### BIRTHDAY SURPRISE.

Ed. Sentinel: This morning some designing persons decoyed Uncle Billy Greenfield away from his home, and during his absence an agreeable surprise had been prepared. On his return he found his house filled with about sixty persons, composed of relatives and friends, who had assembled with well-filled baskets to celebrate the fifty-eighth birthday anniversary of Uncle Billy. After all had partaken of a bountiful dinner, he was presented with a large easy chair, and many other useful presents, as a token of their love and esteem. Mrs. Purcupile, on behalf of the donors, presented the gifts in a short but neat address. Mrs. Bates, by request, returned thanks to the friends for their kind regards. All had a good time generally. Thousands of these have given testimonials that they are cured, and a large proportion of the others report great benefit from its use. Their offer to send a two hundred page book free, giving a history of the treatment, with a large number of testimonials, is a liberal one. Read the advertisement and send for the book now.
