WHAT TRUE MERIT WILL DO.

The unprecedented sale of Boschee's German Syrup within a few years has astonished the world. It is without doubt the safest and best remedy ever discovered for speedy and effectual cure of Colds, Coughs and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by Physicians, as it does not dry up a Cough, and leave the disease still in the system, but on the contrary removes the CAUSE of the trouble, heals the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the diseases make their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price 75 cents per bottle.
