John Thompson, Jr. was born April 10, 1859, and died at the family residence in Moline, August 22, 1886. The subject of this notice had been working at Medicine Lodge, where he was taken sick. Was very low when he came home and had but few lucid moments after his arrival. His disease was Typho Malarial Fever. He was buried in the Elk Falls Cemetery, under the auspices of the I. O. O. F., and rests beside his sainted Mother. The family have the sympathies of the community.—Moline (Kansas) Paper.

Mr. Thompson was the son of John Thompson, formerly of this place, and brother of Mrs. C. Wiley Duval, and was well known to many of our people, who sympathize with the family in their bereavement.

**Special Invitation!**—Everybody is respectfully invited to call and price my goods, and I will guarantee that out of every 25 customers 24 will be bound to buy of me, as I have reduced my entire stock to such prices that they will feel constrained to purchase unless they have money to throw away. I mean business, and am determined to secure, by the above method, new friends. Do not be misled, but come at once and convince yourselves of the truth of this statement. Very respectfully,

A. LEOPOLD.

Rev. "Billy" Owen's majority two years ago in this district as now composed was 197. In four of the nine counties he had majorities as follows: Jasper, 378; Lake, 36; Newton, 421; Porter, 651; total, 1,436. In five counties there were majorities against him as follows: Fulton, 124; Cass, 458; Carroll, 163; Pulaski, 337; White, 107; total, 1,289. Owen received the Prohibition vote two years ago and he depends upon that vote to elect him this time. If the Prohibition vote has increased and he gets all of it, it increases his chances of election. Two years ago he received a good share of the labor vote of the district, but from all that we can learn the wage workers of the district are not satisfied with his record in Congress. On the other hand Dr. Hattery is popular with the laboring classes and will undoubtedly get a big vote from this quarter. This in a meas-

ure offsets the Prohibition vote. Again there are a great many Republicans in the various counties of the district who will not vote for Owen because of his unwillingness to define his position on the Prohibition question. They know how Dr. Hattery stands and he will get a great many of their votes. Owen's attacks on Cleveland and the Democratic party will drive every Democrat solidly to Dr. Hattery. An unbiased summing up of prospects would lead one to believe that Dr. Hattery's election to Congress is an event that will surely occur on the 2d of November.

Ralph Fendig is piling up in his extensive store room the largest and most complete stock of Dress Goods, Clothing, Jerseys, Shawls, etc., ever opened out in Rensselaer, which he offers at astonishing low figures. He cordially invites the public to call.
