Democratic Sentinel

FRIDAY, AUGUST 26, 1887.

Dr. Loughridge does not improve very rapidly.

Our people can make the Fair a success. Do it.

C. F. Wren, station agent, has been on the sick list since Monday.

See those new combination suits at FENDIG'S.

Charley Porter has accepted the position of telegraph operator at Little Rock, Ark.

Golden opportunities, silver bargains, and nickle specialties, at R. FENDIG'S.

The Jasper County Fair will commence next Tuesday and close on the evening of the following Friday.

If you want to see the largest and most beautiful line of silk handkerchiefs in the country, call at FENDIG'S immediately, if not sooner.

Any person in want of a good Organ will do well to call on Mr. Nicholson, at the Liberal Corner. Will sell cheap, for cash.

Charlie Roberts is selling the Studebaker farm wagon, the McCormick reaper, Osborne reaper, etc.

Dr. Quivey has removed his dental office to the rear room up stairs in Hemphill's new building.

At the baby show last Tuesday evening, the babies of Mrs. Wm. Eger and Mrs. Lota Jones, took first and second prizes, in the order named, in the two year class, and in the one year class the babies of Mrs. Horace E. James, and Mrs. John Medicus.

We keep the best, and sell so cheap, That he who buys must profits reap. R. FENDIG.

Honest money will always buy honest goods of R. Fendig. Honesty with him has always been his best policy.

From the manner in which the officers of the Jasper County Agricultural Society have got down to work, it is very evident the people are taking more interest in the success of the Fair. We trust the exhibits and display will be vastly more numerous than ever heretofore.

New backgrounds, new camera, new balustrade, new burnisher and new ideas! Now is the time to get those photos taken you were talking about.

Respectfully,
J. A. SHARP.

It is an I. X. L., and not a Perkins wind-pump, placed in Duvall's Livery stables, manufactured by Phelps & Bigelow, of Kalamazoo, Michigan. "Wes" says if it co'd not be replaced he would not have it removed for a thousand dollars.

Roberts keeps buggies and wagons on hand—the best and the cheapest. Be sure and give him a call before going elsewhere.

A ten-year-old boy named Geo. Robinson, of Remington, was put in jail Friday, charged with horse stealing. He had taken a horse from a hitching-post in Remington and came to Jim Rogers', a few miles west of this place, where he and the horse were found. As he had made no attempt to conceal or dispose of the animal, and it was shown he had a mania for riding, Justice Morgan properly concluded it was a clear case of no steal, and released the lad.

The Graham-Earle Dramatic Company will be with us one week, commencing next Monday evening, August 29th, in an entire new repertoire, embracing all the latest Eastern successes, and introducing some new features which have met with great success. The wardrobe surpass anything ever worn on the Western stage, and must be seen to be appreciated. Miss Agatha Singleton, in the great society drama "Forget Me Not," will introduce some new and elegant costumes imported expressly for this piece, one of them being a black bodiced velvet train dress with a magnificent hand embroidered front which required three weeks to embroider and at a cost of over two hundred dollars. Of Mr. Graham Earle, nothing can be said which will place him on a firmer foundation than where he has already placed himself. He is well known throughout the West.—He seeks to secure the confidence of the people by presenting them a class of plays both instructive and pleasing. Popular prices will prevail.

Don't Experiment.
You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first, only a cold. Do not permit any dealer impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottle free at F. B. Meyer's Drug Store. Large Bottles \$1.

DRS. STARKEY and Palens' advertisement of Compound Oxygen in this issue of this paper should be read by all of our readers. The cures which this treatment is effecting are almost miraculous. In the few years since its discovery they have treated in all parts of the world upwards of fifty thousand patients. Thousands of these have given testimonials that they are cured, and a large proportion of the others report great benefit from its use. Their offer to send a two hundred page book free, giving a history of the treatment, with a large number of testimonials, is a liberal one. Read the advertisement and send for the book now.
