently mentioned.

The Monon Base Ball Club, and "The Kids," of Rensselaer, this afternoon occupy the grounds of the latter in a contest for the championship.

Henry Smith and R. Goddard of Rensselaer, will come in as beneficiaries under the act pensioning soldiers of the Mexican war.

County Superintendent Nelson is attending the National Educational Association at Topeka, Kansas.

The Delphi Base Ball Club failed to materialize in Rensselaer yesterday.

Ed. W. Bass, of Lafayette, is visiting his sister, Mrs. Moses Tuteur, in Rensselaer.

A couple of Arabs were on our streets Wednesday morning asking for backsheesh.

Prof. W. D. Gunning, an able and entertaining Boston scientist, is visiting Rensselaer.

Ezra C. Nowels returned from Washington Territory Tuesday night.

A well-known comedian for the past two years has carefully clipped and pasted in scrap books all the reported misdeeds of clergymen that he saw. Now when he hear a sermon on the immorality of the stage he at once sends the preacher a letter filled with statistics as to the number of preachers in jail, the number that he thinks ought to be in jail, the nature of their sins and crimes, and like pleasing facts.
